QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: The Board of Directors (or *Board*) of Teekay Shipping Corporation, a corporation organized in the Republic of the Marshall Islands (or *Teekay*), is providing these proxy materials for you in connection with Teekay's Annual Meeting of Shareholders, which will take place on June 1, 2005. As a shareholder, you are invited to attend the annual meeting and are entitled and requested to vote on the items of business described in this proxy statement.

Q: What information is contained in this proxy statement?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and our most highly-paid executive officers, and certain other information about Teekay.

Q: How may I obtain Teekay's annual report to shareholders?

A: A copy of our annual report to shareholders is enclosed.

Q: How may I obtain Teekay's Annual Report on Form 20-F filed with the SEC?

A: Shareholders may request a free copy of our 2004 Annual Report on Form 20-F from:

Teekay Shipping Corporation

Suite 2000, Bentall 5

550 Burrard Street

Vancouver, BC V6C 2K2

Attention: Investor Relations

Telephone: (604) 844-6654

Email: investor.relations@teekay.com

Teekay will also furnish any exhibit to the Form 20-F if specifically requested. Copies of the 2004 Annual Report on Form 20-F are also available under "SEC Filings" in the Investor Centre section of our website at www.teekay.com and at the SEC's EDGAR database on the SEC's website at www.sec.gov.

Q: What items of business will be voted on at the annual meeting?

A: The items of business scheduled to be voted on at the annual meeting are:

The election of three directors to Teekay's Board for a term of three years, and

The ratification of our independent auditors for the 2005 fiscal year.

We will also consider any other business that properly comes before the annual meeting.

Q: How does the Board recommend that I vote?

A: Our Board recommends that you vote your shares **FOR** each of the nominees to the Board and **FOR** the ratification of the independent auditors for the 2005 fiscal year.

Q: What shares can I vote?

A: Each share of Teekay common stock issued and outstanding as of the close of business on April 8, 2005, the *record date* for the annual meeting, is entitled to be voted on all items being voted upon at the annual meeting. The *record date* for the annual meeting is the date used to determine both the number of shares of Teekay's common stock that are entitled to be voted at the annual meeting and the identity of the *shareholders of record* and *beneficial owners* of those shares of common stock who are entitled to vote those shares at the annual meeting. On the *record date* for the annual meeting we had approximately 81,763,448 shares of common stock issued and outstanding.

You may vote all shares owned by you as of the *record date* for the annual meeting, including (1) shares held directly in your name as the *shareholder of record*, including shares purchased through Teekay's Dividend Reinvestment Plan, and (2) shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most Teekay shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with Teekay's transfer agent, The Bank of New York, you are considered, with respect to those shares, the *shareholder of record*, and these proxy materials are being sent directly to you by Teekay. As the *shareholder of record*, you have the right to grant your voting proxy directly to Teekay or to vote in person at the meeting. Teekay has enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held *in street name*, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the *shareholder of record*, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: How can I attend the annual meeting?

A: You are entitled to attend the annual meeting only if you were a Teekay shareholder as of the close of business on April 8, 2005 or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker or nominee (*i.e.*, in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 9:00 a.m., London time.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.*

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee.

Shareholders of record of Teekay common stock may submit proxies by completing, signing and dating their proxy cards and mailing them in the enclosed envelopes. Teekay shareholders who hold shares beneficially in street name may vote by completing, signing and dating the voting instruction cards provided and mailing them in the enclosed envelopes, or otherwise as directed in the voting instruction card provided by your broker, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to the Teekay Corporate Secretary by mail received prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Teekay or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally shareholders provide written comments on their proxy card, which are then forwarded to Teekay's management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: The general quorum requirement for holding the annual meeting and transacting business is that holders of a majority of shares of Teekay common stock entitled to vote must be present in person or represented by proxy. However, the number of shares required to be represented at the annual meeting to constitute a quorum is reduced from a majority to one-third of the shares entitled to vote on a specific matter if that matter is recommended by the *Continuing Directors* or, for purposes of voting on the election of directors, if all nominees are recommended by the *Continuing Directors*. *Continuing Directors* means the incumbent members of the Board of Directors that were members of the Board on June 15, 1999 and any persons who have been or are subsequently elected or appointed to the Board if such persons are recommended by a majority of the *Continuing Directors*. The *Continuing Directors* have recommended for election all the nominees for director set out in this proxy statement and have recommended ratification of the selection of Ernst & Young LLP, Chartered Accountants, as Teekay's independent auditors for the 2005 fiscal year. Accordingly, the quorum for each of these matters will be one-third of the shares entitled to vote, present in person or represented by proxy. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

