On July 14, 2009, the Company entered into a Merger Agreement (the Merger Agreement) by and among the Company, Sorrento Therapeutics, Inc., a Delaware corporation (Sorrento), Sorrento Merger Corp., Inc., a Delaware corporation and wholly-owned subsidiary of the Company (Merger Sub), Stephen Zaniboni, as Stockholders' Agent thereunder, and Glenn Halpryn, as Parent Representative thereunder. Upon the satisfaction or waiver of the conditions set forth in the Merger Agreement, the Company will acquire Sorrento via a merger whereby Merger Sub will be merged with and into Sorrento (the Merger) with Sorrento continuing as the surviving entity in the Merger and as a wholly-owned subsidiary of the Company. Following consummation of the Merger, the Company's primary business will be that of Sorrento's. At the closing of the Merger (the Merger Closing), all of the issued and outstanding shares of Sorrento common stock (the Sorrento Shares) will be converted into the right to receive shares of Common Stock. Immediately following the completion of the Merger, the current QuikByte shareholders will own approximately 4.92% of the Company, the New Investors (as defined below) will own approximately 19.83% of the Company, and the former holders of Sorrento Shares will own approximately 75.25% of the Company, in each case on a fully-diluted basis.

It is anticipated that the Merger Closing will occur prior to August 31, 2009, but no earlier than ten days after the later of the date of the filing of this Information Statement with the Securities and Exchange Commission (the SEC) or the date of mailing of this Information Statement to the Company's shareholders. Pursuant to the terms of the Merger Agreement, at the Merger Closing, (i) the existing directors of the Company will expand the size of the Board from five to seven directors, (ii) the existing directors, except Mr. Glenn Halpryn and Dr. Curtis Lockshin, and the officers, except Mr. Alan Jay Weisberg, of the Company will resign effective upon the Closing, (iii) the existing directors will appoint the directors detailed below to serve as the directors of the Company, and (iv) the existing directors will appoint the officers detailed below to serve as the officers of the Company. As a result of these transactions, control of the Company will pass to the former holders of Sorrento Shares (the Change of Control).

The closing of the Merger is subject to, among other conditions, the Company's receipt of an aggregate investment of \$2.0 million from certain investors (the New Investors) in exchange for shares of Common Stock. The Company anticipates that among the New Investors will be affiliates of Dr. Phillip Frost, Chairman and Chief Executive Officer of OPKO Health, Inc. (OPKO), which is an existing Sorrento stockholder, Mr. Glenn L. Halpryn, the Company's Chairman of the Board, President and Chief Executive Officer, Mr. Noah M. Silver, the Company's Vice President, Secretary, Treasurer and a director, Mr. Ronald Stein, a director of the Company, and Mr. Steven Jerry Glauser, a greater than 5% shareholder of the Company. Proceeds from these investments are expected to be used to fund the Company's general working capital and post-Merger research and development activities. The Merger Agreement also provides that certain existing shareholders of QuikByte, holders of at least 95% of the Sorrento Shares and the holders of at least 95% of the shares of Common Stock to be acquired by the New Investors will enter into a lock-up agreement in respect of each such person's shares of Common Stock, providing that such shares may not be sold, directly or indirectly, for a period of 18 months following consummation of the Merger, subject to certain exceptions.

As of August 13, 2009, the Company had 11,073,946 shares of Common Stock issued and outstanding and no shares of preferred stock, par value \$0.0001 per share, issued and outstanding. Each share of Common Stock is entitled to one vote. Shareholders of QuikByte will have the opportunity to vote with respect to the election of directors at the next annual meeting of QuikByte shareholders.

Keating (Keating) entered into a Stock Purchase Agreement, as amended (the KI/Keating Purchase Agreement), with Mr. Glenn L. Halpryn, as agent for certain investors in the Company (the Investors), pursuant to which KI Equity and Keating agreed to sell to the Investors, and the Investors agreed to purchase from KI Equity and Keating, an aggregate of 6,910,000 shares (on a post-reverse split basis) of our common stock (the KI/Keating Shares), for an aggregate purchase price of \$926,273.46, or approximately \$0.134 per share.

