EXPLANATORY NOTE

On November 21, 2005 (the "Effective Date"), the Fourth Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code, as modified (the "Plan") of Loral Space & Communications Ltd., a Bermuda company ("Old Loral"),

Edgar Filing: LORAL SPACE & COMMUNICATIONS INC. - Form 8-K

and certain of its subsidiaries (the "Debtor Subsidiaries" and, collectively with Old Loral, the "Debtors") became effective under chapter 11 ("Chapter 11") of the United States Bankruptcy Code (the "Bankruptcy Code"). Pursuant to the Plan, on the Effective Date, among other things, (1) Old Loral transferred its assets and liabilities not discharged in the Chapter 11 cases to Loral Space & Communications Inc., a Delaware corporation and successor registrant to Old Loral under the Securities Exchange Act of 1934, as amended ("New Loral"), and its subsidiaries, and (2) the Debtors underwent certain restructuring transactions contemplated by the Plan and thereupon emerged from Chapter 11 of the Bankruptcy Code. The dissolution of Old Loral and Loral Licensing Ltd., a Bermuda company, under Bermuda law will be effected pursuant to winding up orders issued by the Supreme Court of Bermuda as soon as practicable after the Effective Date.

Information regarding the Plan is contained in the Form 8-K filed by Old Loral on August 5, 2005, which is incorporated herein by reference. A copy of the press release issued on November 22, 2005 announcing the Effective Date and implementation of the Plan is attached hereto as Exhibit 99.1 and incorporated herein by reference.

As of the Effective Date, New Loral owns, through an intermediate holding company, all of the issued and outstanding common stock of two principal operating subsidiaries: Loral Skynet Corporation, a Delaware corporation ("Loral Skynet") (formerly known as Loral Orion, Inc. ("Orion")) and Space Systems/Loral, Inc., a Delaware corporation (an Old Loral subsidiary which shall continue in existence ("SS/L")). Loral Skynet will be the satellite services arm of New Loral and will continue to provide satellite services and, through Loral Skynet Network Services, Inc., its indirect wholly-owned subsidiary, network and professional services and support. SS/L will be the satellite manufacturing arm of New Loral and will continue to design and manufacture satellites.

SS/L is an operating company that continues to own substantially all of the assets it owned prior to and during the Chapter 11 cases. Certain of its assets have been transferred to Loral Skynet, including those described below. Loral Skynet directly or indirectly owns the satellite services assets and businesses of Old Loral and its subsidiaries, including: (1) Loral Skynet Network Services, Inc., a Delaware corporation; (2) all of the equity interests in XTAR, L.L.C. formerly owned by a subsidiary of Old Loral and SS/L; (3) all licenses or rights to orbital slots formerly owned by Old Loral; (4) all of the Telstar 18 satellite transponders that were not formerly owned by Orion; (5) the Telstar 14/Estrela do Sul satellite ("EdS"); (6) Loral Skynet do Brasil Ltda. (including all of its assets and the orbital slot license for EdS); (7) the capital leases in respect of the three transponders on the Satmex 5 satellite owned by Satelites Mexicanos, S.A. de C.V. ("Satmex"); (8) the joint venture rights and interests in Mabuhay Space Holdings Limited; (9) all interests in Globalstar, L.L.C.; (10) trademark rights relating to the satellite services business; (11) all equity in Satmex; and (12) other assets used to operate the satellites.

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

SKYNET NOTES

On the Effective Date, Loral Skynet issued pursuant to the Plan \$126,000,000 aggregate principal amount of its 14% Senior Secured Cash/PIK Notes due 2015 (the "Skynet Notes"), which notes have been or will be distributed to certain creditors of the Debtors that participated in the rights offering effected in accordance with the Plan. In connection with the issuance of the Skynet Notes, Loral Skynet entered into the following agreements: (1) an Indenture (the "Indenture") governing the Notes, dated as of November 21, 2005, by and among Loral Skynet, The Bank of New York, as trustee (the "Trustee"), and the Subsidiary Guarantors (as defined therein), and attached hereto as Exhibit

Edgar Filing: LORAL SPACE & COMMUNICATIONS INC. - Form 8-K

4.1 and incorporated herein by reference; (2) a Security Agreement (the "U.S. Security Agreement"), dated as of November 21, 2005, by and among Loral Skynet, each Subsidiary Guarantor and each Additional Grantor, as defined therein,

2

and The Bank of New York, as collateral agent and trustee, and attached hereto as Exhibit 4.2 and incorporated herein by reference; and (3) a Share Mortgage Agreement (the "Hong Kong Security Agreement" and, together with the U.S. Security Agreement, the "Security Agreements"), dated as of November 21, 2005, by and among Loral Skynet and the Bank of New York, as collateral agent and trustee, and attached hereto as Exhibit 4.3 and incorporated herein by reference.