Q: How are votes counted?

A. In the election of directors, you may vote FOR all of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. For the other item of business, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, the abstention has the same effect as a vote AGAINST.

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (*i.e.*, FOR all of Teekay's nominees to the Board, FOR ratification of the independent auditors and in the discretion of the proxy holders on any other matters that properly come before the meeting).

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the three persons receiving the highest number of FOR votes at the annual meeting will be elected. The other proposal requires the affirmative FOR vote of a majority of those shares present in person or

represented by proxy and entitled to vote on that proposal at the annual meeting.

Q: Is cumulative voting permitted for the election of directors?

A: No. Teekay does not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, each share of common stock outstanding as of the close of business on the record date is entitled to one vote.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the two items of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Bjorn Moller, Peter Evensen and Arthur J. Bensler, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxyholders will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder, you may receive only one set of proxy materials (including our annual report to shareholders, our 2004 Annual Report on Form 20-F and this proxy statement) unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

**Teekay Shipping Corporation
Suite 2000, Bentall 5
550 Burrard Street
Vancouver, BC V6C 2K2
Attention: Investor Relations
Telephone: (604) 844-6654**

Email: investor.relations@teekay.com

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: Teekay is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our report on Form 6-K for the second quarter of fiscal 2005.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.

Shareholder Proposals

For a shareholder proposal to be considered for inclusion in Teekay's proxy statement for the annual meeting next year, the written proposal must be received by Teekay's Corporate Secretary at the address set forth below no later than December 30, 2005. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of this year's annual meeting, the deadline for inclusion of proposals in Teekay's proxy statement will be instead a reasonable time before Teekay begins to print and mail its proxy materials. Such proposals also will need to comply with Teekay's bylaw provisions regarding business to be brought before a shareholder meeting. Proposals should be sent by mail or facsimile addressed to:

**Corporate Secretary
Teekay Shipping Corporation
Suite 2000, Bentall 5
550 Burrard Street
Vancouver, BC V6C 2K2
Facsimile: (604) 609-6447**

For a shareholder proposal that is not intended to be included in Teekay's proxy statement as described above, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of Teekay common stock to approve that proposal, provide the information required by Teekay's bylaws and give timely notice to Teekay's Corporate Secretary in accordance with the bylaws, which, in general, require that the notice be received by the Corporate Secretary not less than 60 days or more than 90 days prior to the meeting date.

Nomination of Director Candidates

You may propose director candidates for consideration by the Board's Nominating and Governance Committee. Any such recommendation should include the nominee's name and qualifications for Board membership and should be directed to Teekay's Corporate Secretary at the address set forth above. In addition, Teekay's bylaws permit shareholders to nominate directors for election at an annual shareholder meeting. To nominate a director, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of Teekay common stock to elect such nominee and provide the information required by Teekay's bylaws, as well as a statement by the nominee acknowledging that he or she will owe a fiduciary obligation to Teekay and its shareholders. In addition, the shareholder must give timely notice to Teekay's Corporate Secretary in accordance with the bylaws, which, in general, require that the notice be received by the Corporate Secretary within the time period described above under Shareholder Proposals.

