Item 8.01 Other Events.

On December 17, 2004, Vornado Operating Company (the "Company") announced that its stockholders approved its dissolution at a special meeting of stockholders held today. The dissolution will not occur prior to a hearing relating to settlement of a previously announced stockholder lawsuit scheduled to occur on December 28, 2004. If the settlement is approved at the hearing, the Company plans to dissolve and pay a liquidating cash distribution of approximately \$2.85 per share to be paid to stockholders upon surrender of their certificates. The actual amount may be higher or lower depending on whether costs of litigation and other remaining liabilities turn out to be higher or lower than the estimated amounts. Although stockholders will not receive cash until they

surrender their stock certificates in 2005, the Company believes the distributions will be treated as a taxable event in 2004. Upon dissolution, the Company expects to close its stock transfer books.

A copy of the press release issued by the Company on December 17, 2004 regarding the above-referenced approval by stockholders is being filed as exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