Material terms and conditions of the Skynet Notes and the Indenture are described in Item 2.03 of this Form 8-K and incorporated herein by reference.

REGISTRATION RIGHTS AGREEMENT

On the Effective Date, in connection with and as contemplated by the Plan, New Loral, Loral Skynet and seven affiliated funds of MHR Fund Management LLC entered into a Registration Rights Agreement (the "Registration Rights Agreement"), dated as of November 21, 2005, attached hereto as Exhibit 4.4 and incorporated herein by reference. Pursuant to the Plan, each holder ("Holder") of an Allowed Claim, as that term is used in the Plan, that receives a distribution pursuant to the Plan of ten percent (10%) or greater of any of (i) New Loral Common Stock, (ii) Loral Skynet Series A 12% Preferred Stock or (iii) Skynet Notes (collectively, the "Registrable Securities") will receive certain registration rights under the Registration Rights Agreement (each such Holder and any future holder of Registrable Securities who becomes a party to the Registration Rights Agreement, a "Registration Rights Holder"). The Plan also allows for certain additional Holders meeting specified criteria at the discretion of the Debtors and the committee of unsecured creditors (the "Creditors' Committee") to become a Registration Rights Holder. Pursuant to the Registration Rights Agreement, in addition to certain piggy-back registration rights granted to the Registration Rights Holders, certain Registration Rights Holders can also demand under certain circumstances that the Registrable Securities be registered under the Securities Act of 1933, as amended (the "Securities Act"), in each case subject to the terms and conditions of the Registration Rights Agreement.

The Registration Rights Holders (or any group of affiliated Registration Rights Holders) who hold a minimum of 25% of such class of Registrable Securities as of the Effective Date (each, a "Major Holder") may demand the following number of registrations under the Securities Act: (i) three registration statements with respect to New Loral Common Stock, (ii) three registration statements with respect to Loral Skynet Series A 12% Preferred Stock and (iii) three registration statements with respect to Skynet Notes, plus an aggregate of two additional registration statements with respect to any class of Registrable Securities. In no event will a Registration Rights Holder have the right to demand more than two registration statements be filed in any twelve-month period with respect to each class of Registrable Securities. Subject to certain exceptions, within thirty days following the issuance by New Loral's independent public accountants of their audit report covering New Loral's post-emergence "fresh-start" financial statements, New Loral is required to file a shelf registration statement with the Securities and Exchange Commission covering the New Loral Common Stock subject to the Registration Rights Agreement. Subject to certain exceptions, following the demand by any Major Holder, Loral Skynet is required to file a shelf registration statement with the Securities and Exchange Commission covering the Loral Skynet Series A 12% Preferred Stock or Skynet Notes subject to the Registration Rights

Edgar Filing: LORAL SPACE & COMMUNICATIONS INC. - Form 8-K

Agreement; provided that Loral Skynet shall in no event be required to effect more than one shelf registration statement with respect to the Loral Skynet Series A 12% Preferred Stock and more than one shelf registration statement with respect to the Skynet Notes. All rights granted under the Registration Rights Agreement shall terminate with respect to any Registration Rights Holder at such time as such Registration Rights Holder ceases to own any Registrable Securities and the entire Registration Rights Agreement shall terminate when all Registration Rights Holders cease to own any Registrable Securities.

SS/L LETTER OF CREDIT FACILITY

As of the Effective Date, SS/L entered into the following agreements: (i) an Amended and Restated Letter of Credit Reimbursement Agreement (the "Letter of Credit Agreement"), dated as of November 21, 2005, by and between SS/L and JPMorgan Chase Bank, and attached hereto as Exhibit

3

10.10 and incorporated herein by reference and (ii) an Amended and Restated Cash Collateral Agreement (the "Cash Collateral Agreement"), dated as of November 21, 2005, by and between SS/L and JPMorgan Chase Bank and attached hereto as Exhibit 10.11 and incorporated herein by reference.

