PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS  
April 26, 2002  
-----

This proxy statement is being furnished to stockholders in connection with the solicitation by our board of directors of proxies to be used at the annual meeting to be held at Sully's-Sullivan Warehouse, a banquet facility located at 555 South West Avenue, Kankakee, Illinois, on Friday, April 26, 2002 at 10:00 a.m., or at any adjournments or postponements of the meeting. The accompanying notice of meeting, [color] proxy card and this proxy statement are first being mailed to stockholders on or about March [\_\_], 2002. Certain of the information provided in this proxy statement relates to Kankakee Federal Savings Bank, our wholly owned subsidiary.

The following is information regarding the meeting and the voting process, presented in a question and answer format.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because on March 4, 2002, you owned shares of Kankakee Bancorp's common stock. This proxy statement describes the matters that will be presented for consideration by the stockholders at the annual meeting. It also gives you information concerning the matters to assist you in making an informed decision.

## Edgar Filing: KANKAKEE BANCORP INC - Form PRE 14A

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the form, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

What matters will be voted on at the meeting?

You are being asked to vote on the election of two directors of Kankakee Bancorp for a term expiring in 2005 as well as the ratification of McGladrey & Pullen, LLP as our independent auditors for the 2002 fiscal year. These matters are more fully described in this proxy statement.

How do I vote?

You may vote either by mail or in person at the meeting. To vote by mail, complete and sign the enclosed proxy card and mail it in the enclosed pre-addressed envelope. No postage is required if mailed in the United States. If you mark your proxy card to indicate how you want your shares voted, your shares will be voted as you instruct.

If you sign and return your proxy card but do not mark the form to provide voting instructions, the shares represented by your proxy card will be voted "for" both nominees named in this proxy statement and "for" the ratification of our auditors.

If you want to vote in person, please come to the meeting. We will distribute written ballots to anyone who wants to vote at the meeting. Please note, however, that if your shares are held in the name of your broker (or in what is usually referred to as "street name"), you will need to arrange to obtain a legal proxy from your broker in order to vote in person at the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

What does it mean if I receive more than one [color] proxy card from us?

It means that you have multiple holdings reflected in our stock transfer records and/or in accounts with stockbrokers. Please sign and return ALL [color] proxy cards to ensure that all your shares are voted.

If I hold shares in the name of a broker, who votes my shares?

If you received this proxy statement from your broker, your broker should have given you instructions for directing how your broker should vote your shares. It will then be your broker's responsibility to vote your shares for you in the manner you direct. Please complete, execute and return the proxy card in the envelope provided by your broker.

What if I change my mind after I return my proxy?

If you hold your shares in your own name, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

## Edgar Filing: KANKAKEE BANCORP INC - Form PRE 14A

- . signing another proxy with a later date and returning that proxy to our proxy solicitor;
- . sending notice to us that you are revoking your proxy; or
- . voting in person at the meeting.

If you hold your shares in the name of your broker and desire to revoke your proxy, you will need to contact your broker to revoke your proxy.

How many votes do we need to hold the annual meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the meeting in order to hold the meeting and conduct business.

Shares are counted as present at the meeting if the stockholder either:

- . is present and votes in person at the meeting; or
- . has properly submitted a signed proxy card.

On March 4, 2002, the record date, there were [\_\_\_\_\_] shares of common stock issued and outstanding. Therefore, at least [\_\_\_\_\_] shares need to be present at the annual meeting in order to hold the meeting and conduct business.

What happens if a nominee is unable to stand for re-election?

The board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. You cannot vote for more than two nominees. The board has no reason to believe any nominee will be unable to stand for re-election or serve for his term if re-elected.

2

What options do I have in voting on each of the proposals?

You may vote "for" or "withhold authority to vote for" each nominee for director. You may vote "for," "against" or "abstain" on any other proposal that may properly be brought before the meeting.

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date. The [color] proxy card included with this proxy statement indicates the number of shares owned by an account attributable to you.

How many votes are needed for each proposal?

The two individuals receiving the highest number of votes cast "for" their election will be elected as directors of Kankakee Bancorp.

The ratification of our auditors and all other matters, must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote. Broker non-votes will not be counted as entitled to vote, but will count for purposes of determining whether or not a quorum is present on the matter.

