1. The issuance of (i) 3,000,000 shares of the Company s Common Stock, \$.01 par value per share (the Common Stock), to Surebridge, Inc., and (ii) the shares of the Company s Common Stock issuable upon the conversion of convertible promissory notes made by the Company to Surebridge, Inc.; and

2. The amendment of the Company s Amended and Restated 2003 Stock Incentive Plan to increase the maximum number of shares of the Company s Common Stock available for issuance thereunder from 3,800,000 to 6,800,000 shares.

This Information Statement is being mailed on or about June [], 2004, to the Company s stockholders of record as of May 6, 2004 (the Record Date). The Company anticipates that the actions will take effect on June [], 2004.

All share numbers and share prices provided in this Information Statement have been adjusted to reflect all stock splits effected prior to the Record Date, including the 1-for-15 reverse stock split of the Common Stock effected on January 7, 2003.

Reason for the Written Consent

The Surebridge Acquisition

On May 6, 2004, the Company announced that it has signed a definitive asset purchase agreement (the Asset Purchase Agreement) pursuant to which the Company will acquire substantially all of the assets and liabilities of Surebridge, Inc. (Surebridge), a privately held provider of managed application services for mid-market companies. The closing of the acquisition is expected to occur in May 2004 and is subject to the satisfaction of customary closing conditions.

Under the terms of the Asset Purchase Agreement, the Company will acquire substantially all of the assets of Surebridge in exchange for two promissory notes in the aggregate principal amount of \$39.5 million (subject to certain adjustments based on the financials of Surebridge at closing), 3,000,000 shares of Common Stock (the Fixed Shares) and the assumption of certain liabilities of Surebridge at closing.

Table of Contents

The promissory notes to be issued by the Company to Surebridge consist of a Primary Note and an Escrow Note (collectively, the Notes). The Primary Note shall have a principal amount equal to \$39.5 million less the principal amount of the Escrow Note. The Escrow Note shall have a principal amount equal to approximately 12.5% of the value of the aggregate consideration of the transaction and shall be deposited into escrow for the purpose of satisfying indemnification claims by the Company pursuant to the Asset Purchase Agreement.

The Notes accrue interest on the unpaid balance at an annual rate of 10% and shall be paid in full no later than the second anniversary of the closing. No interest shall accrue on any principal paid on the Notes within six months after the closing. In the event that the Company realizes net proceeds in excess of \$1 million from certain equity or debt financings or sales of assets, the Company is obligated to make payments on the Notes equal to 75% of all such net proceeds.

The outstanding principal and accrued interest of the Notes shall be convertible into shares of Common Stock (the Conversion Shares) at the election of the holder (i) at any time following the first anniversary of the closing if the aggregate principal outstanding under the Notes at such time is greater than or equal to \$20 million, (ii) at any time following the 18-month anniversary of the closing if the aggregate principal outstanding under the Notes at such time is greater than or equal to \$10 million, (iii) at any time following the second anniversary of the closing, and (iv) at any time following an event of default thereunder. The conversion price shall be fixed at the average closing price of the Common Stock for the ten-day period ending one day prior to closing.

For a period of one year following the closing of the acquisition, Surebridge shall not sell, transfer, assign, convey, encumber, gift, distribute or otherwise dispose of the Fixed Shares, the Conversion Shares or the Notes; provided, however, if the Company does not make certain payments under the Notes or otherwise suffers an event of default thereunder, Surebridge may sell the Fixed Shares and the Conversion Shares at any time thereafter.

The number of Fixed Shares to be issued to Surebridge at closing is not subject to any adjustments prior to such issuance. The Fixed Shares and the Conversion Shares shall have certain demand and piggyback registration rights pursuant to a Registration Rights Agreement to be entered into by and between the Company and Surebridge.

The Stock Plan Amendment

On May 6, 2004, the Board of Directors of the Company approved, subject to stockholder approval, an amendment (the Stock Plan Amendment) to the Company's Amended and Restated 2003 Stock Incentive Plan, to increase the maximum number of shares of Common Stock pursuant to which the Company may grant stock options and restricted stock awards thereunder from 3,800,000 to 6,800,000 shares.