Material terms and conditions of the Letter of Credit Agreement and the Cash Collateral Agreement are described in Item 2.03 of this Form 8-K and incorporated herein by reference.

EMPLOYMENT AGREEMENTS

As of the Effective Date, (i) New Loral entered into employment agreements with Bernard L. Schwartz and the following executive officers (the "Loral Executives"): Avi Katz, Richard J. Townsend and Eric J. Zahler; and (ii) SS/L entered into an employment agreement with its President, C. Patrick DeWitt. In addition, New Loral on the Effective Date entered into similar employment agreements with nine other members of management of the Company, and SS/L entered into a similar employment agreement with one other member of its management. The employment agreement of Bernard Schwartz is attached hereto as Exhibit 10.1 and incorporated by reference herein. The employment agreements for the Loral Executives are substantially identical. A form of the employment agreement for the Loral Executives is attached hereto as Exhibit 10.2 and incorporated by reference herein. The employment agreement for Mr. DeWitt is attached hereto as Exhibit 10.3 and incorporated by reference herein.

Bernard L. Schwartz

Pursuant to Mr. Schwartz's employment agreement he serves as the Chief Executive Officer and Chairman of the Board of Directors. The term of Mr. Schwartz's employment agreement will expire on November 21, 2006.

Mr. Schwartz receives an annual base salary of \$1,887,875, which will be increased, effective April 22, 2006, by a percentage at least equal to the percentage change during 2005 in the Annual Average All Items Index of the U.S. City Average Consumer Price Index for All Urban Consumers, as published the U.S. Bureau of Labor Statistics. The employment agreement also provides that Mr. Schwartz is a participant in the Management Incentive Bonus Program of New Loral, with a target annual bonus of forty-two and one-half percent (42.5%) of his annual salary. Mr. Schwartz is entitled to participate in any benefit plans provided generally to similarly situated employees. In addition, New Loral is required to obtain life insurance coverage for Mr. Schwartz equal to the lesser of \$11,000,000 or the maximum amount of death benefit that can be obtained for an annual premium of \$300,000.

Edgar Filing: LORAL SPACE & COMMUNICATIONS INC. - Form 8-K

Mr. Schwartz is also entitled to a benefit under the Supplemental Executive Retirement Plan ("SERP"), as discussed below in "Amendment to Supplemental Executive Retirement Plan for Mr. Schwartz".

Upon Mr. Schwartz's death or permanent disability during the contract term, Mr. Schwartz is entitled to, among other payments, his accrued and unpaid bonus for the preceding year, a pro rated annual bonus for the year in which such death or permanent disability occurred, and in the case of his death, salary through the end of the month.

In the event, during the contract term, Mr. Schwartz's employment is terminated by New Loral without "cause" or Mr. Schwartz resigns for "good reason" (as such terms are defined in his employment agreement), Mr. Schwartz will be entitled to a severance payment, in a lump sum, of \$2,000,000, plus the remaining base salary he would have earned had he remained employed through the end of the contract term. In addition, Mr. Schwartz will be entitled to any accrued and unpaid annual bonus for the preceding year and a prorated annual bonus for the year in which any such termination of employment occurs. Mr. Schwartz will also be entitled to coverage under New Loral's medical, dental and life insurance in effect immediately prior to such termination until the first anniversary of such termination or, if earlier, the date he

4

commences new employment and is eligible for comparable benefits. Mr. Schwartz's severance payments and benefits are contingent upon the execution of a release.

During the term of Mr. Schwartz's employment with New Loral and for a twelve-month period following a termination of employment during the term of the agreement, Mr. Schwartz is restricted from (i) engaging in competitive activities, (ii) directly or indirectly soliciting current and certain former employees of New Loral or any of its affiliates and (iii) knowingly soliciting, directly or indirectly, any customers or suppliers within the twelve-month period prior to such termination of employment to terminate or diminish their relationship with New Loral or any of its affiliates. In addition, Mr. Schwartz may not disclose confidential information of New Loral.