Edgar Filing: KANKAKEE BANCORP INC - Form PRE 14A

Where do I find the voting results of the meeting?

We will announce the results of the voting as soon as possible after the meeting. We will also disclose the voting results in our Form 10-Q for the quarter ended June 30, 2002.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies. We have retained Morrow & Company to assist, as necessary, in the solicitation of proxies, for a fee estimated to be approximately \$40,000 plus reasonable out-of-pocket expenses. In addition to solicitations by mail, officers, directors or employees of Kankakee Bancorp or Kankakee Federal may solicit proxies in person or by telephone. These persons will not receive any special or additional compensation for soliciting proxies. We may reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

### ELECTION OF DIRECTORS

#### General

Our board of directors currently consists of seven members. The board is divided into three classes, each of which contains approximately one-third of the board. One class of directors is elected annually. Our directors are generally elected to serve for a three-year period or until their respective successors are elected and qualified.

The table below sets forth information, as of February 22, 2002, regarding the members of and nominees to our board of directors, including each director's term of office. The board of directors acting as the nominating committee has recommended and approved the nominees identified in the following table. It is intended that the proxies solicited on behalf of the board of directors (other than proxies in which the vote is withheld as to a nominee) will be voted at the annual meeting FOR the election of the nominees identified below. If a nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of a substitute nominee recommended by the board of directors. At this time, we do not know of any reason why any nominee may refuse or be unable to serve as a director, if re-elected. Except as disclosed in the proxy statement, there are no arrangements or understandings between the nominees and any other person pursuant to which a nominee was selected.

The board of directors unanimously recommends that stockholders vote FOR each of the nominees for director.

Section 16(a) of the Securities Exchange Act of 1934 requires that the directors, executive officers and persons who own more than 10% of our common stock file reports of ownership and changes in ownership with the Securities and Exchange Commission and with the exchange on which the shares of common stock are traded. These persons are also required to furnish us with copies of all

## Edgar Filing: KANKAKEE BANCORP INC - Form PRE 14A

Section 16(a) forms they file. Based solely on our review of the copies of such forms furnished to us and, if appropriate, representations made to us by any reporting person concerning whether a Form 5 was required to be filed for 2001, we are not aware of any failures to comply with the filing requirements of Section 16(a) during 2001, with the exception of a late filing reporting a mandatory grant of 400 shares under the bank incentive plan to Brenda L. Baird.

### Meetings and Committees of the Board of Directors

Meetings of our board of directors are generally held on a monthly basis. The board of directors met twelve times during 2001. During 2001, no incumbent director of Kankakee Bancorp attended fewer than 75% of the aggregate of the total number of board meetings and the total number of meetings held by the committees of the board of directors on which he or she served. In 2001, each director of Kankakee Bancorp was paid an annual retainer of \$6,000. In addition, each of our directors who was not a salaried officer was paid a fee of \$100 for each committee meeting attended. Our directors who are also salaried officers are not paid for committee meetings attended.

The board of directors of Kankakee Bancorp has standing executive, audit, long range planning, and stock option and compensation committees.

The executive committee is comprised of Messrs. Cheffer, Huffman, Huber and Walker. The executive committee meets on an as needed basis and exercises the power of the board of directors between board meetings. This committee met twice during 2001.

The audit committee recommends independent auditors to the board, reviews the results of the auditors' services, reviews with management and the internal auditor the systems of internal control and internal audit reports and assures that our books and records are kept in accordance with applicable accounting principles and standards. The members of the audit committee are Messrs. Smith (chairman as of January 1, 2002), Walker and Huber and Ms. Baird. The audit committee of Kankakee Federal has an identical membership to that of Kankakee Bancorp and addresses many of the same issues. Kankakee Bancorp's and Kankakee Federal's audit committees met jointly four times during 2001.

The long range planning committee monitors economic trends, long-range economic forecasts and makes recommendations for Kankakee Bancorp's and Kankakee Federal's long-range business plans. The members of this committee are Messrs. Cheffer, Huber, Huffman, Smith and Stanfa. During 2001 this committee met once. The entire board and the senior management team met jointly one additional time.