The Written Consent

On May 6, 2004, Atlantic Investors, LLC, the majority stockholder of the Company (Atlantic Investors), delivered to the Company an executed written consent of stockholders, in the form attached as Appendix I, approving (i) the issuance of the Fixed Shares and the Conversion Shares, and (ii) the Stock Plan Amendment.

Voting and Vote Required

The Company is not seeking consent, authorizations or proxies from you. Section 228 of the Delaware General Corporation Law (Section 228) provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for a meeting. Approval of at least a majority of the outstanding

Table of Contents

shares of Common Stock present and voting on the matter at a meeting would be required to approve each of (i) the issuance of the Fixed Shares and the Conversion Shares, and (ii) the Stock Plan Amendment.

As of the Record Date, the Company had 24,829,228 shares of Common Stock outstanding and entitled to vote. Each share of Common Stock is entitled to one vote. On the Record Date, Atlantic Investors held 17,292,550 shares, or approximately 69.6%, of the Company's Common Stock. Accordingly, the matters approved by Atlantic Investors by written consent on the Record Date have been approved under Section 228 and require no further stockholder action.

Notice Pursuant to Section 228

Pursuant to Section 228, the Company is also required to provide prompt notice of the taking of a corporate action by written consent to the stockholders who have not consented in writing to such action. This Information Statement also serves as the notice required by Section 228.

Dissenters' Rights of Appraisal

The Delaware General Corporation Law does not provide dissenters' rights of appraisal to the Company's stockholders in connection with the matters approved by written consent.

APPROVAL OF THE ISSUANCE OF THE FIXED SHARES AND THE CONVERSION SHARES

The Surebridge Acquisition

On May 6, 2004, the Company announced that it has signed the Asset Purchase Agreement pursuant to which the Company will acquire substantially all of the assets and liabilities of Surebridge, a privately held provider of managed application services for mid-market companies. The closing of the acquisition is expected to occur in May 2004 and is subject to the satisfaction of customary closing conditions. Under the terms of the Asset Purchase Agreement, the Company will acquire substantially all of the assets of Surebridge in exchange for the Notes in the aggregate principal amount of \$39.5 million (subject to certain adjustments based on the financials of Surebridge at closing), the 3,000,000 Fixed Shares and the assumption of certain liabilities of Surebridge at closing.

The Primary Note shall have a principal amount equal to \$39.5 million less the principal amount of the Escrow Note. The Escrow Note shall have a principal amount equal to approximately 12.5% of the value of the aggregate consideration of the transaction and shall be deposited into escrow for the purpose of satisfying indemnification claims by the Company pursuant to the Asset Purchase Agreement. The Notes accrue interest on the unpaid balance at an annual rate of 10% and shall be paid in full no later than the second anniversary of the closing. No interest shall accrue on any principal paid on the Notes within six months after the closing. In the event that the Company realizes net proceeds in excess of \$1 million from certain equity or debt financings or sales of assets, the Company is obligated to make payments on the Notes equal to 75% of all such net proceeds.

Table of Contents

The outstanding principal and accrued interest of the Notes shall be convertible into the Conversion Shares at the election of the holder (i) at any time following the first anniversary of the closing if the aggregate principal outstanding under the Notes at such time is greater than or equal to \$20 million, (ii) at any time following the 18-month anniversary of the closing if the aggregate principal outstanding under the Notes at such time is greater than or equal to \$10 million, (iii) at any time following the second anniversary of the closing, and (iv) at any time following an event of default thereunder. The conversion price shall be fixed at the average closing price of the Common Stock for the ten-day period ending one day prior to closing. Assuming a conversion price of \$5.00, and assuming no prepayments or successful indemnification claims by the Company, the maximum number of Conversion Shares issuable upon conversion of the Notes at the maturity date is approximately 9,480,000 shares.