SS/L and Loral Skynet have agreed to guarantee the payment and performance of New Loral's obligations under the employment contract with Mr. Schwartz.

Other Executive Officers

Each of the employment agreements with the Loral Executives and the employment agreement with Mr. C. Patrick DeWitt (Mr. DeWitt, together with the Loral Executives, the "Executives" and each an "Executive") are substantially identical.

Each of the employment agreements with the Executives is for an initial term of two years and sets forth the Executive's position and duties, annual salary, target annual bonus opportunity, and entitlement to an initial stock option grant (as summarized in the table below). In addition, each Executive is entitled to participate in employee benefits generally provided to similarly situated employees.

| Executive | Position | Annual Salary | Bonus (% of Salary) |
|-----------|----------|---------------|------------------------|
|-----------|----------|---------------|------------------------|

Edgar Filing: LORAL SPACE & COMMUNICATIONS INC. - Form 8-K

| | | | |
|---------------------|--|-------------|------|
| Eric J. Zahler | President and Chief Operating Officer | \$1,248,000 | 40.0 |
| Richard J. Townsend | Executive Vice President and Chief Financial Officer | \$881,920 | 41.0 |
| Avi Katz | Vice President, General Counsel and Secretary | \$438,048 | 40.0 |
| C. Patrick DeWitt | Vice President, and President of SS/L | \$485,000 | 50.0 |

Upon any Executive's death or permanent disability during the contract term, such Executive is entitled to, among other payments, such Executive's accrued and unpaid bonus for the preceding year, a pro rated annual bonus for the year, and any unvested stock options that would have vested on the next vesting date shall vest, and in the case of such Executive's death, salary through the end of the month.

In the event, during the contract term, an Executive's employment is terminated by New Loral without "cause" or the Executive resigns for "good reason" (as such terms are defined in the employment contract), the Executive will be entitled to a severance payment, in a lump sum, of the greater of (i) a specified percentage of the Executive's 2003 salary, plus one week's pay for each year of service with New Loral and Old Loral ("Base Severance Amount"), or (ii) the salary the Executive would have earned from the date the Executive terminates employment through November 21, 2007. The Base Severance Amount for each of the Executives as of November 21, 2005, is as follows: Mr. Zahler (\$1,750,000), Mr. Townsend (\$1,400,000), Mr. Katz (\$708,750) and Mr. DeWitt (\$425,040). Each Executive will also be entitled to any accrued and unpaid annual bonus for the preceding year and a prorated annual bonus for the year in which any such termination of employment occurs, and to be fully vested in all outstanding stock options and deferred compensation relating thereto. In addition, the Executive will be entitled to

5

coverage under New Loral's medical, dental and life insurance plans in effect immediately prior to such termination until the earlier of (i) the expiration of a period determined by dividing the Executive's lump sum severance payment by the Executive's monthly salary rate and (ii) the date the Executive commences new employment and is eligible for comparable benefits. Severance payments and benefits are contingent upon the execution of a release.

During the term of an Executive's employment agreement and for a twelve-month period following a termination of employment during the term of the agreement, each Executive is restricted from (i) engaging in competitive activities, (ii) directly or indirectly soliciting current and certain former employees of New Loral or any of its affiliates and (iii) knowingly soliciting, directly or indirectly, any customers or suppliers within the twelve-month period prior to such termination of employment to terminate or diminish their relationship with New Loral or any of its affiliates. In addition, the Executives may not disclose confidential information of New Loral.

Loral Skynet and SS/L guarantee the payment and performance obligations of New Loral under the employment agreements for the Loral Executives.