The closings of the transactions (the 2008 Transaction) contemplated by the KI/Keating Purchase Agreement and the Garisch Purchase Agreement (the Closings) occurred simultaneously on July 7, 2008. At the time of the Closings, the KI/Keating Shares represented approximately 87% of the issued and outstanding shares of our common stock, and the Garisch Shares represented approximately 6.9% of the issued and outstanding shares of our common stock.

To the Company's knowledge, as of the Record Date, the Investors, in the aggregate, beneficially own approximately 95.8% of the issued and outstanding shares of our common stock. Those Investors who beneficially own greater than 5% of the issued and outstanding shares of our common stock are disclosed below in the section entitled "Security Ownership of Certain Beneficial Owners and Management". To the Company's knowledge, the source of the purchase price for the KI/Keating Shares and the Garisch Shares was from the personal funds and the working capital of the Investors.

CORPORATE GOVERNANCE

Committees of the Board of Directors

The Board does not have any committees at this time.

The Board does not have a nominations committee because the Board does not believe that a defined policy with regard to the consideration of candidates recommended by shareholders is necessary at this time because it believes that, given the limited scope of the Company's operations, a specific nominating policy would be premature and of little assistance until the Company's business operations are at a more advanced level. There are no specific, minimum qualifications that the Board believes must be met by a candidate recommended by the Board. Currently, the entire Board decides on nominees, on the recommendation of any member of the Board, followed by the Board's review of the candidates' resumes and interviews of candidates. Based on the information gathered, the Board then makes a decision on whether to recommend the candidates as nominees for director. The Company does not pay any fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees.

The Board does not have any defined policy or procedural requirements for shareholders to submit recommendations or nominations for directors. The Company does not have any restrictions on shareholder nominations under its articles of incorporation or by-laws. The only restrictions are those applicable generally under Colorado law and the federal proxy rules. The Board will consider suggestions from individual shareholders, subject to an evaluation of the person's merits. Shareholders may communicate nominee suggestions directly to the Board, accompanied by biographical details and a statement of support for the nominees. The suggested nominee must also provide a statement of consent to being considered for nomination. There are no formal criteria for nominees.

Currently, the Board functions as an audit committee and performs some of the same functions as an audit committee, including the following: (1) selection and oversight of the Company's independent accountant; (2) establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal controls and auditing matters; and (3) engaging outside advisors. The Board has determined that each of Noah Silver and Alan Jay Weisberg is an audit committee financial expert within the meaning of the rules and regulations of the SEC. Neither Mr. Silver nor Weisberg are independent directors. The Company is not a listed company under SEC rules and therefore is not required to have an audit committee comprised of independent directors.

The Board does not have a compensation committee and is not required to have such a committee because the Company is not a listed company under SEC rules. The Company is currently a shell company with nominal assets, no employees and no active business operations. Its business plans are to seek a private operating company with which to merge or to complete a business combination transaction. As such, the Company has no formal compensation program for its executive officers, directors or employees and all directors participate in the consideration of executive officer and director compensation.

Anyone who has a concern about the Company's conduct, including accounting, internal accounting controls or audit matters, may communicate directly with the Board, its non-management directors or, to the extent formed by the Company, the Audit Committee. These communications may be confidential or anonymous, and may be mailed or reported by phone to the Company's Secretary at the Company's principal executive office. All of these concerns will be forwarded to the appropriate directors for their review, and will be simultaneously reviewed and addressed by the Company's Chief Financial Officer in the same way that the Company addresses other concerns.