For a period of one year following the closing of the acquisition, Surebridge shall not sell, transfer, assign, convey, encumber, gift, distribute or otherwise dispose of the Fixed Shares, the Conversion Shares or the Notes; provided, however, if the Company does not make certain payments under the Notes or otherwise suffers an event of default thereunder, Surebridge may sell the Fixed Shares and the Conversion Shares at any time thereafter.

The number of Fixed Shares to be issued to Surebridge at closing is not subject to any adjustments prior to such issuance. The Fixed Shares and the Conversion Shares shall have certain demand and piggyback registration rights pursuant to a Registration Rights Agreement to be entered into by and between the Company and Surebridge.

Nasdaq Stockholder Approval Requirements

The Common Stock is listed on The Nasdaq SmallCap Market. The NASD rules governing Nasdaq require stockholder approval of any issuance of securities (i) in connection with the acquisition of the stock or assets of another company that will or potentially will result in the issuance of shares representing 20% or more of the issuer's outstanding shares of common stock or voting power prior to the issuance of such securities, or (ii) that will or potentially will result in a change of control of the issuer.

Specifically, NASD Rule 4350(i)(1)(C) requires that the issuer of stock in connection with the acquisition of the stock or assets of another company secure stockholder approval prior to an issuance where the issuance or potential issuance of the shares of common stock, or securities convertible into or exercisable for common stock, would result in the issuance of 20% or more of the common stock or voting power of the issuer before the issuance. In addition, NASD Rule 4350(i)(1)(B) requires that the issuer of stock secure stockholder approval prior to an issuance or potential issuance which will result in a change of control of the issuer.

Nasdaq rules do not require stockholder approval of the acquisition of the assets and liabilities of Surebridge by the Company or the issuance of the Fixed Shares or the Notes. However, the potential issuance of the Conversion Shares upon conversion of the Notes, when added to the issuance of the Fixed Shares, would potentially equal or exceed the 20% threshold and could potentially be deemed a change of control of the Company under applicable Nasdaq rules. Therefore, for purposes of the applicable Nasdaq rules, the Company's stockholders approved the issuance of the Fixed Shares and the Conversion Shares prior to any issuance which would equal or exceed the 20% threshold or be deemed a change of control of the Company.

On May 6, 2004, Atlantic Investors delivered to the Company an executed written consent of stockholders approving the issuance of the Fixed Shares and the Conversion Shares. This Information Statement is being sent to all stockholders of the Company as notice that such action has been taken. The Company is not asking that you vote to approve the issuance of the Fixed Shares and the Conversion Shares. Under federal law governing the taking of stockholder action by written consent, stockholder approval of the issuance of the Fixed Shares and the Conversion Shares will be deemed effective 20 days after the mailing of this Information Statement to stockholders of the Company.

Table of Contents**APPROVAL OF THE STOCK PLAN AMENDMENT**

On May 6, 2004, the Board of Directors of the Company approved, subject to stockholder approval, an amendment to the Company's Amended and Restated 2003 Stock Incentive Plan (as amended, the "2003 Plan"), to increase the maximum number of shares of Common Stock pursuant to which the Company may grant stock options and restricted stock awards thereunder from 3,800,000 to 6,800,000 shares. The Board adopted the Stock Plan Amendment because the number of shares currently available under the 2003 Plan is insufficient to satisfy the expected foreseeable future share requirements thereunder. The Board of Directors believes that continued grants of stock options, as well as grants of restricted stock awards, will be an important element in attracting and retaining key employees who are expected to contribute to the Company's growth and success. NaviSite's management relies on stock options as essential parts of the compensation packages necessary for NaviSite to attract and retain experienced officers and employees. As of May 6, 2004 and following approval by the stockholders of the Stock Plan Amendment, 3,016,691 shares were available for issuance under the 2003 Plan. The closing price of NaviSite Common Stock on May 6, 2004 was \$5.20.