INDEMNIFICATION AGREEMENTS

As of the Effective Date, New Loral entered into Officers' and

Edgar Filing: LORAL SPACE & COMMUNICATIONS INC. - Form 8-K

Directors' Indemnification Agreements (each, an "Indemnification Agreement") with the officers of New Loral who entered into employment agreements with New Loral and each director of New Loral (each, an "Indemnatee"), a form of which is attached hereto as Exhibit 10.4 and incorporated by reference herein. The Indemnification Agreement requires New Loral to indemnify the Indemnatee if the Indemnatee is a party to or threatened to be made a party to or is otherwise involved in any Proceeding (as that term is used in the Indemnification Agreement), except with regard to any Proceeding by or in the right of New Loral to procure a judgment in its favor, against all Expenses and Losses (as those terms are used in the Indemnification Agreement), including judgments, fines, penalties and amounts paid in settlement, subject to certain conditions, actually and reasonably incurred in connection with such Proceeding, if the Indemnatee acted in good faith for a purpose which he or she reasonably believed to be in or not opposed to the best interests of New Loral. With regard to Proceedings by or in the right of New Loral, the Indemnification Agreement provides similar terms of indemnification; however no indemnification will be made with respect to any claim, issue or matter as to which the Indemnatee shall have been adjudged to be liable to New Loral, unless a court determines that the Indemnatee is entitled to indemnification for such portion of the Expenses as the court deems proper, all as detailed further in the Indemnification Agreement. The Indemnification Agreement also requires New Loral to indemnify an Indemnatee where the Indemnatee is successful, on the merits or otherwise, in the defense of any claim, issue or matter therein, as well as in other circumstances delineated in the Indemnification Agreement. The indemnification provided for by the Indemnification Agreement is subject to certain exclusions detailed therein. SS/L and Loral Skynet both guarantee the due and punctual payment of all of New Loral's obligations under the Indemnification Agreement. This brief description of the Indemnification Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of the form of Indemnification Agreement.

As of the Effective Date, SS/L entered into an Officers' and Directors' Indemnification Agreement with Mr. DeWitt, its President, attached hereto as Exhibit 10.5 and incorporated by reference herein. The Indemnification Agreement for Mr. DeWitt is substantially identical to the Indemnification Agreement entered into with the Loral officers and directors.

AMENDMENT TO SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN FOR MR. SCHWARTZ

Bernard Schwartz is a participant in the Space Systems/Loral, Inc. Supplemental Executive Retirement Plan (the "SERP") and prior to March 1, 2004 (the "Suspension Date") he was receiving monthly annuity benefits thereunder. Effective as of the Suspension Date benefits payable to Mr.

6

Schwartz under the SERP were suspended. In connection with the Plan, Mr. Schwartz and New Loral have agreed to amend the SERP to provide for a reduction of Mr. Schwartz's benefit under the SERP to \$250,000 annually (the "Reduced Rate"). This amendment will be effective as of the Suspension Date. Pursuant to this amendment, the monthly annuity benefit payable to Mr. Schwartz under the SERP shall resume at the Reduced Rate commencing on the first normal monthly benefit payment date under the SERP following the Effective Date (the "Resumption Date"). The first such monthly payment will include a lump sum payment equal to the benefit amounts owed to Mr. Schwartz under the SERP at the Reduced Rate from the Suspension Date through the Resumption Date. In addition, to the extent that at the time of his death Mr. Schwartz has received \$1.5 million or more in benefits under the SERP after the Suspension Date (the "Minimum Amount"), neither his estate nor his beneficiaries will be entitled to any post-retirement death benefits or any other benefits under the SERP following Mr. Schwartz's death. To the extent that Mr. Schwartz has received

Edgar Filing: LORAL SPACE & COMMUNICATIONS INC. - Form 8-K

less than the Minimum Amount from the Suspension Date through the date of his death, following his death his beneficiaries shall be entitled to the post-retirement death benefits provided for under the SERP in an aggregate amount not to exceed the excess of the Minimum Amount over the amount actually received by Mr. Schwartz from the Suspension Date through the date of his death. This amendment relates solely to the participation of and benefits payable to Mr. Schwartz under the SERP and has no effect on the participation of or benefits payable to any other participant under the SERP.

A copy of the amendment to the SERP is attached as Exhibit 10.6 and is incorporated herein by reference.

STOCK INCENTIVE PLAN

On the Effective Date, the Loral Space & Communications Inc. 2005 Stock Incentive Plan (the "Stock Incentive Plan") became effective pursuant to the Plan. The purpose of the Stock Incentive Plan is to attract, retain, motivate and reward employees, directors and other service providers who are providing substantial services to New Loral and to promote the creation of long-term value for stockholders of New Loral.

