PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS ON MAY 14, 2002

This proxy statement contains information related to the annual meeting of our stockholders to be held on Tuesday, May 14, 2002, beginning at 10:00 a.m. local time, at the Doubletree Hotel at Allen Center, 400 Dallas Street, Houston, Texas, and at any postponements or adjournments thereof.

ABOUT THE MEETING

WHO SENT ME THIS PROXY STATEMENT?

Our Board of Directors sent you this proxy statement and proxy card. We will pay for the solicitation. In addition to this solicitation by mail, proxies may be solicited by our directors, officers and other employees by telephone, Internet, telegraph, telefax or telex, in person or otherwise. These individuals

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

will not receive any additional compensation for assisting in the solicitation. We may also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of our shares. We will reimburse those people and our transfer agent for their reasonable out-of-pocket expenses in forwarding such material. We have also retained Corporate Investor Communications, Inc. to perform the broker nominee search and to distribute proxy materials to banks, brokers, nominees and intermediaries. We will pay to third parties approximately \$5,000, plus out-of-pocket expenses, for these services.

WHY DID I RECEIVE THIS PROXY STATEMENT AND PROXY CARD?

You received this proxy statement and proxy card from us because you owned our common stock as of the close of business on March 15, 2002. We refer to this date as the record date. This proxy statement contains important information for you to consider when deciding whether to vote for the election of directors, the ratification of the selection of our independent auditors and the stockholder proposal relating to the adoption of an independent board nominating committee policy. Please read this proxy statement carefully.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that you have multiple accounts at the transfer agent and/or with stockbrokers. Please sign and return all proxy cards to ensure that all your shares are voted.

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At the annual meeting, our stockholders will act upon the matters outlined in the notice of annual meeting on the cover page of this proxy statement, including the election of directors, the ratification of the selection of our independent auditors and the stockholder proposal relating to the adoption of an independent board nominating committee policy. In addition, our management will report on our performance during fiscal 2001 and respond to questions from stockholders.

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

All stockholders who owned our common stock at the close of business on the record date, March 15, 2002, are entitled to receive notice of the annual meeting and to vote the shares of common stock that they held at the close of business on that date at the meeting, or any postponements or adjournments of the meeting.

WHAT ARE THE VOTING RIGHTS OF STOCKHOLDERS?

Each outstanding share of our common stock will be entitled to one vote on all matters to be considered.

WHO CAN ATTEND THE ANNUAL MEETING?

All stockholders as of the close of business on the record date, or their duly appointed proxies, may attend the meeting, and each may be accompanied by one guest. Seating, however, is limited. Admission to the meeting will be on a first-come, first-served basis. Registration will begin at 9:00 a.m. and seating will begin at 9:30 a.m. Each stockholder may be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

Please note that if you hold your shares in street name, that is, through a broker or other nominee, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the close of business on the record date and check in at the registration desk at the meeting.

WHAT CONSTITUTES A QUORUM?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding on the record date will constitute a quorum. The presence of a quorum will permit us to conduct the proposed business at the annual meeting. As of March 15, 2002, the record date, approximately 122,990,018 shares of our common stock were issued and outstanding.

Your common stock will be counted as present at the meeting if you:

- o are present at the meeting; or
- o have properly submitted a proxy card or voted over the telephone or the Internet.

Proxies received but marked as abstentions and broker non-votes will be included in the number of shares considered to be present at the meeting.

HOW DO I VOTE?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares. Even if you plan to attend the annual meeting, your plans may change, so it is a good idea to complete, sign and return your proxy card or vote over the telephone or the Internet in advance of the meeting.

CAN I VOTE BY TELEPHONE OR ELECTRONICALLY?

If you are a registered stockholder, that is, if you hold your stock in certificate form, you may vote over the telephone or the Internet by following the instructions included with your proxy card.

If your shares are held in street name, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically.

If you are a registered stockholder, the deadline for voting by telephone or electronically is 11:59 p.m. Eastern Daylight Savings Time on May 13, 2002.

2

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even after you have submitted your proxy card, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you so request in person at the annual meeting, although attendance at the meeting will not by itself revoke a previously granted proxy.

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

WHAT ARE THE RECOMMENDATIONS OF OUR BOARD OF DIRECTORS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. Our Board of Directors' recommendation is set forth together with the description of each item in this proxy statement. In summary, our Board of Directors recommends a vote:

- o for the election of the nominated slate of directors;
- o for the proposal to ratify and approve the selection of PricewaterhouseCoopers LLP as our independent auditors for 2002; and
- o against the stockholder proposal relating to the adoption of an independent board nominating committee policy.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote on such matters in their own discretion.

WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

Election of Directors. The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "WITHHELD" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Accordingly, a "WITHHELD" vote will have the effect of a negative vote.

Other Items. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

DO I HAVE ANY DISSENTERS' RIGHTS?

No. Under the laws of the State of Kansas, dissenters' rights are not available to our stockholders with respect to matters to be voted on at the annual meeting.

WHERE CAN I FIND THE VOTING RESULTS OF THE MEETING?

The preliminary voting results will be announced at the meeting. The final results will be published in our quarterly report on Form 10-Q for the second quarter of fiscal 2002.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Kinder Morgan Management, LLC

In May 2001, Kinder Morgan Management, LLC, one of our indirect subsidiaries, issued and sold its limited liability company shares in an underwritten initial public offering. The net proceeds from the offering were used by Kinder Morgan Management, LLC to buy i-units from Kinder Morgan Energy Partners, L.P. for \$991.9 million. Upon purchase of the i-units, Kinder Morgan Management, LLC became a partner in Kinder Morgan Energy Partners, L.P. and was delegated by Kinder Morgan Energy Partners, L.P.'s general partner the responsibility to manage and control the business and affairs of Kinder Morgan Energy Partners, L.P. The i-units are a class of Kinder Morgan Energy Partners, L.P.'s limited partner interests that have been, and will be, issued only to Kinder Morgan Management, LLC. We have certain rights and obligations with respect to these securities, including an obligation to

6

purchase the Kinder Morgan Management, LLC shares or exchange them for Kinder Morgan Energy Partners, L.P.'s common units we own or, at our election, cash.

Retention Agreement

Effective January 17, 2002, we entered into a retention agreement with C. Park Shaper, an officer of us, Kinder Morgan G.P., Inc. and its delegate, Kinder Morgan Management, LLC. Pursuant to the terms of the agreement, Mr. Shaper received a \$5 million personal loan guaranteed by us and Kinder Morgan Energy Partners, L.P. Mr. Shaper was required to purchase our common stock and Kinder Morgan Energy Partners, L.P. common units in the open market with the loan proceeds. If he voluntarily leaves us prior to the end of five years, then he must repay the entire loan. On the fifth anniversary date of the agreement, provided Mr. Shaper has continued to be employed by us and/or the general partner of Kinder Morgan Energy Partners, L.P., then we and Kinder Morgan Energy Partners, L.P. will assume Mr. Shaper's obligations under the loan. The

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

agreement contains provisions that address termination for cause, death, disability and change of control.

Lines of Credit

Kinder Morgan Energy Partners, L.P. has agreed to guarantee potential borrowings under lines of credit available from Wachovia Bank, National Association, formerly known as First Union National Bank, to Messrs. M. Morgan, Dehaemers, Allison, Listengart, Shaper and James Street. Each of these officers is primarily liable for any borrowing on his line of credit, and if Kinder Morgan Energy Partners, L.P. makes any payment with respect to an outstanding loan, the officer on behalf of whom payment is made must surrender a percentage of his options to purchase our common stock. The guaranties, on an individual basis, generally do not exceed \$1.0 million dollars and the guaranties, in the aggregate, do not exceed \$6.25 million. To date, Kinder Morgan Energy Partners, L.P. has made no payment with respect to these lines of credit.

STOCK OPTION GRANTS IN FISCAL 2001

The table below sets forth information with respect to stock option grants during fiscal 2001. Joseph Listengart and C. Park Shaper are our only named executive officers who received stock option grants in 2001. None of these stock options were granted with an exercise price below the fair market value of the common stock on the date of grant. The options were granted and became fully exercisable on January 17, 2001, but relate to performance in 2000. The options expire ten years from the date of grant.

EXECUTIVE COMPENSATION PLANS FOR US AND OUR SUBSIDIARIES

As we are required to report compensation that our named executive officers receive from our subsidiaries, we are including the following descriptions of Kinder Morgan Services LLC's and Kinder Morgan G.P., Inc.'s compensation plans, through which certain of our named executive officers receive compensation which is included in the Summary Compensation Table above. As of October 7, 1999, neither of Messrs. Kinder or William V. Morgan receive any compensation from Kinder Morgan G.P., Inc. or any of our other subsidiaries.

In the following discussion, all numbers referring to Kinder Morgan Energy Partners, L.P. common units, including options to purchase common units, have been adjusted to reflect the two-for-one common unit split effected August 31,

2001.