Summary of the 2003 Plan

The 2003 Plan was adopted, subject to stockholder approval, by NaviSite's Board of Directors on July 10, 2003, and amended and restated on November 11, 2003 to increase the number of shares of Common Stock available for issuance under such plan from 2,600,000 to 3,800,000. The 2003 Plan was approved by the stockholders of the Company on December 9, 2003 at the Annual Meeting of Stockholders. The 2003 Plan provides for the grant of options that are intended to qualify as incentive stock options within the meaning of Section 422 of the Code, options not intended to qualify as incentive stock options and restricted stock awards (each, an "Award") to NaviSite's employees, officers and directors, consultants or advisors. Incentive stock options may be granted only to employees of NaviSite. A maximum of 6,800,000 shares of Common Stock are eligible for issuance under the 2003 Plan upon the exercise of options or in connection with Awards. If any Award expires, or is terminated, surrendered or canceled without having been fully exercised or forfeited, in whole or in part (including as a result of shares of Common Stock being repurchased by NaviSite at the original issue price pursuant to a contractual repurchase right), or results in the Common Stock not being issued, the unissued Common Stock covered by such Award shall again be available for the grant of Awards under the 2003 Plan.

As of May 6, 2004, approximately 397 persons were eligible to receive Awards under the 2003 Plan, including the Company's five executive officers and three non-employee directors. The granting of Awards under the 2003 Plan is discretionary, and the Company cannot now determine the number or type of Awards to be granted in the future to any particular person or group of persons. The following table summarizes options awarded under the 2003 Plan as of May 6, 2004 to designated individuals and groups since the adoption of the 2003 Plan in July 2003:

Name and Principal Position	Number of Options Granted
Arthur P. Becker Chief Executive Officer and President	460,000
Gabriel Ruhan Chief Operating Officer	460,000
Patricia Gilligan Former Chief Executive Officer	
Kevin H. Lo Former Chief Financial Officer and Former Senior Vice President of Finance and Strategy	
Current Executive Officers, as a group	1,160,000
Current Non-Executive Officer Directors, as a group	170,000

Table of Contents

The purpose of the 2003 Plan is to provide Awards to employees, officers, directors, consultants and advisors of NaviSite and its present or future parent or subsidiary corporations (each a Participant), all of whom are eligible to receive Awards under the 2003 Plan. A copy of the 2003 Plan is attached to this Information Statement as Appendix II. The following is a summary of the 2003 Plan and should be read together with the 2003 Plan. The summary is qualified in its entirety by reference to the 2003 Plan.

Administration. The 2003 Plan is administered by the Board of Directors. The Board of Directors has the power to grant Awards and to adopt, amend and repeal such administrative rules, guidelines and practices relating to the 2003 Plan as it may deem advisable. The Board of Directors may correct any defect, supply any omission or reconcile any inconsistency in the 2003 Plan or any Award in the manner and to the extent it shall deem expedient to carry the 2003 Plan into effect and it shall be the sole and final judge of such expediency. All decisions by the Board shall be made in the Board's sole discretion and shall be final and binding on all persons having or claiming any interest in the Plan or in any Award. The Board may delegate its powers to one or more committees of the Board or to one or more executive officers of NaviSite (provided, that the Board of Directors shall fix the terms of the Awards granted by the executive officer and the maximum number of shares that the executive officer may grant and that no executive officer shall have the power to grant Awards to another executive officer (as defined in Rule 3b-7 of the Exchange Act, or to any officer (as defined in Rule 16a-1 of the Exchange Act) of NaviSite).

Per-Participant Limit. No Participant may be granted Awards during any one calendar year to purchase more than 650,000 shares of Common Stock.

Exercise Price. The Board establishes the exercise price at the time each option is granted.

Exercise of Options. Each option granted under the 2003 Plan shall either be fully exercisable at the time of grant or shall become exercisable in such installments as the Board may specify. Once an installment becomes exercisable it shall remain exercisable until expiration or termination of the option, unless otherwise specified by the Board. Each option or installment may be exercised at any time or from time to time, in whole or in part, for up to the total number of shares with respect to which it is then exercisable. During the Participant's lifetime, Awards may be exercised only by the Participant.