Copy of Bylaws Provisions

You may contact Teekay's Corporate Secretary at the address set forth above for a copy of the relevant bylaws provisions regarding the requirements for making shareholder proposals and nominating director candidates. Teekay's bylaws are also available under Corporate Governance in the Investor Centre section of Teekay's website at www.teekay.com.

Q: How may I communicate with Teekay's Board or the non-management directors on Teekay's Board?

A: You may submit any communication intended for Teekay's Board or the non-management directors by directing the communication by mail or fax addressed as follows:

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Teekay is committed to sound corporate governance principles. These principles contribute to Teekay's business success and are essential to maintaining Teekay's integrity in the marketplace. Teekay's Corporate Governance Guidelines and Standards of Business Conduct are available under "Corporate Governance" in the Investor Centre section of its website at www.teekay.com.

Board Independence

The Board has determined that each of our directors, other than Bjorn Moller, our President and Chief Executive Officer, and C. Sean Day, our Chair of the Board, has no material relationship with Teekay (either directly or as a partner, shareholder or officer of an organization that has a relationship with Teekay) and is *independent* within the meaning of Teekay's director independence standards, which reflect the New York Stock Exchange (or *NYSE*) director independence standards, as currently in effect and as they may be changed from time to time. In making this determination the Board considered the relationships of Bruce C. Bell, Thomas Kuo-Yuen Hsu and Axel Karlshoej with our largest shareholder and concluded these relationships do not materially affect their independence as directors. Please read "Certain Relationships and Related Transactions" for additional information. Other than Bjorn Moller, each of the current directors standing for re-election at the annual meeting is an independent director.

The Board has determined that each member of each of Teekay's Board committees has no material relationship with Teekay (either directly or as a partner, shareholder or officer of an organization that has a relationship with Teekay) and is *independent* within the meaning of Teekay's director independence standards. In addition, the Board has determined that each member of the Audit Committee also satisfies Teekay's Audit Committee member independence standards, which reflect applicable NYSE and SEC audit committee member independence standards.

Board Structure and Committee Composition

As of the date of this proxy statement, our Board has nine directors and the following three committees: (1) Audit, (2) Compensation and Human Resources, and (3) Nominating and Governance. The function of each of the committees is described below. Each of the committees operates under a written charter adopted by the Board. All of the committee charters are available under "Corporate Governance" in the Investor Centre section of Teekay's website at www.teekay.com. During fiscal 2004, the Board held nine meetings. Each director attended all Board meetings, except for two Board meetings at which one director was absent from each. Each director attended all applicable committee meetings. The membership of each of the committees for fiscal 2005 and the number of meetings of each held in fiscal 2004 are as follows:

<i>Non-Employee Directors:</i>

Audit Committee

Teekay's Audit Committee is composed entirely of directors who satisfy applicable NYSE and SEC audit committee independence standards. All members of the committee are financially literate and the Board has determined that Eileen A. Mercier qualifies as an audit committee financial expert.

The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of:

the integrity of Teekay's financial statements;

Teekay's compliance with legal and regulatory requirements;

the independent auditors' qualifications and independence; and

the performance of Teekay's internal audit function and independent auditors.

Specific duties of the Audit Committee include, among others: preparing an Audit Committee report for inclusion in the annual proxy statement; annually reviewing the Audit Committee charter and the Committee's performance; appointing, evaluating and compensating Teekay's independent auditors; pre-approving the retention of the independent auditors for all audit and permitted non-audit services; reviewing Teekay's financial statements; reviewing Teekay's internal controls, internal audit function and corporate policies with respect to financial information; overseeing the establishment of procedures for handling complaints concerning financial, accounting, internal accounting controls and auditing matters; overseeing the development of, periodically reviewing and monitoring compliance with and the effectiveness of Teekay's Standards of Business Conduct; and periodically reviewing risks that may have a significant impact on Teekay's financial statements. The Audit Committee works closely with Teekay's management, internal auditors and independent auditors. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from Teekay for, outside legal, accounting and other advisors as the Audit Committee deems necessary to fulfill its duties.

