Item 1.01. Entry into a Material Definitive Agreement.

Item 3.03 below is incorporated herein by reference.

Item 3.03. Material Modification to Rights of Security Holders.

On November 23, 2010, RRI Energy entered into an amendment (the Amendment) to the Rights Agreement, dated as of January 15, 2001, between RRI Energy and JPMorgan Chase Bank, N.A., successor to The Chase Manhattan Bank and resigning as rights agent pursuant to the Amendment, and Computershare Trust Company, N.A., as successor rights agent (as amended, the Rights Agreement). The Rights Agreement governs the terms of each right (a Right) that has been issued with each share of common stock of RRI Energy. Each Right entitles the registered holder to purchase from the Company a unit consisting of one one-thousandth of a share of Series A Preferred Stock, par value \$.001 per share, at a purchase price of \$150 per fractional share, subject to adjustment, upon the terms and conditions set forth in the Rights Agreement (and as further described below).

The board of directors of RRI Energy approved the amendment in an effort to preserve RRI Energy's net operating losses (NOLs) from substantial limitations contained in section 382 of the Internal Revenue Code (IRC). IRC section 382 limits the amount of NOLs that can be used in any one year following an ownership change, as defined under section 382. In general, an ownership change occurs where there is a greater than 50-percentage point change in ownership of a company's stock by shareholders owning (or deemed to own under section 382) 5% or more of such company's stock.

The Amendment amends the definition of Acquiring Person in the Rights Agreement to mean any Person (as defined in the Rights Agreement) who or which, together with all Affiliates and Associates (each as defined in the Rights Agreement) of such Person, is the Beneficial Owner (as defined in the Rights Agreement) of 4.99% or more of the common stock of the Company then outstanding, subject to certain exceptions. Certain institutional holders, such as mutual fund companies, that hold RRI Energy stock on behalf of several individual mutual funds where no single fund owns 4.99% or more of RRI Energy stock, are not included in the amended definition of Beneficial Owners. Inadvertent acquisitions of RRI Energy common stock will not result in a Person becoming an Acquiring Person, provided that the acquisition does not result in the loss or impairment of Tax Benefits (as defined in the Rights Agreement) and the Person promptly divests itself of sufficient common stock. Further, a Person shall not become an Acquiring Person as a result of a transaction for which it obtained the prior written approval of the Company, or if the board of directors determines, in light of the intent and purposes of the Rights Agreement or other circumstances facing the Company, that such Person shall not be deemed to be an Acquiring Person.

The Amendment also exempts Persons who are existing 4.99% stockholders at the time of the Amendment or who become 4.99% stockholders solely as a result of the proposed merger with Mirant Corporation. However, any such Person would become an Acquiring Person if it purchases any additional shares of common stock.

The Amendment does not change the effects of the Rights Agreement on holders of Rights in the event there is an Acquiring Person. If a Person becomes an Acquiring Person under the Rights Agreement, the holder of each Right (other than the Acquiring Person and its affiliates and associates) will be entitled to purchase the number of shares of Preferred Stock equal to \$150 (subject to adjustment from time to time) divided by one half of the market price of common stock at that time. As an alternative, the board of directors may, at its option, at any time after any Person becomes an Acquiring Person, exchange all or part of the then outstanding and exercisable Rights (other than those held by the Acquiring Person and its affiliates and associates) for common stock at an exchange ratio of one share of common stock per Right (subject to adjustment from time to time). If a Person becomes an Acquiring Person, such Person may experience substantial dilution to its holdings through the exercise of Rights by the holders of Rights or the exchange, if elected by the Board, of Rights for common stock.

The Amendment makes technical changes to the Rights Agreement and amends certain definitions, including those of Affiliate, Associate, Beneficial Owner and Person, with appropriate definitions consistent with the IRC. The Amendment also effects the resignation of JPMorgan Chase as Rights Agent and the appointment of Computershare as successor Rights Agent.

The Rights will expire on the earliest of: (i) November 23, 2013, (ii) the time at which the Rights are redeemed or exchanged by the Company, or expire following a Flip-Over Event (as defined in the Rights Agreement), (iii) the adjournment of the 2011 annual meeting of stockholders of the Company, if the stockholders have not approved the Rights Agreement, (iv) the repeal of section 382 of the IRC or any successor statute if the board of directors of the Company determines that the Rights Agreement is no longer necessary for the preservation of Tax Benefits, and (v) the date on which the board of directors determines that no Tax Benefits may be carried forward.

This summary description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the exhibits hereto, which are incorporated herein by reference.

A copy of the Amendment is filed with this Current Report on Form 8-K as Exhibit 4.1.