Payment for Exercise of Options. Payment for the exercise of options under the 2003 Plan may be made by one or any combination of the following forms of payment (a) by cash or check payable to the order of NaviSite; (b) except as otherwise explicitly provided in the applicable option agreement, by delivery of an irrevocable and unconditional undertaking by a creditworthy broker to deliver promptly to NaviSite sufficient funds to pay the exercise price or any required tax withholding, or delivery by the Participant to NaviSite of a copy of irrevocable and unconditional instructions to a creditworthy broker to deliver promptly to NaviSite cash or a check sufficient to pay the exercise price and any required tax withholding; (c) when the Common Stock is registered under the Exchange Act, by delivery of shares of Common Stock owned by the Participant valued at fair market value (as determined by or in a manner approved by the Board) provided that such method of payment is then permitted by law and such Common Stock, if acquired directly from NaviSite, was owned by the Participant for at least six months; or (d) to the extent permitted by the Board, (x) by delivery of a promissory note of the Participant to NaviSite (on terms determined by the Board) or (y) payment of such other lawful consideration as the Board may determine.

Transferability. Except as otherwise provided in the applicable option agreement, options are not transferable except by will or by the laws of descent and distribution.

Restricted Stock. The Board may grant Awards entitling recipients to acquire shares of Common Stock, subject to the right of NaviSite to repurchase all or part of such shares at their issue price or other stated or formula price from the Participant in the event that conditions specified by the Board in the applicable Award are not satisfied prior to the end of the applicable restriction period or periods established by the Board for such Award.

Table of Contents

Acquisition of NaviSite. Upon the occurrence of a Reorganization Event (as defined below) or the execution by NaviSite of any agreement with respect to any Reorganization event, the Board shall provide that all outstanding options outstanding under the 2003 Plan shall be assumed, or equivalent options shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof). If the acquiring or succeeding corporation (or an affiliate thereof) does not agree to assume, or substitute for, such options, then all then unexercised options will become exercisable in full as of a time specified by the Board prior to the Reorganization Event and will terminate immediately prior to the consummation of such Reorganization Event; provided, however, that in the event of a Reorganization Event under the terms of which holders of Common Stock will receive a cash payment for each share of Common Stock surrendered pursuant to such Reorganization Event (the Acquisition Price), then the Board may instead provide that all outstanding options outstanding under the 2003 Plan shall terminate upon consummation of such Reorganization Event and that each optionholder shall receive, in exchange therefor, a cash payment equal to the amount (if any) by which (A) the Acquisition Price multiplied by the number of shares of Common Stock subject to such outstanding options (whether or not then exercisable), exceeds (B) the aggregate exercise price of such options.

Upon the occurrence of a Reorganization Event, the repurchase and other rights of NaviSite under each outstanding restricted stock award shall inure to the benefit of NaviSite's successor and shall apply to the cash, securities or other property which the Common Stock was converted into or exchanged for pursuant to such Reorganization Event in the same manner and to the same extent as they applied to the Common Stock subject to such restricted stock award. Reorganization Event is defined in the 2003 Plan as follows: (a) any merger or consolidation of NaviSite with or into another entity as a result of which all of the Common Stock of NaviSite is converted into or exchanged for the right to receive cash, securities or other property or (b) any exchange of all of the Common Stock of NaviSite for cash, securities or other property pursuant to a share exchange transaction.

Effect of Termination, Disability or Death. The Board determines the effect on an Award of the disability, death, retirement, authorized leave of absence or other change in the employment or other status of a Participant and the extent to which, and the period during which, the Participant, or the Participant's legal representative, conservator, guardian or designated beneficiary, may exercise rights under the Award.

Amendment of Award. The Board of Directors may amend, modify or terminate any outstanding Award, including but not limited to, by substituting therefor another Award of the same or a different type, changing the date of exercise or realization, and converting an ISO (as defined below) to a non-qualified stock option, provided that the Participant's consent to such action shall be required unless the Board of Directors determines that the action, taking into account any related action, would not materially and adversely affect the Participant.