The report of the Audit Committee is included on page 25 of this proxy statement. The Committee's charter is available under "Corporate Governance" in the Investor Centre section of Teekay's website at www.teekay.com.

Compensation and Human Resources Committee

The Compensation and Human Resources Committee:

reviews and approves corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluates the Chief Executive Officer's performance in light of these goals and objectives and determines the Chief Executive's compensation;

reviews and approves the evaluation process and compensation structure for executives, other than the Chief Executive Officer, evaluates their performance and sets their compensation based on this evaluation;

reviews and makes recommendations to the Board regarding compensation for directors;

establishes and administers long-term incentive compensation and equity-based plans; and

oversees Teekay's other compensation plans, policies and programs.

Specific duties of the Compensation and Human Resources Committee include, among others: developing an executive compensation philosophy and annually reviewing executive compensation programs and practices; approving special employment, severance, change-in-control and retirement agreements or arrangements for executive officers; monitoring director and executive stock ownership; and annually evaluating the Committee's performance and its charter. The Compensation and Human Resources Committee has the authority to retain compensation consultants and other compensation experts in fulfilling its duties and to compensate these advisors.

The report of the Compensation and Human Resources Committee is included beginning on page 21 of this proxy statement. The Committee's charter is available under "Corporate Governance" in the Investor Centre section of Teekay's

website at www.teekay.com.

Nominating and Governance Committee

The Nominating and Governance Committee:

identifies individuals qualified to become Board members;

selects and recommends to the Board director and committee member candidates;

8

develops and recommends to the Board corporate governance principles and policies applicable to Teekay, monitors compliance with these principles and policies and recommends to the Board appropriate changes; and

oversees the evaluation of the Board and management.

Specific duties of the Nominating and Governance Committee include, among others: annually assessing the size and composition of the Board; periodically reviewing director qualification criteria; annually reviewing and, as appropriate, recommending directors for continued service; overseeing the Board's committee structure; recommending Board committee assignments; monitoring compliance with Board and Board committee membership criteria; developing procedures for selecting the Chair of the Board; determining the method of communication between employees, shareholders and other interested parties and non-management directors; and annually evaluating the Committee's performance and its charter. The Committee has the authority to obtain assistance from outside advisors in fulfilling its duties and to compensate these advisors. A member of the Nominating and Governance Committee receives communications directed to non-management directors.

The Committee's charter is available under Corporate Governance in the Investor Centre section of Teekay's website at www.teekay.com.

Consideration of Director Nominees

Shareholder Nominees

The policy of the Nominating and Governance Committee is to consider properly submitted shareholder nominations for Board of Directors candidates as described below under Identifying and Evaluating Nominees for Directors. In evaluating these nominations, the Committee considers the balance of knowledge, experience and capability on the Board and the membership guidelines set forth below under Director Qualifications. Any shareholder nominations proposed for consideration by the Committee should include the nominee's name and qualifications for Board membership and should be mailed, addressed to:

**Corporate Secretary
Teekay Shipping Corporation
Suite 2000, Bentall 5
550 Burrard Street
Vancouver, BC V6C 2K2**

In addition, Teekay's bylaws permit shareholders to nominate directors for consideration at an annual shareholder meeting. For a description of the process for nominating directors in accordance with Teekay's bylaws, see *Questions and Answers about the Proxy Materials and the Annual Meeting - What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?* on page 5.

Director Qualifications

Teekay's Corporate Governance Guidelines include Board membership guidelines that the Nominating and Governance Committee should consider in reviewing and in recommending to the Board director nominees. Under these guidelines, members of the Board should have high standards of personal and professional ethics, integrity and values. Among other things the Nominating and Governance Committee should consider are the nominee's training, experience and ability in making and overseeing policy in business, government or education sectors; willingness and availability to carry out his or her duties effectively; and commitment to act in the best interests of Teekay and its stakeholders and to assess objectively Board, committee and management performance. In evaluating director nominees, the Nominating and Governance Committee also assesses an individual's qualifications, skills, experience, background and knowledge in light of the overall composition of the existing Board. Teekay's Corporate Governance Guidelines, which include a more detailed discussion of desired director qualifications, are available under Corporate Governance in the Investor Centre section of its website at www.teekay.com.