Forward-looking statements are statements that contain projections, estimates or assumptions about our revenues, income, capital structure and other financial items, our plans and objectives for future operations or about our future economic performance, possible transactions, dispositions, financings or offerings, and our view of economic and market conditions. In many cases you can identify forward-looking statements by terminology such as anticipate, estimate, think, believe, continue, could, intend, may, plan, potential, predict, should, will, expect, objective, projection, forecast, outlook, effort, target and other similar words. However, the absence of these words does not mean that the statements are not forward-looking. Actual results may differ materially from those expressed or implied by forward-looking statements as a result of many factors or events, including, but not limited to, statements about the benefits of the proposed merger involving us and Mirant Corporation, including our future financial position and operating results and the expected timing or ability to obtain necessary approvals and satisfy conditions to complete the merger and the related financings, legislative, regulatory and/or market developments, our ability to use our net operating losses and other deferred tax assets to reduce future tax payments, the possibility that the merger may result in a substantial limitation to our NOLs, the possibility that the Rights Agreement may fail to dissuade an investor from effecting an ownership change by either increasing or reducing its ownership of shares of our common stock, the outcome of pending or threatened lawsuits, regulatory or tax proceedings or investigations, the effects of competition or regulatory intervention, financial and economic market conditions, access to capital, the timing and extent of changes in law and regulation (including environmental), commodity prices, prevailing demand and market prices for electricity, capacity, fuel and emission allowances, weather conditions, operational constraints or outages, fuel supply or transmission issues, hedging ineffectiveness and other factors we discuss or refer to in the Risk Factors sections of our most recent Annual Report on Form 10-K and Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission (SEC). Exhibit 4.1

AMENDMENT NO. 1 TO RIGHTS AGREEMENT

THIS AMENDMENT NO. 1 TO RIGHTS AGREEMENT (this Amendment) is made as of the 23rd day of November, 2010, by and between RRI ENERGY, INC., a Delaware corporation, formerly known as Reliant Resources, Inc., a Delaware corporation (the Company), JPMorgan Chase Bank, N.A. (JPMorgan Chase), as successor to The Chase Manhattan Bank, and Computershare Trust Company, N.A. (Computershare).

WHEREAS, the Company and JPMorgan Chase are parties to that certain Rights Agreement, dated as of January 15, 2001 (the Rights Agreement);

WHEREAS, Section 27 of the Rights Agreement permits the Company to amend the Rights Agreement on the terms set forth in this Amendment;

WHEREAS, as of the date hereof, no Person has become an Acquiring Person under the Rights Agreement, and the Company has satisfied all requirements to effect an amendment to the Rights Agreement;

WHEREAS, the Board of Directors of the Company has determined that it is in the best interests of the Company and its stockholders to modify the terms of the Rights Agreement in an effort to deter acquisitions of Common Stock that might limit or reduce the availability to the Company of the Company's net operating loss carryforwards for United States federal income tax purposes and make certain other modifications to the Rights Agreement; and

WHEREAS, JPMorgan Chase, which has heretofore served as the Rights Agent appointed under the Rights Agreement, desires to resign as Rights Agent, and the Company desires to accept such resignation and appoint Computershare as successor Rights Agent under the Rights Agreement.

NOW, THEREFORE, in accordance with the procedures for amendment of the Rights Agreement set forth in Section 27 thereof, and in consideration of the foregoing and the mutual agreements herein set forth, the parties hereby agree as follows:

1. Section 1 of the Rights Agreement is amended in its entirety to read as follows:

Section 1. Certain Definitions. (i) a reduction in the number of shares of Common Stock outstanding due to the repurchase of Common Stock by the Company, unless and until such time as such Person or any Affiliate or Associate of such Person shall, following written notice from, or public disclosure by, the Company of such purchases of Common Stock by the Company, become the Beneficial Owner of any additional Common Stock, other than as a result of the transactions described in clauses (ii) through (v) hereof; and shall then Beneficially Own more than 4.99% of the shares of Common Stock then outstanding,

(ii) any unilateral grant of Common Stock by the Company,

(iii) any stock dividend, stock split or similar transaction effected by the Company in which all holders of Common Stock are treated equally,

(iv) any exercise of warrants to purchase Common Stock that are Beneficially Owned by such Person on the Amendment Date, or