Termination and Amendment of Plan. The Board may amend, suspend or terminate the 2003 Plan or any portion thereof at any time. Unless terminated sooner, no Awards may be granted under the 2003 Plan after July 9, 2013, but Awards previously granted may extend beyond that date.

United States Federal Income Tax Consequences

THE FOLLOWING DISCUSSION OF UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE ISSUANCE AND EXERCISE OF OPTIONS GRANTED UNDER THE 2003 PLAN IS BASED UPON THE PROVISIONS OF THE INTERNAL REVENUE CODE AS IN EFFECT ON THE DATE OF THIS INFORMATION STATEMENT, CURRENT REGULATIONS, AND EXISTING ADMINISTRATIVE RULINGS OF THE INTERNAL REVENUE SERVICE. THIS DISCUSSION IS NOT INTENDED TO BE A COMPLETE DISCUSSION OF ALL OF THE UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE 2003 PLAN OR OF THE REQUIREMENTS THAT MUST BE MET IN ORDER TO QUALIFY FOR THE DESCRIBED TAX TREATMENT.

Table of Contents

Incentive Stock Options (ISOs). The following general rules are applicable under current United States federal income tax law to ISOs granted under the 2003 Plan:

1. In general, an optionee will not recognize any taxable income upon the grant of an ISO or upon the issuance of shares to him or her upon the exercise of an ISO, and NaviSite will not be entitled to a federal income tax deduction upon either the grant or the exercise of an ISO.
2. If shares acquired upon exercise of an ISO are not disposed of within (i) two years from the date the ISO was granted or (ii) one year from the date the shares are issued to the optionee pursuant to the exercise of the ISO (the Holding Periods), the difference between the amount realized on any subsequent disposition of the shares and the exercise price generally will be treated as capital gain or loss to the optionee.
3. If shares acquired upon exercise of an ISO are disposed of and the optionee does not satisfy the Holding Periods (a Disqualifying Disposition), then in most cases the lesser of (i) any excess of the fair market value of the shares at the time of exercise of the ISO over the exercise price or (ii) the actual gain on disposition, will be treated as compensation to the optionee and will be taxed as ordinary income in the year of such disposition.
4. The difference between the amount realized by an optionee as the result of a Disqualifying Disposition and the sum of (i) the exercise price and (ii) the amount of ordinary income recognized under the above rules generally will be treated as capital gain or loss to the optionee.
5. In any year that an optionee recognizes ordinary income on a Disqualifying Disposition of shares acquired upon exercise of an ISO, NaviSite generally will be entitled to a corresponding federal income tax deduction.
6. An optionee may be entitled to exercise an ISO by delivering shares of NaviSite Common Stock to NaviSite in payment of the exercise price, if the optionee s ISO agreement so provides. If an optionee exercises an ISO in such fashion, special rules will apply.
7. In addition to the tax consequences described above, the exercise of an ISO may result in an alternative minimum tax to the optionee. In general, the amount by which the fair market value of the shares received upon exercise of the ISO exceeds the exercise price is included in the optionee s alternative minimum taxable income. A taxpayer is required to pay the greater of his regular tax liability or the alternative minimum tax. A taxpayer who pays alternative minimum tax attributable to the exercise of an ISO may be entitled to a tax credit against his or her regular tax liability in later years.
8. Capital gain or loss recognized by an optionee on a disposition of shares will be long-term capital gain or loss if the optionee s holding period for the shares exceeds one year.
9. Special rules apply if the shares acquired upon the exercise of an ISO are subject to vesting, or are subject to certain reporting requirements and restrictions on resale under federal securities laws applicable to directors, certain officers or 10% stockholders.