Savings Plan

Effective July 1, 1997, Kinder Morgan G.P., Inc. established the Kinder Morgan Retirement Savings Plan, a defined contribution 401(k) plan. This plan was subsequently amended and merged to form the Kinder Morgan Savings Plan. The plan now permits all of our and Kinder Morgan Services LLC's eligible employees to contribute one percent to 50 percent of eligible compensation, on a pre-tax basis, into participant accounts. In addition to a mandatory contribution equal to four percent of eligible compensation per year for each eligible plan participant, we may make discretionary contributions in years when specific performance objectives are met. Certain employees' and employer's contributions are based on collective bargaining agreements. The mandatory contributions are made each pay period on behalf of each eligible employee. Any discretionary contributions are made during the first quarter following the performance year. All contributions, including discretionary contributions, are in the form of our common stock that is immediately convertible into other available investment options at the employee's discretion. In the first quarter of 2002, members of one bargaining unit received discretionary contributions to individual accounts for 2001. All contributions, together with earnings thereon, are immediately vested and not subject to forfeiture. Participants may direct the investment of their contributions into a

10

variety of investments. Plan assets are held and distributed pursuant to a trust agreement. Because levels of future compensation, participant contributions and investment yields cannot be reliably predicted over the span of time contemplated by a plan of this nature, it is impractical to estimate the annual benefits payable at retirement to the individuals listed in the Summary Compensation Table above.

Executive Compensation Plan

Pursuant to Kinder Morgan Energy Partners, L.P.'s Executive Compensation Plan, executive officers of Kinder Morgan G.P., Inc., the general partner of Kinder Morgan Energy Partners, L.P., are eligible for awards equal to a percentage of the "incentive compensation value, " which is defined as cash distributions to Kinder Morgan G.P., Inc. during the four calendar quarters preceding the date of redemption multiplied times eight (less a participant adjustment factor, if any). Under the plan, no eligible employee may receive a grant in excess of two percent and total awards under the plan may not exceed 10 percent. In general, participants may redeem vested awards in whole or in part from time to time by written notice. Kinder Morgan Energy Partners, L.P. has the option to pay the participant in units (provided, however, the unitholders approve the plan prior to issuing such units) or in cash. Kinder Morgan Energy Partners, L.P. may not issue more than 400,000 units in the aggregate under the plan. Units will not be issued to a participant unless such units have been listed for trading on the principal securities exchange on which the units are then listed. The plan terminates January 1, 2007 and any unredeemed awards will be automatically redeemed. The Board of Directors of Kinder Morgan G.P., Inc. may, however, terminate the plan before such date, and upon such early termination, Kinder Morgan Energy Partners, L.P. will redeem all unpaid grants of compensation at an amount equal to the highest incentive compensation value, using as the determination date any day within the previous twelve months, multiplied times 1.5. The plan was established in July 1997 and on July 1, 1997, the Board of Directors of Kinder Morgan G.P., Inc. granted awards totaling two percent of the incentive compensation value to each of David Dehaemers and

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

Michael Morgan. Originally, 50 percent of such awards were to vest on each of January 1, 2000 and January 1, 2002. No awards were granted during 1999, 2000 or 2001.

On January 4, 1999, the awards granted to Messrs. Dehaemers and Morgan were amended to provide for the immediate vesting and pay-out of 50 percent of their awards, or one percent of the incentive compensation value. On April 20, 2000, the awards granted to Messrs. Dehaemers and Morgan were amended to provide for the immediate vesting and pay-out of the remaining 50 percent of their awards, or one percent of the incentive compensation value. The Board of Directors of Kinder Morgan G.P., Inc. believes that accelerating the vesting and pay-out of the awards was in Kinder Morgan G.P., Inc.'s best interest because it capped the total payment the participants were entitled to receive with respect to their awards.

The Board of Directors of Kinder Morgan G.P., Inc. does not intend to compensate any employees providing services to Kinder Morgan Energy Partners, L.P. under the Executive Compensation Plan on a going forward basis.

Retirement Plan

Employees of us and our direct and indirect subsidiaries, including Kinder Morgan Services LLC, are eligible to participate in a new Retirement Plan that was put into effect on January 1, 2001. Certain employees continue to accrue benefits through a career-pay formula, "grandfathered" according to age and years of service on December 31, 2000, or collective bargaining arrangements. All other employees will accrue benefits through a cash balance formula pursuant to which we make contributions on behalf of participating employees equal to three percent of eligible compensation every pay period. Employees with prior service and not grandfathered had their prior accrued benefits converted to an opening personal retirement account balance in the Retirement Plan. In addition, we may make discretionary contributions to the plan based on our performance. In the first quarter of 2002, an additional one percent discretionary contribution was made to individual accounts based on achieving 2001 financial targets to stockholders. Interest will be credited to the personal retirement accounts at the 30-year U.S. Treasury bond rate in effect each year. Employees will be fully vested in the plan after five years, and they may take a lump sum distribution upon termination of employment or retirement.