(v) any transaction for which such Person has requested and obtained the Prior Written Approval of the Company; and provided, further, that if the Board of Directors, with the concurrence of a majority of the members of the Board of Directors who are not (and who are not representatives, nominees, Affiliates or Associates of) such Person or an Acquiring Person, determines in good faith that a Person that would otherwise be an Acquiring Person has become such inadvertently (including, without limitation, because (i) such Person was unaware that it Beneficially Owned a percentage of Common Stock that would otherwise cause such Person to be an Acquiring Person or (ii) such Person was aware of the extent of its Beneficial Ownership of Common Stock but had no actual knowledge of the consequences of such Beneficial Ownership under this Agreement), in any case such inadvertent acquisition did not result in the loss or impairment of Tax Benefits, and such Person as promptly as practicable divested or divests itself of Beneficial Ownership of a sufficient number of shares of Common Stock so that such Person would no longer be an Acquiring Person, then such Person shall not be deemed to be or to have become an Acquiring Person for any purposes of this Agreement; provided, further, that no Person shall be an Acquiring Person if the Board of Directors shall have affirmatively determined, prior to the Distribution Date, in light of the intent and purposes of this Agreement or other circumstances facing the Company, that such Person shall not be deemed an Acquiring Person.

3. Section 3 of the Rights Agreement is amended in its entirety to read as follows:

Section 3. Issue of Rights Certificates.

(a) Until the Distribution Date, (x) the Rights will be evidenced (subject to the provisions of paragraph (b) of this Section 3) by the certificates for Common Stock registered in the names of the holders of the Common Stock and not by separate certificates (or for shares participating in the direct registration system, by notations in the respective book entry accounts for the Common Stock), and (y) the Rights will be transferable only in connection with the transfer of the underlying shares of Common Stock (including a transfer to the Company). As soon as practicable after the Distribution Date, the Rights Agent will send by first-class, insured, postage prepaid mail, to each record holder of one or more shares of Common Stock represented by certificates as of the close of business on the Distribution Date (other than any Person referred to in the first sentence of Section 7(e)), at the address of such holder shown on the records of the Company, one or more Rights Certificates, evidencing one Right for each share of Common Stock so held and represented by a certificate, subject to adjustment as provided herein. To the extent that a Triggering Event under Section 11(a)(ii) has occurred, the Company may implement such procedures, as it deems appropriate in its sole discretion, to minimize the possibility that Rights are received by Persons for whom Rights would be void under Section 7(e). In the event that an adjustment in the number of Rights per share of Common Stock has been made pursuant to Section 11(p) hereof, at the time of distribution of the Rights Certificates, the Company shall make the necessary and appropriate rounding adjustments (in accordance with Section 14(a) hereof) so that Rights Certificates representing only whole numbers of Rights are distributed and cash is paid in lieu of any fractional Rights. As of and after the Distribution Date, the Rights will be evidenced solely by such Rights Certificates, and the Rights will be transferable separately from the transfer of Common Stock.

(b) Promptly following the Record Date, the Company will send a copy of a Summary of Rights, in substantially the form attached to this Agreement as Exhibit C, by first-class, postage prepaid mail, to each record holder of Common Stock as of the close of business on the Record Date, at the address of such holder shown on the records of the Company. With respect to certificates for Common Stock outstanding as of the Record Date, until the Distribution Date or the earlier surrender for transfer thereof or the Expiration Date, the Rights associated with the shares of Common Stock represented by such certificates shall be evidenced by such certificates for Common Stock (or, in the case of shares reflected on the direct registration system, the notations in the book entry account), and the registered holders of the Common Stock shall also be the registered holders of the associated Rights. Until the earlier of the Distribution Date or the Expiration Date, the transfer of any of the certificates for Common Stock outstanding on the Record Date, with or without a copy of the Summary of Rights, shall also constitute the transfer of the Rights associated with the Common Stock represented by such certificates.

(c) Rights shall be issued in respect of all shares of Common Stock that are issued (whether originally issued or delivered from the Company's treasury) on or after the Record Date but prior to the earlier of the Distribution Date or the Expiration Date or, in certain circumstances provided in Section 22 hereof, after the Distribution Date. Certificates issued for shares of Common Stock that shall so become outstanding or shall be transferred or exchanged on or after the Record Date but prior to the earlier of the Distribution Date or the Expiration Date shall also be deemed to be certificates for Rights, and shall bear the following legend:

This certificate also evidences and entitles the holder hereof to certain Rights as set forth in the Rights Agreement between Reliant Resources, Inc. (the Company) and Computershare Trust Company, N.A., as successor rights agent to The Chase Manhattan Bank (the Rights Agent) dated as of January 15, 2001 and amended on November 23, 2010, as it may from time to time be further supplemented or amended (the Rights Agreement), the terms of which are hereby incorporated herein by reference and a copy of which is on file at the principal offices of the Company. Under certain circumstances, as set forth in the Rights Agreement, such Rights may be redeemed, may be exchanged, may expire or may be evidenced by separate certificates and will no longer be evidenced by this certificate. The Company will mail to the holder of this certificate a copy of the Rights Agreement, as in effect on the date of mailing, without charge promptly after receipt of a written request therefor. UNDER CERTAIN CIRCUMSTANCES SET FORTH IN THE RIGHTS AGREEMENT, RIGHTS BENEFICIALLY OWNED BY OR TRANSFERRED TO ANY PERSON WHO IS, WAS OR BECOMES AN ACQUIRING PERSON OR AN AFFILIATE OR ASSOCIATE THEREOF (AS SUCH TERMS ARE DEFINED IN THE RIGHTS AGREEMENT), AND CERTAIN TRANSFEREES THEREOF, WILL BECOME NULL AND VOID AND WILL NO LONGER BE TRANSFERABLE.

With respect to such certificates containing the foregoing legend, until the earlier of the Distribution Date or the Expiration Date, the Rights associated with the Common Stock represented by such certificates shall be evidenced by such certificates alone, and registered holders of Common Stock shall also be the registered holders of the associated Rights, and the transfer of any of such certificates shall also constitute the transfer of the Rights associated with the Common Stock represented by such certificates. Similarly, during such time periods, transfers of shares participating in the direct registration system shall also be deemed to be transfers of the associated Rights. In the event that shares of Common Stock are not represented by certificates, references in this Agreement to certificates shall be deemed to refer to the notations in the book entry accounts reflecting ownership of such shares.

**RRI Energy Adopts Shareholder Rights Plan
That May Lead to Preservation of
Net Operating Losses Value**

HOUSTON RRI Energy, Inc. has amended its existing Shareholder Rights Agreement to potentially preserve approximately \$1.5 billion of Net Operating Losses (NOLs). Previously the company had expected that the proposed merger with Mirant Corporation to form GenOn Energy, Inc. would cause an ownership change, as defined in Section 382 of the Internal Revenue Code, limiting the amount of pre-merger NOLs that GenOn could use to reduce its post-merger federal income tax liability by offsetting future taxable income.

Recently the company received guidance from the Internal Revenue Service that specifies the methodology to be used in determining whether an ownership change has occurred when a shareholder owns interests in both of the merging companies immediately prior to the merger. In addition, a recent review of SEC filings conducted by RRI Energy indicates it is possible that the extent of overlapping shareholders of Mirant and RRI Energy immediately prior to the merger may be such that the merger would not cause an ownership change for RRI Energy and therefore would not impact the future use of RRI Energy's pre-merger NOLs. Accordingly, RRI Energy, Inc.'s Board of Directors amended its existing Shareholder Rights Agreement.

The merger is expected to be completed before the end of this year. After the merger is completed, GenOn Energy will perform an analysis to determine whether there were sufficient overlapping shareholders immediately prior to the merger to preclude an ownership change. If it is determined that there has not been an ownership change as of the date of the merger, the addition of new five-percent owners could cause the 50% ownership change threshold to be exceeded. Five-percent shareholders do not include certain institutional holders, such as mutual fund companies, that hold RRI Energy stock on behalf of several individual mutual funds where no single fund owns 5% or more of RRI Energy stock.

In an effort to reduce the chance that future changes in share ownership would limit the use of RRI Energy's pre-merger NOLs, the amendment:

- Reduces the ownership trigger from 15% to 4.99% utilizing section 382 of the Internal Revenue Code definition of beneficial ownership

- Extends the expiration date to November 2013

- Exempts certain shareholders

Pre-existing RRI shareholders owning 4.99% or more (but does not allow additional share purchases by those shareholders)

GenOn shareholders owning 4.99% or more as a result of the merger (but does not allow additional share purchases by those shareholders)

Provides that the Board of Directors may exempt certain persons or transactions in the best interests of RRI Energy

As a result of the amendment, the RRI Energy Rights Agreement is now similar to tax benefit preservation plans adopted by many other public companies with significant NOLs.

In the event that the final analysis of overlapping shareholders indicates that a 50% ownership change has occurred as a result of the merger with Mirant, the Board of Directors will redeem the Shareholder Rights Agreement at that time. The amendment provides that the Shareholder Rights Agreement will expire at the adjournment of the first annual meeting of GenOn Energy unless the shareholders approve the Shareholder Rights Agreement, as amended.

Additional information regarding this amendment to the Shareholder Rights Agreement will be contained in a Form 8-K that RRI Energy will file with the Securities and Exchange Commission today.