The Stock Incentive Plan allows for the grant of several forms of stock-based compensation awards including stock options, stock appreciation rights, restricted stock, restricted stock units, stock bonuses and other stock-based awards (collectively, the "Awards"). The total number of shares of New Loral Common Stock reserved and available for delivery in connection with Awards under the Stock Incentive Plan is 1,390,452 shares; provided, however, that the number of shares available is subject to adjustment for recapitalization, merger, and other similar events. In addition, shares of New Loral Common Stock that expire, are forfeited or canceled, or withheld in payment of the exercise price or taxes relating to an Award, will again be available for Awards under the Stock Incentive Plan.

The Compensation Committee of New Loral (the "Compensation Committee"), will administer the Stock Incentive Plan. The Compensation Committee may select persons to receive Awards, determine the type and size of such Awards and determine the number of shares covered by the Awards; provided, however, that in no event may options or stock appreciation rights be granted to any one individual in any calendar year in excess of 500,000 shares. The Compensation Committee also has the authority to interpret and construe the Stock Incentive Plan and any Award agreements and will make all other decisions necessary or advisable for the administration of the Stock Incentive Plan

The Stock Incentive Plan provides for an automatic initial grant of options (the "Automatic Option Grant") to purchase 1,390,452 shares of New Loral Common Stock to certain designated individuals on the date that is thirty (30) days following the Effective Date (the "Grant Date"). Twenty-five percent (25%) of the Automatic Option Grant will vest on each of the first four anniversaries of the Effective Date, subject to earlier vesting upon certain corporate transactions, as discussed below, or upon a termination of employment without Cause or for Good Reason, each, as defined in the Award holder's employment agreement, if such Award holder is party to an employment agreement, and if not as defined in the Stock Incentive Plan. The Automatic Option Grant will have an exercise price per share equal to

the greater of \$19 or the fair market value of a share of New Loral Common Stock on the Grant Date and will expire seven years following the Grant Date, subject to earlier expiration, in accordance with the Stock Incentive Plan, following the Award holder's termination of employment.

Edgar Filing: LORAL SPACE & COMMUNICATIONS INC. - Form 8-K

If New Loral undergoes a Change of Control (as defined in the Stock Incentive Plan), all outstanding Awards will become immediately vested and exercisable, any restrictions on such Awards will lapse and all such Awards will become immediately payable or subject to settlement. In the event of a Change in Control, the Compensation Committee may cancel any or all outstanding Awards in exchange for a cash payment to each Award holder having a value equal to the value of each such Award at the time of such Change in Control (or without any payment in the event that an outstanding Award has no value at the time of such Change in Control).

Following a sale of all or substantially all of the common stock or assets of Loral Skynet (a "Skynet Sale Event") or SS/L (a "SS/L Sale Event"), all outstanding Awards held by employees or service providers of Loral Skynet or SS/L, as applicable, will become immediately vested and exercisable, any restrictions on such Awards will lapse and all such Awards will become immediately payable or subject to settlement. In addition, options held by employees or service providers of Loral Skynet or SS/L, as applicable, will remain exercisable following the sale for the shorter of (i) one year following the sale or (ii) the remaining term of the stock option as set forth in the applicable Award Agreement. For employees of New Loral assigned to New Loral's corporate headquarters, if the Skynet Sale Event or SS/L Sale Event occurs on or prior to the first anniversary of the Effective Date, fifty percent (50%) of all outstanding unvested Awards held by such employees will become immediately vested and exercisable, any restrictions on such Awards will lapse and all such Awards will become immediately payable or subject to settlement. If such sale occurs after the first anniversary but on or prior to the second anniversary of the Effective Date, one-third (1/3) of all outstanding unvested Awards held by employees of New Loral assigned to New Loral's corporate headquarters will become immediately vested and exercisable, any restrictions on such Awards will lapse and all such Awards will become immediately payable or subject to settlement.

The New Loral Board of Directors may amend the Stock Incentive Plan at any time, provided, that any such amendment may not increase the maximum number of shares of New Loral Common Stock which may be issued (other than as a result of an adjustment for recapitalization, merger, and other similar events) without shareholder approval. Additionally, amendments may not impair the rights of any Award holder without such Award holder's written consent. The Stock Incentive Plan will terminate on the day before the tenth anniversary of the date the plan was adopted by the Board of Directors; however, the Stock Incentive Plan will continue to be administered with respect to outstanding Awards until all such Awards have been fully exercised, paid or otherwise expire by their terms.