The following table sets forth the estimated annual benefits payable under normal retirement at age 65, assuming current remuneration levels without any salary projection and participation until normal retirement at age 65, with respect to the named executive officers under the provisions of the Retirement Plan:

Stock Option Plans

Under our stock option plans, our employees and employees of our direct and indirect subsidiaries, including employees of Kinder Morgan Services LLC and Kinder Morgan G.P., Inc., are eligible to receive grants of options to purchase shares of our common stock. Our Board of Directors administers these option plans. The primary purpose for granting stock options under these plans to our employees and employees of our subsidiaries is to provide them with an incentive to increase the value of our common stock. A secondary purpose of the grants is to provide compensation to those employees for services rendered to our subsidiaries and us.

Common Unit Option Plan

Pursuant to Kinder Morgan Energy Partners, L.P.'s Common Unit Option Plan, Kinder Morgan Energy Partners, L.P.'s and its affiliates' key personnel are eligible to receive grants of options to acquire Kinder Morgan Energy Partners, L.P.'s common units. The total number of common units available under the unit option plan is 500,000. None of the options granted under this plan may be "incentive stock options" under Section 422 of the Internal Revenue Code. If an option expires without being exercised, the number of units covered by such option will be available for a future award. The exercise price for an option may not be less than the fair market value of a unit on the date of grant. Either the Board of Directors of Kinder Morgan G.P., Inc., the general partner of Kinder Morgan Energy Partners, L.P., or a committee of that Board of Directors administers the unit option plan. The unit option plan terminates on March 5, 2008.

No individual employee may be granted options for more than 20,000 common units in any year. Kinder Morgan G.P., Inc.'s Board of Directors or the committee referred to in the prior paragraph will determine the duration and vesting of the options to employees at the time of grant. As of December 31, 2001, options for 379,400 common units were granted to 106 employees of us and Kinder Morgan Services LLC. Forty percent of such options will vest on the first anniversary of the date of grant and 20 percent on each anniversary thereafter. The options expire seven years from the date of grant.

The unit option plan also granted to each of Kinder Morgan G.P., Inc.'s non-employee directors as of April 1, 1998, an option to acquire 10,000 common units at an exercise price equal to the fair market value of the units on such date. In addition, each subsequent non-employee director will receive options to acquire 10,000 common units on the first day of the month following his or her election. Under this provision, as of December 31, 2001, outstanding options for 30,000 common units had been granted to Kinder Morgan G.P., Inc.'s three non-employee directors. Forty percent of such options will vest on the first anniversary of the date of grant and 20 percent on each anniversary thereafter. The non-employee director options will expire seven years from the date of grant.

No common unit options were granted during 1999, 2000 or 2001 to any of the named executive officers. The following table sets forth certain information at December 31, 2001 with respect to common unit options previously granted to any of the named executive officers. Messrs. Allison and Listengart are the only named executive officers that have been granted common unit options. In March 1998, Mr. Listengart was granted an option to purchase 10,000 common units at an exercise price of \$17.28 per common unit and Mr. Allison was granted an option to purchase 20,000 common units at an exercise price of \$16.56. No common unit options were granted at an option price below fair market value on the date of grant.

EMPLOYMENT AGREEMENTS

Richard D. Kinder

On October 7, 1999, we entered into an employment agreement with Mr. Kinder pursuant to which he agreed to serve as our Chairman and Chief Executive Officer. His employment agreement is for a term of three years and will be extended on each anniversary of the October 7th merger date for an additional one year period.

Mr. Kinder, at his initiative, accepted an annual salary of \$1 per year to demonstrate his belief in the long term viability of the combined company. Mr. Kinder is eligible for employee benefits for which other employees are eligible.

