(b) Pro Forma Financial Information.

The sale of BBA has been reflected as a discontinued operation in the Company's unaudited condensed consolidated balance sheet as of July 3, 2009 and the unaudited condensed consolidated statement of operations for the nine months ended July 3, 2009 included in our quarterly report on Form 10-Q for the quarter ended July 3, 2009, which was filed with the Securities and Exchange Commission (SEC) on August 12, 2009. Accordingly, a pro forma condensed consolidated balance sheet as of July 3, 2009 and a pro forma condensed consolidated statement of operations for the nine-month period ended July 3, 2009 is not presented herein as no adjustments would be necessary to reflect the transaction, other than the elimination of those discontinued operations.

The following unaudited pro forma condensed consolidated statements of operations of the Company for the three fiscal years ended October 3, 2008, September 28, 2007 and September 29, 2006 and the accompanying notes have been prepared to illustrate the effect of the BBA Transaction.

The unaudited pro forma condensed consolidated statements of operations of the Company for the three fiscal years ended October 3, 2008, September 28, 2007 and September 29, 2006 have been presented as if the BBA Transaction had been completed as of October 1, 2005. The Historical column represents the consolidated financial statements of operations reported in the Company's Annual Report on Form 10-K for the fiscal year ended October 3, 2008, which was filed with the SEC on November 26, 2008.

In the opinion of management, the Company's accompanying unaudited pro forma condensed consolidated statements of operations include all material adjustments necessary to reflect, on a pro forma basis, the effect of the BBA Transaction. The adjustments are described in the notes to the unaudited pro forma condensed consolidated financial information and are set forth in the Pro Forma adjustments column. The unaudited pro forma condensed consolidated statements of operations should be read together with the consolidated financial statements filed by the Company in its Annual Report on Form 10-K for the three fiscal years ended October 3, 2008, September 28, 2007 and September 29, 2006.

The Company's unaudited pro forma condensed consolidated financial information has been presented for informational purposes only and should not be relied upon as indicative of the results of operations or financial position of the Company that (i) would have occurred had the Company completed the BBA Transaction as of and for the periods presented, or (ii) will be achieved following the BBA Transaction. Actual results may have differed.

**NOTES TO UNAUDITED PRO FORMA CONDENSED CONSOLIDATED STATEMENTS OF OPERATIONS
BASIS OF PRESENTATION**

As previously reported, on April 21, 2009, the Company entered into an Asset Purchase Agreement with Ikanos Communications, Inc. (Ikanos), pursuant to which Ikanos agreed to acquire certain assets related to the Broadband Access Products (BBA) business (the BBA Transaction). Assets to be sold pursuant to the agreement include, among other things, specified intellectual property, inventory, contracts and tangible assets. Ikanos agreed to assume certain liabilities, including obligations under transferred contracts and certain employee-related liabilities. The BBA Transaction closed on August 24, 2009 for an adjusted cash purchase price of \$53,974,195.

PRO FORMA ADJUSTMENTS

The historical Consolidated Statements of Operations for the three fiscal years ended October 3, 2008, September 28, 2007 and September 29, 2006 have been adjusted to eliminate the transactions related to the BBA business.

For the fiscal years ended October 3, 2008 and September 28, 2007, interest expense allocated to the BBA business represents the portion of interest and related debt issuance cost amortization on the estimated amount of the Company's floating rate senior secured notes due November 2010 (the Notes), issued in November 2006, for which an offer to repurchase must be made under the terms of the indenture agreement with the holders of the Notes as a result of the sale of the BBA business to Ikanos. The Company estimates the offer amount to be approximately \$41 million.

Allocated interest expense on the Notes is based on three-month LIBOR plus 3.75%, revised quarterly in effect for each of the fiscal years. The average annual interest rate for the fiscal years ended October 3, 2008 and September 28, 2007 was 7.45% and 9.20%, respectively. For the fiscal year ended September 29, 2006, interest expense allocated to the BBA business represents the portion of interest and related debt issuance cost amortization on the Company's 4.00% convertible subordinated notes due March 2026, based upon the estimated offer to repurchase of \$41 million.