Identifying and Evaluating Nominees for Directors

The Nominating and Governance Committee uses a variety of methods for identifying and evaluating director nominees for recommendation to the Board for approval. The Nominating and Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated or otherwise arise, the Nominating and Governance Committee considers potential director candidates. Candidates may come to the attention of the Nominating and Governance Committee through current Board members, professional search firms, shareholders or others. These candidates are evaluated at regular or special meetings of the Nominating and Governance Committee, and may be considered at any time during the year. As described above, the Nominating and Governance Committee considers properly submitted shareholder nominations for candidates for the Board. Following verification of the shareholder status of persons proposing candidates, any recommendations are aggregated and considered by the Nominating and Governance Committee at a regularly scheduled meeting. If any materials are provided by a shareholder in connection with the nomination of a director candidate, these materials are forwarded to the Nominating and Governance Committee. The Nominating and Governance Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder. In evaluating these nominations, the Nominating and Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Executive Sessions

Teekay's non-management directors hold at least four executive sessions each year at which the non-management directors meet without management directors or other executives present. The sessions are scheduled and chaired by the Chair of the Board. Any non-management director can request that additional executive sessions be scheduled.

PROPOSAL NO. 1

Teekay's Board of Directors currently consists of nine directors divided into three classes: Class I, Class II and Class III. The number of directors in each class is required to be as nearly equal as possible. At the 2005 annual meeting, three Class III directors will be elected to serve for three-year terms until the 2008 annual meeting and until their successors are elected. The remaining six directors are divided into two classes of three Class I directors and three Class II directors, whose terms expire in 2006 and 2007, respectively. Votes may not be cast for a greater number of director nominees than three.

Information regarding the business experience of each nominee is provided below. There are no family relationships among Teekay's executive officers and directors.

If you sign your proxy or voting instruction card but do not give instructions for the voting of directors, your shares will be voted FOR the three persons recommended by the Board. The three persons receiving the highest number of FOR votes represented by shares of Teekay common stock, present in person or represented by proxy and entitled to be voted at the annual meeting, will be elected.

The Board expects that all of the nominees will be available to serve as directors. If for any unforeseen reason any of the Board's nominees is not available as a candidate for director, the proxyholders, Bjorn Moller, Peter Evensen and Arthur J. OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

Teekay's executive compensation program is administered by the Compensation and Human Resources Committee of the Board of Directors (or *Committee*). The Committee is composed entirely of non-employee directors who are independent, as determined by the Board, within the meaning of applicable NYSE standards.

The Committee is responsible for:

determining and approving compensation for Teekay's Chief Executive Officer, directors and other executive officers;

making recommendations to the Board regarding incentive compensation and equity-based plans; and

providing general oversight of other Teekay compensation plans, policies and programs.

The specific duties and responsibilities of the Committee are described above under "Corporate Governance Principles and Board Matters" Board Structure and Committee Composition Compensation and Human Resources Committee and in the Committee's charter, which is available under "Corporate Governance" in the Investor Centre section of Teekay's website at www.teekay.com.

The Committee met four times during fiscal 2004. The Committee has direct access to independent compensation consultants and other experts for information as it deems appropriate, and used independent consultants from time to time during the year.

The Committee has furnished the following report on executive compensation for fiscal 2004.

Executive Compensation Philosophy

Employees are the key to our success. The goals of Teekay's compensation programs are to:
attract, retain and motivate a high-caliber executive leadership team;

pay competitively and consistently within an appropriately defined market;

align executive compensation with shareholder interests; and

link pay to Teekay and individual performance.

Executive Compensation Practices

Each year, we survey the executive compensation practices of our industry peer groups. Our practice is to target our program for executive compensation at approximately the median percentile of equivalent programs of our industry peer groups.

