CHAIRMAN'S STATEMENT

Dear Fellow Shareholders:

AMVESCAP reported that profit before tax, goodwill amortization and exceptional items for the six months ended June 30, 2004, amounted to L139.5 million (\$252.5 million) compared to L110.9 million (\$183.0 million) for the six months of 2003. Diluted Earnings per share before goodwill amortization and exceptional items amounted to 11.2p (2003: 9.6p). Revenues totaled L577.1 million (\$1,044.6 million) in the first half of 2004 compared to L552.6 million (\$911.8 million) in 2003.

AMVESCAP achieved a solid rise in earnings during the first half of 2004 that was partially obscured by the impact of foreign exchange rates. Our businesses in the U.K., Canada, Europe, and Asia experienced good growth. In the U.S., however, uncertainty surrounding regulatory issues has hindered our full participation in that marketplace, despite the steadily improving performance of our products.

AMVESCAP's efforts to reach a settlement with U.S. regulators continue to progress, and we hope to resolve these matters in the near future. AMVESCAP's Board of Directors has decided to defer a decision on the interim dividend until after a regulatory settlement has been concluded.

NOTES

Note 1.

The taxation charge is estimated based on the total expected tax charge for the year. A significant proportion of the charge is expected to arise from U.S. operations.

Note 2.

Basic earnings per share is based on the weighted average number of ordinary and exchangeable shares outstanding during the respective periods. Diluted earnings per share takes into account the effect of dilutive potential ordinary and exchangeable shares outstanding during the six-month period.

INDEPENDENT REVIEW REPORT TO AMVESCAP PLC

Introduction

We have been instructed by AMVESCAP PLC (the "Group") to review the financial information for the three and six months ended June 30, 2004 which comprises the Group Profit and Loss Account, Group Balance Sheet, Group Cash Flow Statement, Segmental Information and the related notes 1 to 5. We have read the other information contained in the interim report and considered whether it contains any apparent misstatements or material inconsistencies with the financial information.

This report is made solely to the company in accordance with guidance contained in Bulletin 1999/4 'Review of interim financial information' issued by the Auditing Practices Board. To the fullest extent permitted by the law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the conclusions we have formed.

Directors' responsibilities

The interim report, including the financial information contained therein, is the responsibility of, and has been approved by, the directors. Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

Review work performed

We conducted our review in accordance with guidance contained in Bulletin 1999/4 'Review of interim financial information' issued by the Auditing Practices Board for use in the United Kingdom. A review consists principally of making enquiries of group management and applying analytical procedures to the financial information and underlying financial data and, based thereon, assessing whether the accounting policies and presentation have been consistently applied, unless otherwise disclosed. A review excludes audit procedures such as tests of controls and verification of assets, liabilities and transactions. It is substantially less in scope than an audit performed in accordance with United Kingdom Auditing Standards and therefore provides a lower level of assurance than an audit. Accordingly we do not express an audit opinion on the financial information.

Review conclusion

On the basis of our review we are not aware of any material modifications that should be made to the financial information as presented for the three and six months ended June 30, 2004.