We may terminate Mr. Kinder's employment at any time "without cause" whereby we would be required to provide Mr. Kinder with the following severance benefits:

- o a lump sum cash payment in an amount equal to three times the aggregate of (x) the greater of Mr. Kinder's current base salary or \$750,000 and (y) the greater of (1) the amount of any cash incentive bonus to be paid to Mr. Kinder pursuant to any applicable plan based on the maximum of the current year's target or (2) Mr. Kinder's

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

aggregate cash bonus paid with regard to our prior fiscal year;

- o continuation of medical, dental, life insurance and accidental death and dismemberment coverages which we provide to our active employees for up to 36 months; and
- o stock options, restricted stock and other stock awards granted to Mr. Kinder under all of our stock plans, and our subsidiaries' stock plans will vest and become immediately exercisable and all restrictions thereon will be removed. Mr. Kinder has no such stock options, restricted stock or other stock awards.

13

If we terminate Mr. Kinder "with cause," Mr. Kinder will receive his salary for the period to the date of his termination, but we will not be obligated to pay any salary or other compensation for any period of time after termination and Mr. Kinder will not be entitled to receive severance pay. For purposes of the employment agreement, "cause" means the occurrence of any of the following events:

- o a grand jury indictment or prosecutorial information charging Mr. Kinder with illegal or fraudulent acts, criminal conduct or willful misconduct whether or not relating to our activities;
- o a grand jury indictment or prosecutorial information charging Mr. Kinder with any criminal acts involving moral turpitude whether or not it has a material adverse effect upon us;
- o grossly negligent failure by Mr. Kinder to perform his duties in a manner which he knows, or has reason to know, to be in our best interests;
- o bad faith refusal by Mr. Kinder to carry out reasonable instructions of our Board of Directors not inconsistent with the provisions of the employment agreement; or
- o material violation by Mr. Kinder of any of the terms of the employment agreement.

If Mr. Kinder dies during the term of the employment agreement, we will pay Mr. Kinder's estate an amount equal to the greater of his annual salary or \$750,000 as severance pay.

We may terminate Mr. Kinder if he becomes totally and permanently disabled so as to preclude him from performing his duties. If so terminated, Mr. Kinder will be entitled to receive:

- o the amount of any insurance proceeds payable to him under disability insurance policies, if any, then maintained for his benefit; and
- o the greater of his salary or an annual amount of \$750,000 through the effective date of termination of employment.

Mr. Kinder has the right to terminate his employment at any time by providing us at least 30-days prior written notice of termination. Following such termination, Mr. Kinder will receive his salary for the period through the date of termination. Mr. Kinder will also have the right to terminate the employment agreement and to receive severance benefits if he is subject to a

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

change in duties.

Mr. Kinder has agreed that, with limited exceptions, while he remains employed by us and for a period of 12 months following the termination of his employment with cause or his voluntary termination of employment, he will not, directly or indirectly, own, manage, operate, join, contract or participate in the ownership, management or control of or be employed by or be connected in any manner with any business which is or may be competitive in any manner with us.

Michael C. Morgan and David G. Dehaemers, Jr.

In April 2000, each of Messrs. M. Morgan and Dehaemers entered into four-year employment agreements with us and Kinder Morgan G.P., Inc., the general partner of Kinder Morgan Energy Partners, L.P. Under the employment agreements, each of Messrs. Morgan and Dehaemers receives an annual base salary of \$200,000 and bonuses at the discretion of the compensation committee of our Board of Directors and the Board of Directors of Kinder Morgan Management, LLC. In connection with the execution of the employment agreements, Messrs. Morgan and Dehaemers no longer participate under our Executive Compensation Plan. In addition, each are prevented from competing with Kinder Morgan Energy Partners, L.P. and us for a period of four years from the date of the agreements, provided Mr. Richard D. Kinder or Mr. William V. Morgan continues to serve as chief executive officer of us or our successor.

14

HOW ARE OUR DIRECTORS COMPENSATED?

Directors who are not also our employees participate in our 1992 Stock Option Plan for Non-Employee Directors, which was amended and restated on January 17, 2001. Under this plan, each continuing director who is not one of our salaried employees, at the discretion of the Compensation Committee of our Board of Directors, may be granted an option to purchase an amount not to exceed 10,000 shares of our common stock each year. Each newly-elected director who is not one of our salaried employees, at the discretion of the Compensation Committee of our Board of Directors, may be granted an option to purchase an amount not to exceed 20,000 shares of our common stock. Options may be granted at not less than 100% of the fair market value of our common stock on the date of grant, but must be at least the par value of the shares subject to the option. Options expire 10 years from the date of grant. Options granted pursuant to our 1992 Stock Option Plan for Non-Employee Directors are intended as nonqualified stock options.

