PROXY STATEMENT SYNERGX SYSTEMS INC.

SOLICITATION OF PROXIES

The accompanying Proxy is solicited on behalf of the Board of Directors of Synergx Systems Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Wednesday, March 10, 2005, at 11:00 a.m. Eastern Standard Time, or any adjournment thereof, at the offices of Dolgenos Newman & Cronin LLP, 96 Spring Street, 8th Floor, New York, New York. The approximate date on which proxy materials are first being sent to stockholders is February 2, 2005.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by mail, officers, directors, and regular employees of the Company may, without additional compensation, use their personal efforts to solicit proxies by telephone, telegraph, telecopier or in person. The Company expects to reimburse brokers, banks, custodians and other nominees for their reasonable out-of-pocket expenses in handling proxy materials for beneficial owners of the Common Stock. Should the Company's management deem it necessary, the Company may also retain the services of a proxy solicitation firm to aid in the solicitation of proxies for which the Company will pay a fee not expected to exceed \$5,000 plus reimbursement for out-of-pocket expenses.

Vote Required

The election of the Company's directors requires a plurality of the votes represented in person or by proxy at the Annual Meeting. The proposal to ratify the appointment of Marcum & Kliegman LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2005 will be approved if it receives the affirmative vote of the majority of the shares of Common Stock present or represented and entitled to vote at the Annual Meeting.

Effect of an Abstention and Broker Non-Votes

Edgar Filing: SYNERGX SYSTEMS INC - Form DEF 14A

A stockholder who abstains from voting on any or all proposals will be included in the number of stockholders present at the Annual Meeting for the purpose of determining the presence of a quorum. Abstentions will not be counted either in favor of or against the election of the nominees or any other proposal. Consequently, abstentions will have no affect on the vote required to approve the nominees for director or the other proposals being considered at the Annual Meeting.

If you hold shares of our common stock in your broker's name (sometimes called "street name" or "nominee name"), then you must provide voting instructions to your broker. If you do not provide instructions to your broker, your shares will not be voted on any matter on which your broker does not have discretionary authority to vote for you. A vote that is not cast for this reason is called a "broker non-vote." We will treat broker non-votes as shares present for the purpose of determining whether a quorum is present at the meeting, but we will not consider them present for purposes of calculating the vote on a particular matter, nor will we count them as a vote FOR or AGAINST a matter or as an ABSTENTION on the matter.

Stockholders can ensure that their shares are voted at the Annual Meeting by signing and returning the enclosed proxy in the envelope provided. Shares of Common Stock par value \$.001 per share ("Common Stock") represented by the accompanying proxy will be voted if the proxy is properly executed and is received by the Company prior to the time of voting. Sending in a signed proxy will not affect a stockholder's right to attend the Annual Meeting and vote in person. The Company's principal executive offices are located at 209 Lafayette Drive, Syosset, New York 11791.

Proxies may be revoked at any time prior to the voting thereof by written notice mailed or delivered to the Secretary, by receipt of a proxy properly signed and dated subsequent to an earlier proxy, or by revocation by request in person at the Annual Meeting, but if not so revoked, the shares represented by such proxy will be voted in accordance with the authority conferred by such proxy. Where specific choices are not indicated on the proxy, proxies will be voted in accordance with the recommendations of the Board of Directors.

Nominating Committee

We have not established a Nominating Committee nor have we adopted a charter for the nominating process. Currently, the entire board performs the functions of a nominating committee, including identifying individuals qualified to become board members, recommending nominees to fill vacancies in the membership of the board as they occur and, prior to each annual meeting of stockholders, recommending director nominees for election at such meeting, and making recommendations concerning the size and composition of the board. Board candidates are considered based upon various criteria, such as skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision, experience, and any other factors appropriate in the context of an assessment of the needs of the board at that time. In addition, the board will

Edgar Filing: SYNERGX SYSTEMS INC - Form DEF 14A

consider whether the individual satisfies criteria for independence as may be required by applicable regulations and personal integrity and judgment. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The board has the sole authority to retain, compensate and terminate any search firm or firms to be used in connection with the identification, assessment, and/or engagement of directors and director candidates. No such firm has been retained by the Company in the past.

The board will consider proposed nominees whose names are submitted to it by stockholders; however, it does not have a formal process for that consideration. The Company has not adopted a formal process because it believes that the informal consideration process has served the board's and the stockholders' needs. The board intends to review periodically whether a more formal policy should be adopted. If a stockholder wishes to suggest a proposed name for board consideration, the name of that nominee and related personal information should be forwarded to the board, in care of the corporate Secretary, at least six months before the next annual meeting to assure time for meaningful consideration by the board.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications which are received by the Secretary for the board's attention are forwarded to the board, has served the board's and the stockholders' needs. In view of recently adopted Securities and Exchange Commission disclosure requirements relating to this issue, the board may consider development of more specific procedures. Until any other procedures are developed and posted on the Company's corporate website, any communications to the board of directors should be sent to it in care of the Secretary.

AUDIT COMMITTEE

The Corporation has a standing audit committee, with a written charter which is attached as Appendix A, within the Board of Directors which currently consists of Messrs. Daniel S. Tamkin, Dennis P. McConnell and Henry Schnurbach.

The Board of Directors has determined that, for the fiscal year ended September 30, 2004, each of Messrs. McConnell and Schnurbach is an "independent director," as such term is defined by Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards.

Report of the Audit Committee

The following "Report of the Audit Committee" shall not be deemed incorporated by reference by any general statement incorporating this Proxy Statement into any filing under the Securities Act of 1933 (Securities Act), or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under the Securities Act or the Exchange Act.

The Audit Committee has reviewed and discussed the audited financial statements with management. The Audit Committee has discussed with the independent registered public accountants the matters required to be discussed by Statement of Auditing Standards No. 61, "Communication with Audit Committees," as may be modified or supplemented. The Audit Committee has received the written disclosures and the letter from the independent registered

Edgar Filing: SYNERGX SYSTEMS INC - Form DEF 14A

public accountants required by Independence Standards Board Standard No. 1, as may be modified or supplemented, and has discussed with the independent registered public accountants their independence. Based on the review and discussions referred to above in this report, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the SEC.