Director Independence

The Board has determined that Dr. Curtis Lockshin and Mr. Ronald Stein are independent directors as defined under Rule 4200(a)(15) of the NASDAQ Marketplace Rules, as well as Rule 4350(d) of the NASDAQ Marketplace Rules, which governs the independence of audit committee members, although these independent director standards or any other standards do not directly apply to the Company because the Company does not currently have any securities that are listed on The NASDAQ Stock Market, a national securities exchange or an inter-dealer quotation system having requirements that a majority of our Board be independent. Our Board has determined that Messrs. Halpryn, Weisberg and Silver are not independent directors as defined under Rule 4200(a)(15) and Rule 4350(d) of the NASDAQ Marketplace Rules, and that neither of Mr. Kevin Keating, Mr. Jeff Andrews or Ms. Margie Blackwell was an independent director as defined under Rule 4200(a)(15) and Rule 4350(d) of the NASDAQ Marketplace Rules during their terms of service.

After the Merger, it is anticipated that the Board will determine that Drs. James Freedman, Curtis Lockshin and Ernst-Günter Afting are independent directors as defined under Rule 4200(a)(15) of the Nasdaq Marketplace Rules and that Drs. Schuh and Ji and Messrs. Halpryn and Zaniboni are not independent directors under such rule.

Meetings of the Board of Directors and Committees

During fiscal year 2008, the Board met on five occasions and each of the current directors attended at least 75% of the aggregate of the Board meetings. The Board may also act by unanimous written consent. Consistent with Colorado law and the Company's charter documents, actions taken by unanimous written consent are valid and effective as if such actions had been approved at a meeting of the Board duly called and held.

The Company does not have a policy regarding the attendance of its directors at the Company's annual meetings of shareholders. At least one member of the Board attended the Company's last annual meeting on February 20, 2007.

Legal Proceedings

To the Company's knowledge, there are no material proceedings to which any current officer or director of the Company, nor any proposed officer or director of the Company, or any associate of any such current or proposed director or officer, is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries.

Dr. James Freedman, a director nominee, currently serves as the Executive Vice President of R&D and Business Development of OPKO, which holds 34.8% of the Sorrento Shares. Based upon the Valuation, the approximate dollar value of OPKO's interest in the Merger based upon its holdings of Sorrento Shares is \$2.6 million.

The closing of the Merger is subject to, among other conditions, the Company's receipt of an aggregate investment of \$2.0 million from the New Investors in exchange for shares of Common Stock (the Investment). The Company anticipates that among the New Investors will be affiliates of Dr. Phillip Frost, Chairman and Chief Executive Officer of OPKO, which is an existing Sorrento stockholder, Mr. Glenn L. Halpryn, the Company's Chairman of the Board, President and Chief Executive Officer, Mr. Noah M. Silver, the Company's Vice President, Secretary, Treasurer and a director, Mr. Ronald Stein, a director of the Company, and Mr. Steven Jerry Glauser, a greater than 5% shareholder of the Company. Proceeds from these investments are expected to be used to fund the Company's general working capital and post-Merger research and development activities. The Company has neither negotiated definitive terms for the Investment nor entered into any definitive agreements in respect thereof, and the approximate dollar value of the amount of each related person's interest in the Investment is not yet known to the Company.

Review, Approval or Ratification of Transactions with Related Persons

The Company's Board conducts an appropriate review of and oversees all related party transactions on a continuing basis and reviews potential conflict of interest situations where appropriate. The Board has not adopted formal standards to apply when it reviews, approves or ratifies any related party transaction. However, traditionally, the Board has followed the following standards: (i) all related party transactions must be fair and reasonable to the Company and on terms comparable to those reasonably expected to be agreed to with independent third parties for the same goods and/or services at the time they are authorized by the Board and (ii) all related party transactions should be authorized, approved or ratified by the affirmative vote of a majority of the directors who have no interest, either directly or indirectly, in any such related party transaction.

All directors serve until the next annual meeting of shareholders or until their successors are elected and qualified.