Effective January 2, 2002, we granted each non-employee director an option to purchase 10,000 shares of our common stock in return for service on our Board of Directors in 2002. The options have an exercise price of \$55.88 and vested on the date of grant.

All directors are reimbursed for reasonable travel and other expenses incurred in attending all meetings.

REPORT OF OUR COMPENSATION COMMITTEE

Our Board of Directors has a standing Compensation Committee composed of four non-employee directors. The Compensation Committee is charged with the management and oversight of employee benefit plans approved by our Board of Directors, employment agreements approved by our Board of Directors and the compensation of all of our directors, officers and employees.

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

The Report of the Compensation Committee and the performance graphs included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this Report or the performance graphs by reference therein.

The Compensation Committee of our Board of Directors has furnished the following report on our executive compensation for fiscal 2001.

What is our philosophy of executive officer compensation?

Annual executive compensation is principally comprised of base salary, annual incentive cash and stock and stock option awards. It is our philosophy to pay our executive officers a fair base salary, not to exceed \$200,000 per year, which is below market. The majority of an executive officer's compensation is allocated to the "at risk" portions of the annual incentives and long-term compensation. It is our philosophy that compensation of our executive officers and other key employees should be directly and materially tied to corporate financial performance and aligned with the interests of our stockholders. To achieve this objective, executive compensation is weighted toward cash incentives and long-term compensation payable on the basis of such financial and stock performance. Grants of stock options and restricted stock are the principal component of long-term executive compensation.

Our executive compensation components are reviewed periodically by outside compensation consultants. The purpose of this review is to ensure that our total compensation package operates effectively, remains both reasonable and competitive with the energy industry, and is generally comparable to the compensation offered by companies of similar size and scope of our company.

Our 1994 Long-Term Incentive Plan and our 1999 Stock Option Plan give the Compensation Committee the flexibility to grant stock options, both non-qualified and incentive, restricted stock awards, stock appreciation rights and other stock-based awards. The plans have permitted us to keep pace with changing developments in compensation and benefit programs, making us competitive with those companies that offer incentives to attract and retain employees. We currently plan to issue only non-qualified stock options and restricted stock to our executive officers, unless specific circumstances dictate otherwise.

15

How is our Chairman and Chief Executive Officer compensated?

At his request, Mr. Kinder, our Chief Executive Officer and Chairman, receives \$1 of base salary per year. Additionally, Mr. Kinder requested he receive no annual bonus, stock option grants or other compensation. He wishes to be rewarded strictly on the basis of stock performance which impacts his holdings of our common stock. Mr. William V. Morgan, our Vice Chairman, at his request, also receives \$1 base salary per year.

How are we addressing Internal Revenue Code limits on deductibility of compensation?

Section 162(m) of the Internal Revenue Code limits the deductibility of certain compensation for our Chief Executive Officer and our additional five highest paid executive officers to \$1,000,000 of cash compensation per year. If certain conditions are met, including the removal of discretion in determining

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

individual rewards, compensation may be excluded from consideration of the \$1,000,000 limit. Annual cash compensation of our individual executive officers has historically been below \$1,000,000. The policy of the Compensation Committee to date is to establish and maintain a compensation program which maximizes the creation of long-term stockholder value by recognizing and rewarding performance that increases our value and complies with Section 162(m).

Our Board of Directors met seven times during fiscal 2001. Each director attended more than 75% of the total number of meetings of the Board of Directors and committees on which he served.

What committees has our Board established?

Our Board of Directors has a standing Compensation Committee and Audit Committee.

As of December 31, 2001, the following members of the Board of Directors were members of the Compensation and/or Audit Committees as indicated in the table below.

Compensation Committee. The Compensation Committee is charged with the management and oversight of employee benefit plans approved by our Board of Directors, employment agreements approved by our Board of Directors and the compensation of all of our directors, officers and employees. The Compensation Committee met three times during fiscal 2001.

Audit Committee. The Audit Committee's functions are:

- o recommending to our Board of Directors the retention or discharge of our independent auditors;
- o reviewing and approving the engagement of independent auditors to conduct an audit of us, including the scope, extent and procedures of the audit and the fees to be paid therefor;
- o reviewing, in consultation with the independent auditors, the audit results and the auditors' proposed opinion letter or audit report and any related management letter;

- o reviewing and approving our audited financial statements;
- o consulting with our independent auditors and management, together or separately, on the adequacy of our internal accounting controls and the review of the results thereof;
- o reviewing the independence of our independent auditors;
- o supervising investigations into matters within the scope of the Audit Committee's duties; and
- o performing such other functions as may be necessary or appropriate in the efficient discharge of the Audit Committee's duties.