If the fair market value of a share of New Loral Common Stock on the Grant Date is greater than \$19, an individual selected to receive an Automatic Option Grant will receive an additional deferred compensation award in an amount equal to (i) the difference between the fair market value of a share of New Loral Common Stock on the Grant Date and \$19, multiplied by (ii) the number of shares of New Loral Common Stock underlying such individual's Automatic Option Grant. The deferred compensation award will be credited to a deferred compensation bookkeeping account by the Company on behalf of the Award holder. The deferred compensation award will become vested in the same manner as the Automatic Option Grant, including vesting on certain terminations of employment and corporate transactions (as discussed above). The vested portion of the deferred compensation award will not be payable and distributed to the Award holder until the earlier of (i) the Award holder's termination of employment, (ii) a Change of Control of New Loral (as defined in the Stock Incentive Plan), (iii) a Skynet Sale Event or SS/L Sale Event, but only with respect to employees or service providers of Loral Skynet or SS/L, as applicable or (iv) seven years from the Grant Date; provided, however, that in the event that the Award holder is determined to be a "specified person" (as defined in Section 409A of the

Edgar Filing: LORAL SPACE & COMMUNICATIONS INC. - Form 8-K

Internal Revenue Code) such distribution may be delayed in accordance with Section 409A. The value of the deferred compensation account will not be credited with interest or be subject to any rate of return until the exercise of all or a portion of the Automatic Option Grant. At such time, the corresponding portion of

8

the deferred compensation account will automatically be converted into an interest-bearing account from the date of exercise of such Automatic Option Grant through the date of distribution of the deferred compensation award. Further, while all or a portion of the Automatic Option Grant remains unexercised and outstanding, the corresponding portion of the deferred compensation account will be linked to the value of New Loral Stock and be subject to limited decreases and increases in value as provided in the Award holder's option agreement. The Company and the Award holder agree to enter into good faith negotiations to restructure the deferred compensation award if the Award holder believes that the deferred compensation award fails to comply with Section 409A.

Copies of the Stock Incentive Plan, a form of Option Agreement for senior management and a form of Option Agreement for non-senior management are attached hereto as Exhibits 10.7, 10.8 and 10.9, respectively, and are incorporated herein by reference.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

SKYNET NOTES

The information set forth under Item 1.01 of this 8-K is incorporated herein by reference. On the Effective Date, Loral Skynet issued the Skynet Notes in a transaction exempt from the registration requirements of the Securities Act pursuant to Section 1145 of the Bankruptcy Code or other exemptions from such registration requirements. The aggregate principal amount of the Skynet Notes issued on the Effective Date totaled \$126,000,000. The Skynet Notes are governed by the Indenture between Loral Skynet and the Indenture Trustee. The Skynet Notes mature in 2015, subject, in certain instances, to earlier repayment in whole or in part. The Skynet Notes bear interest at a rate of 14% per annum payable in cash semi-annually, provided that, if the amount of any interest payment would exceed certain thresholds calculated as specified in the Indenture, or under other circumstances at the determination of the Board of Directors of the Company unless two-thirds of the holders of principal amount of the Notes duly object, interest will be paid in kind by the issuance of additional Skynet Notes. The Skynet Notes are guaranteed by certain subsidiaries of Loral Skynet. The obligations of Loral Skynet and the subsidiary guarantors are secured by a first priority lien on certain specified assets of Loral Skynet and the guarantors pursuant to the Security Agreement. The Indenture contains restrictive covenants that limit, subject to certain exceptions, Loral Skynet's and its subsidiaries' ability to take certain actions, including restricted payments, incurrence of debt, incurrence of liens, payment of certain dividends or distributions, issuance or sale of capital stock of subsidiaries, sale of assets, affiliate transactions and sale/leaseback and merger transactions. The Indenture contains events of default relating to (1) Loral Skynet's failure to make payments of principal of or interest on the Skynet Notes when due (subject to a 30-day grace period in the case of interest payments), (2) Loral Skynet's failure to purchase any Skynet Notes when required, (3) Loral Skynet's failure to comply with certain restrictions contained in the Indenture relating to certain merger and sale transactions, (4) Loral Skynet's or certain of its subsidiaries' failure to comply with the covenants or agreements of the Indenture or the Security Agreement (subject in most instances to a 30-day grace