Non-Qualified Options. The following general rules are applicable under current United States federal income tax law to Non-Qualified Options granted under the 2003 Plan:

1. In general, an optionee will not recognize any taxable income upon the grant of a Non-Qualified Option, and NaviSite will not be entitled to a federal income tax deduction upon such grant.
2. An optionee generally will recognize ordinary income at the time of exercise of the Non-Qualified Option in an amount equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price. NaviSite may be required to withhold tax on this amount.
3. When an optionee sells the shares acquired upon the exercise of a Non-Qualified Option, he or she generally will recognize capital gain or loss in an amount equal to the difference between the amount realized upon the sale of the shares and his or her basis in the shares (generally, the

Table of Contents

exercise price plus the amount taxed to the optionee as ordinary income). If the optionee's holding period for the shares exceeds one year, such gain or loss will be a long-term capital gain or loss.

4. When an optionee recognizes ordinary income attributable to a Non-Qualified Option, NaviSite generally should be entitled to a corresponding federal income tax deduction.
5. An optionee may be entitled to exercise a Non-Qualified Option by delivering shares of NaviSite Common Stock to NaviSite in payment of the exercise price, if the optionee's option agreement so provides. If an optionee exercises a Non-Qualified Option in such fashion, special rules will apply.
6. Special rules apply if the shares acquired upon the exercise of a Non-Qualified Option are subject to vesting, or are subject to certain reporting requirements and restrictions on resale under federal securities laws applicable to directors, certain officers or 10% stockholders.

Restricted Stock Awards. The following general rules are applicable under current United States federal income tax law to Awards comprised of restricted Common Stock under the 2003 Plan:

Persons receiving restricted Common Stock under the under the 2003 Plan pursuant to Awards generally will not recognize taxable income upon the grant of the Award, unless the Participant makes an election under Section 83(b) of the Code (an 83(b) Election). SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information as of April 30, 2004 (unless otherwise indicated), with respect to the beneficial ownership of Common Stock by the following:

each person known by the Company to beneficially own more than 5% of the outstanding shares of Common Stock;

each of the Company's directors;

each of the Named Executive Officers (as defined below under the heading "Executive Compensation"); and

all of the current executive officers and directors as a group.

For purposes of the following table, beneficial ownership is determined in accordance with the rules promulgated by the Securities and Exchange Commission and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the respective tables, the Company believes that each person or entity named in the tables has sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned by them (or shares such power with his or her spouse). Under such rules, shares of Common Stock issuable under options that are currently exercisable or exercisable within 60 days after April 30, 2004 ("Presently Exercisable Options") are deemed outstanding and are included in the number of shares beneficially owned by a person named in the table and are used to compute the percentage ownership of that person. These shares are not, however, deemed outstanding for computing the percentage ownership of any other person or entity. Unless otherwise indicated, the address of each person listed in the table is c/o NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810. The percentage ownership of Common Stock of each person or entity named in the following table is based on 24,829,228 shares of Common Stock outstanding as of April 30, 2004 plus any shares subject to Presently Exercisable Options held by such person.

These numbers are calculated based on rules of the SEC and do not represent NaviSite's estimate or projection of future stock prices. The actual amount a Named Executive Officer may realize, if any, will depend upon the future performance of NaviSite Common Stock and the optionholder's continued employment with NaviSite through the vesting period. Accordingly, the potential realizable values reflected in the table may not be achieved. NaviSite has never granted any stock appreciation rights.

Common Stock it held in NaviSite to its equityholders. As a result of such distribution, Atlantic Investors is now the holder of a majority of our outstanding stock. As of May 6, 2004, Atlantic Investors and its affiliates owned, directly or indirectly, approximately 69.6% of the outstanding capital stock of NaviSite. Compensation Committee Report

This report discusses the Compensation Committee's compensation objectives and policies with respect to NaviSite's executive officers. The report reviews the compensation of senior executive officers as a group for the last fiscal year and, specifically, the compensation of Arthur P. Becker, NaviSite's Chief Executive Officer.

Compensation Philosophy. NaviSite's executive compensation program has three objectives: (i) to align the interests of its executive officers with the interests of NaviSite's stockholders by basing a significant portion of an executive's compensation on NaviSite's performance; (ii) to attract and retain highly talented and productive executives; and (iii) to provide incentives for superior performance by NaviSite's executives. To achieve these objectives, the Compensation Committee has crafted a program that consists of base salary, short-term incentive compensation in the form of a bonus, and long-term incentive compensation in the form of stock options. These compensation elements are in addition to the general benefit programs that are offered to all of NaviSite's employees.