The Audit Committee of our Board of Directors met two times during fiscal 2001. The Audit Committee adopted a written charter on April 20, 2000.

Audit Matters

Audit Fees. The aggregate fees billed by our auditors, PricewaterhouseCoopers LLP, for professional services rendered for the audit of our annual financial statements for the year ended December 31, 2001 and the reviews of the financial statements included in our Forms 10-Q for that fiscal year were \$485,000.

Financial Information Systems Design and Implementation Fees. For the year ended December 31, 2001, PricewaterhouseCoopers LLP did not perform any services for us relating to financial information systems design and implementation. Accordingly, we paid PricewaterhouseCoopers LLP no fees with respect to such services.

All Other Fees. The aggregate fees billed for services rendered by PricewaterhouseCoopers LLP for the year ended December 31, 2001, other than the services described above, were \$744,400. These fees included \$106,500 for services rendered in connection with public securities offerings, \$421,800 for tax compliance services, \$180,300 for outsourced internal audit services and \$35,800 for all other services. PricewaterhouseCoopers LLP no longer provides internal audit services to us. These fees do not include \$517,000 for services rendered to our consolidated subsidiary, Kinder Morgan Management, LLC, in connection with its initial public offering of its limited liability company shares in May 2001. Kinder Morgan Energy Partners, L.P. reimbursed Kinder Morgan Management, LLC this \$517,000. The members of our Board of Directors' Audit Committee have considered whether, and believe that, the provision of these services by PricewaterhouseCoopers LLP was compatible with maintaining the independence of PricewaterhouseCoopers LLP.

Report of Audit Committee

Our Board of Directors' Audit Committee is comprised of four "independent" members, as defined under the listing standards of the New York Stock Exchange, and one additional member who is not considered "independent", because that member previously served as the Interim Chairman and Chief Executive Officer of Kinder Morgan, Inc. from July 1999 to October 1999. Our Board of Directors determined to appoint that additional member to the Audit Committee because of that member's background as a financial consultant and senior business advisor and the member's tenure with the Board of Directors since 1993. The Audit Committee acts under a written charter adopted and approved by the Board of Directors on April 20, 2000.

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

The responsibilities of the Audit Committee include recommending to our Board of Directors an accounting firm to be engaged as independent accountants. In addition, the Audit Committee is responsible for recommending to our Board of Directors that the financial statements be included in the Annual Report to stockholders.

In keeping with its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2001 with management. The Audit Committee has also discussed with PricewaterhouseCoopers LLP, the independent accountants, the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU 380), as may be modified or supplemented. The Audit Committee has also received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as may be modified or supplemented, and the Audit Committee has discussed the independence of PricewaterhouseCoopers LLP with that firm.

22

Based on the review and discussions described in the above paragraph, the Audit Committee recommended to our Board of Directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission.

This report is respectfully submitted by the Audit Committee of the Board of Directors.

INDEPENDENT AUDITORS.

In the event stockholders do not ratify the appointment, the selection will be reconsidered by the Audit Committee and our Board of Directors.

ITEM 3 STOCKHOLDER PROPOSAL RELATING TO THE ADOPTION OF AN INDEPENDENT BOARD NOMINATING COMMITTEE POLICY

The International Brotherhood of Electrical Workers' Pension Benefit Fund of 1125 Fifteenth Street, N.W., Washington, D.C., is the holder of 4,200 shares of our common stock and has caused the following proposal to be included in this proxy statement. We are not responsible for the contents of the language of the proposal by the stockholder, which is set out below in italics and between quotation marks. Our Board of Directors unanimously opposes this proposal by the stockholder for the reasons set forth in the Board of Directors' Statement in Opposition to Stockholder Proposal, which follows the stockholder proposal.

Stockholder Proposal

"Resolved, that the shareholders of Kinder Morgan, Inc. ("Company") hereby request that the Company's Board of Directors adopt an Independent Board Nominating Committee Policy that provides for a transition to a Nominating Committee composed entirely of independent directors as Nominating Committee openings occur. For purposes of this resolution, a director would not be considered independent if he or she is currently or during the past five years has been:

23

- o Employed by the Company or an affiliate in an executive capacity;
- o Employed by a firm that is one of the Company's paid advisors or consultants;
- o Employed by a significant customer or supplier;
- o Employed by a tax-exempt organization that receives significant contributions from the Company;
- o Paid by the Company pursuant to any personal services contract with the Company;
- o Serving in an executive capacity or as a director of a corporation on which the Company's chairman or chief executive officer is a board member; or
- o Related to a member of management of the Company.

