Item 5.02(e) Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On March 31, 2010, Cerner Corporation (the Company) entered into Executive Performance Agreements with its executive officers for the 2010 fiscal year pursuant to the Company's Section 162(m) Performance-Based Compensation Plan (the 162(m) Plan). The Executive Performance Agreements entered into with the Company's Section 16 officers implement performance metrics and target bonus levels as previously approved by the Section 16 Insider Equity and Incentive Compensation Subcommittee of the Compensation Committee of the Board of Directors. The 162(m) Plan is an incentive-based compensation plan, designed to provide a meaningful incentive on both a quarterly and annual basis to key associates and executives of the Company and to motivate them to assist the Company in achieving ambitious and attainable short-term goals. Under the executive feature of the Plan, for which the Company's Section 16 officers are eligible, the Section 16 Insider Equity and Incentive Compensation Subcommittee of the Compensation Committee establishes performance metrics prior to or at the beginning of the performance period and for which measurement of the achievement of such targets can be, and are, determined under pre-established objective formulas.

Individual Executive Performance Agreements are entered into with each of the Company's Section 16 officers, including its named executive officers (NEOs), pursuant to the 162(m) Plan. The material terms of the 2010 Executive Performance Agreements include: i) Target Bonus Levels for each of the NEOs; ii) quarterly and annual performance metrics for each of the NEOs; iii) incentive compensation payments based on individual Performance Factor ratings; iv) eligibility requirements; and, v) adjustment rights for the Company to adjust incentive payments downward and recover payments in whole or in part based on certain factors.

The 2010 performance metrics for the Company's NEOs will be based solely on achievement of earnings per share targets.

The above description is qualified in its entirety by reference to the Form of 2010 Executive Performance Agreement, which is filed with this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference.