Components of Executive Compensation

Base Pay

Base pay is baseline cash compensation and is determined by the competitive market and individual performance. In general, base pay for each executive officer is established annually based on (1) a compensation range which corresponds to the executive's job responsibilities and (2) the executive officer's overall individual job performance.

Annual Bonus

Our annual bonus programs focus on matching reward with the individual's performance and Teekay's financial performance in the fiscal year through comparison to established targets and the financial performance of peer companies.

Long-term Incentive Programs

Teekay's long-term incentive programs are designed to focus management on the creation of long-term, sustained performance that achieves growth, improved returns on investment and effective capital management, resulting in the creation of long-term value for our shareholders. They are also designed to encourage employee retention and equity ownership. The programs utilize stock option grants, stock appreciation rights and restricted stock awards, which can be denominated in units.

For fiscal 2004, our executive officers received stock option grants under Teekay's 2003 Equity Incentive Plan. Each stock option grant allows the executive officer to acquire shares of Teekay's common stock, subject to the completion of a three-year vesting period and continued employment with Teekay. These shares may be acquired at a fixed price per share (i.e., the fair market value on the grant date) and have a ten-year term. From time to time, we also grant shares of restricted stock or restricted stock units to reward exceptional performance and encourage retention.

In 2005, Teekay adopted the Vision Incentive Plan to reward exceptional corporate performance and shareholder returns and to reward a shift away from cycle-dependent results. This plan will result in an award pool for participants based on two measures: (a) economic profit from 2005 to 2010; and (b) increases to shareholder value from 2001 to 2010. The Vision Incentive Plan terminates on December 31, 2010. From 2005 to 2010, annual economic profit contributions will be made to the award pool based upon the degree to which Teekay's annual return on invested capital exceeds its weighted average cost of capital. Each contribution may be positive or negative. At the end of 2010, a shareholder value contribution will be made to the Vision Incentive Plan award pool if two threshold requirements are met: (a) shares of Teekay's common stock must have a market value at that time equal to at least 120% of their book value; and (b) Teekay's cumulative total shareholder return for the period from 2001 to 2010 must be above the 25th percentile relative to the total shareholder return of the S&P 500 (as calculated in accordance with U.S. securities regulations) during the same period. If both of the threshold requirements are met, then a shareholder value contribution will be made to the award pool. The amount of this shareholder value contribution will range from a low of 1.5% of Teekay's cumulative total shareholder return for performance between the 25th and 50th percentiles, to a maximum of 6% of Teekay's cumulative total shareholder return for performance above the 90th percentile, depending on the cumulative total shareholder return of Teekay's shares for the period from 2001 to 2010 relative to the S&P 500 (as calculated in accordance with U.S. securities regulations) during the same period. Individual awards relating to increases in shareholder value are capped at ten times the individual's annual base salary and target annual incentive award.

In 2008, if the Vision Incentive Plan's award pool has a cumulative positive balance based on economic profit contributions for the preceding three years, then an interim distribution may be made to participants in an amount not greater than half of the award pool. In 2011, the balance of the Vision Incentive Plan award pool will be distributed to the participants. Fifty percent of any distribution from the award pool, in 2008 and in 2011, must be paid in a form that is equity-based, with vesting on half of this percentage deferred for one year and vesting on the remaining half of this percentage deferred for two years.

Executive Share Ownership Guidelines

In 2005, we implemented share ownership guidelines for the executives of Teekay. The guidelines are for common share holdings with an aggregate value of three times base salary for the CEO, two times base salary for Presidents and Executive Vice Presidents, and one times base salary for Senior Vice Presidents. The guidelines should be achieved by March 2010 or, for executives subsequently joining Teekay or achieving a position covered by the guidelines, within five years after the guidelines become applicable to them.

The undersigned members of the Compensation and Human Resources Committee have submitted this Report to the Board of Directors.