STATEMENT OF SUPPORT: A board of director's nominating committee is charged with the role of selecting candidates for the corporation's board. The Board of Directors fulfills the vital function of hiring, monitoring, compensating, and, when necessary, replacing senior management. It participates with and oversees management as it first develops and then executes the corporation's strategic plans.

The nominating committee performs the important task of seeking out, interviewing and ultimately recommending new board nominees that will stand for

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

election by the shareholders. The board nominating committee should be composed entirely of directors independent of management who can take the necessary actions to seek, nominate, and present new director candidates to the shareholders. The definition of "independent" director advanced in the resolution will ensure that those members of our Company's Nominating Committee will be totally independent of management and best able to undertake their responsibilities in developing an independent Board focused on the Company's long-term success.

Implementation of this resolution would strengthen the process by which director nominees are selected at our Company. At present, our Company has no Nominating Committee. The full Board of Directors determines nominees. The Board currently has ten directors, including William V. Morgan, Stewart A. Bliss and Richard D. Kinder, none of whom qualify as independent under the definition provided above.

As long-term shareholders, we urge your support of this important corporate governance reform that we believe will contribute to the Company's long-term success."

OUR BOARD OF DIRECTORS' STATEMENT IN OPPOSITION TO STOCKHOLDER PROPOSAL

Our Board of Directors has considered this proposal and believes that it is not in the best interests of our stockholders. Contrary to the stockholder proposal, our Board of Directors believes that there is no correlation between the existence and composition of a Nominating Committee of the Board of Directors and our long-term success. Our Board of Directors believes that our current nomination process, in which our entire Board of Directors participates, is productive and in the best interests of our stockholders.

Our Board of Directors believes that outside, independent directors can serve a valuable role on our Board of Directors and in the nomination process. Eight of the ten current members of our Board of Directors are outside directors, and seven of the ten are independent, as that term is defined in the stockholder proposal and under the rules of the New York Stock Exchange. Of the three directors who do not qualify as independent, only two of them, Mr. Richard D. Kinder as Chairman and Chief Executive Officer and Mr. William V. Morgan as Vice Chairman, are currently our employees and/or executive officers. Messrs. Kinder and Morgan each receive \$1.00 annually in total compensation for their services to us. Mr. Stewart A. Bliss, who served as the interim Chairman and Chief Executive Officer from July to October 1999, is no longer an executive officer of us or affiliated with us in any capacity other than as a director. Under the New York Stock Exchange rules, Mr. Bliss would be considered an independent director in October 2002, three years following the termination of his service as an executive officer of us.

Our Board of Directors believes that the definition of "independent" in the stockholder proposal is significantly more restrictive than that prescribed by the New York Stock Exchange rules. Our Board of Directors believes that it is not in our best interests to adopt a more restrictive definition of "independent" to apply to a Nominating Committee, since adoption of the overly-restrictive definition would unnecessarily prevent the Board of Directors from appointing qualified independent directors to serve on such a committee. If a Nominating Committee were created in accordance with the stockholder proposal, our Chairman and Chief

Edgar Filing: KINDER MORGAN INC - Form DEF 14A

Executive Officer and our Vice Chairman would be excluded from participating in the nomination process, thereby depriving the Board of Directors and us, as a whole, of their extensive knowledge and vast business experience in that process. The effect of the stockholder proposal would be to prevent two individuals, Richard D. Kinder and William V. Morgan, who together owned, as of January 31, 2002, approximately 23% of our outstanding common stock and who have the most comprehensive understanding of our business, from contributing their valuable expertise to the selection of candidates for our Board of Directors with the requisite qualifications and experience. Our Board of Directors believes this result is inappropriate and unlikely to result in any benefit to our stockholders.

The affirmative vote of a majority of the shares of our common stock that are present in person or represented by proxy at the meeting and entitled to vote is necessary for approval of the stockholder proposal. Proxies will be voted against the stockholder proposal unless otherwise specified.

RECOMMENDATION

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "AGAINST" THE STOCKHOLDER PROPOSAL RELATING TO THE ADOPTION OF AN INDEPENDENT BOARD NOMINATING COMMITTEE POLICY.

OTHER MATTERS

As of the date of this proxy statement, we know of no business that will be presented for consideration at the annual meeting other than the items referred to above. If any other matter is properly brought before the meeting for action by stockholders, proxies in the enclosed form returned to us will be voted in accordance with the judgment of the proxy holder.