The stock option and compensation committee is comprised of Messrs. Huber (chairman) and Walker and Ms. Baird. This committee is responsible for administering our stock option plan and reviews compensation and benefit matters. During 2001 this committee met five times.

The entire board of directors acts as a nominating committee for selecting nominees for election as directors. While our board of directors will consider nominees recommended by stockholders, the board has not actively solicited such nominations. Pursuant to our bylaws, nominations by stockholders must be delivered in writing to the secretary at least 30 days before the date of the annual meeting and must otherwise comply with the provisions of the bylaws.

The Stock Option and Compensation Committee Report on Executive Compensation

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by us shall not be deemed to include the following report unless the report is specifically stated to be incorporated by reference into such document.

The stock option and compensation committee of the board of directors is comprised of three outside directors who are not employees or former employees of Kankakee Bancorp, Kankakee Federal or its predecessors, and is responsible for recommendations to the board for compensation of executive officers of Kankakee Federal and Kankakee Bancorp. At this time, no separate salary is paid by Kankakee Bancorp to its executive officers. However, a portion of the officers' Kankakee Federal salary is allocated to Kankakee Bancorp expense for work

performed by the officers. In determining compensation, the following factors are generally taken into consideration:

- . Kankakee Federal maintains a base salary administration and performance program as well as an incentive plan. The purpose of the program is to provide equitable, competitive and performance-based salaries for all Kankakee Federal employees. The executive officers are reviewed on an annual basis by the president of Kankakee Federal,

## Edgar Filing: KANKAKEE BANCORP INC - Form PRE 14A

who makes compensation recommendations to the committee based upon salary level, performance and adjustments for items such as inflation. Information regarding industry comparisons and adjustments is provided by an independent consulting firm.

- . The performance of the executive officers in achieving the short and long term goals of Kankakee Bancorp is reviewed. Our long range planning committee is responsible for establishing these short and long term goals.
- . Payment of compensation is made commensurate with the ability and expertise of the executive officers.
- . An attempt is made to structure compensation packages so that they are competitive with similar companies.

The stock option and compensation committee considers the foregoing factors, as well as others, in determining compensation. There is no assigned weight given to any of these factors. In addition to salary and other benefits granted, officers may also participate in an incentive program based upon achievement of certain target performance levels.

The committee also considers various benefits which have already been awarded, including those pursuant to Kankakee Federal's incentive plan, our employee stock ownership plan and our stock option plan, together with other perquisites in determining compensation. The committee believes that the benefits provided through the stock based plans more closely tie the compensation of the officers to the interests of the stockholders and provide significant additional performance incentives for the officers which directly benefit the stockholders through an increase in the stock value.

The 2001 compensation of Mr. Huffman, the president and chief executive officer of Kankakee Bancorp, was based upon the salary and performance program, his performance, substantial experience, expertise and length of service with the organization, the performance objectives and the goals of Kankakee Federal and the compensation of officers with similar duties and responsibilities at comparable organizations.

Members of the stock option and compensation committee are:

Charles C. Huber, Chairman  
Wesley E. Walker  
Brenda L. Baird  
Mark L. Smith

In addition, during 2001 no executive officer served on the board of directors or compensation committee of any other corporation with respect to which any member of our compensation committee was engaged as an executed officer.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Directors and officers of Kankakee Bancorp and Kankakee Federal, and their associates, were customers of and had transactions with Kankakee Bancorp and Kankakee Federal during 2001. Additional transactions may be expected to take place in the future. All outstanding loans, commitments to loan, transactions in repurchase agreements and certificates of deposit and depository relationships, in the opinion of management, were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features, except as follows. Pursuant to a program offered to senior officers and certain employees of Kankakee Federal at the time, Ms. Carol S. Hoekstra, a senior vice president of Kankakee Federal, has a first mortgage loan at a rate which is one half percent lower than that offered to the general public at the date of loan origination. The outstanding balance on such loan at December 31, 2001 was approximately \$82,952. As of 1990, this program was discontinued for senior officers.

All loans by Kankakee Federal to its senior officers and directors are subject to Office of Thrift Supervision Regulations. A savings association is generally prohibited from making loans to its senior officers and directors at favorable rates or on terms not comparable to those prevailing to the general public. Kankakee Federal presently does not offer any preferential loans to its senior officers or directors.