The Compensation Committee reviews NaviSite's executive compensation program annually. In its review, the Compensation Committee assesses the competitiveness of NaviSite's executive compensation program and reviews NaviSite's performance for the previous fiscal year. In future years, the Compensation Committee will gauge the success of the compensation program in achieving its objectives in the previous year and will consider NaviSite's overall performance objectives. Each element of NaviSite's executive compensation program is discussed below.

Benefits. The Compensation Committee believes that NaviSite must offer a competitive benefits program to attract and retain key executives. NaviSite provides the same medical and other benefits to its executive officers that are generally available to its other employees. Senior executives, along with all eligible employees of NaviSite, may also choose to participate in NaviSite's 401(k) plan.

Long-Term Incentive Compensation. The Compensation Committee believes that placing a portion of an executive's total compensation in the form of stock options achieves three objectives: (i) it aligns the interest of NaviSite's executives directly with those of NaviSite's stockholders; (ii) it gives executives a significant long-term interest in NaviSite's success; and (iii) it helps NaviSite retain key executives. In determining the number and terms of options to grant an executive, the Compensation Committee will primarily consider subjectively the executive's past performance and the degree to which an incentive for long-term performance would benefit NaviSite.

Compensation of the Chief Executive Officer. The Compensation Committee believes that the compensation of the Chief Executive Officer is consistent with NaviSite's general policies concerning executive compensation and is appropriate in light of NaviSite's financial objectives and performance. Awards of intermediate and long-term incentive compensation to the Chief Executive Officer are considered concurrently with awards to other executive officers and follow the same general policies as such other intermediate and long-term incentive awards.

Mr. Becker has served as a director of NaviSite since September 11, 2002 and became its Chief Executive Officer and President in February 2003. Mr. Becker's base salary for the portion of the last fiscal year during which he served as Chief Executive Officer was at a rate of \$275,000 per year. In July 2003, Mr. Becker also received an option to acquire 40,000 shares of NaviSite Common Stock at an exercise price of \$2.55 per share. Mr. Becker's compensation was designed to align his interests with those of NaviSite's stockholders by tying the value of the stock option award and his eligibility for periodic cash

Table of Contents

bonuses to the success of his efforts towards building NaviSite's management team, business and infrastructure and improving the operating and financial performance of NaviSite. The Compensation Committee believes that Mr. Becker's compensation has been consistent with the Compensation Committee's compensation philosophy.

During NaviSite's last fiscal year, under the leadership of Mr. Becker, NaviSite successfully executed its business plan and stabilized its business. Operationally, during fiscal year 2003, NaviSite experienced a significant transition, including the acquisitions discussed in "Certain Relationships and Related Transactions" and a balance sheet restructuring, to position NaviSite among the leaders in the outsourced hosting and managed application services market. NaviSite also expanded its service offerings and diversified its customer base, while at the same time implemented an operational plan that should bring costs more in line with projected revenue growth.

Policy on Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally disallows a federal income tax deduction to public companies for certain compensation over \$1,000,000 paid to a company's chief executive officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. The Compensation Committee intends to review the potential effects of Section 162(m) periodically and intends to structure NaviSite's stock option grants and certain other equity-based awards in a manner that is intended to avoid disallowances under Section 162(m) of the Code unless the Compensation Committee believes that such compliance would not be in the best interest of NaviSite or its stockholders.

His agreement is for a continuous term, but subject to the provisions described below, may be terminated by either party at any time. Pursuant to this agreement, Mr. Becker is entitled to receive:

a base salary, currently \$275,000 per year, which is reviewed by our Board of Directors annually (but no more frequently than annually);

fringe benefits, including stock options and health insurance and other benefits available to our employees.

If Mr. Becker's employment is terminated (i) by reason of death or disability, (ii) by NaviSite with cause or (iii) due to his voluntarily resignation, then he will receive no additional salary or benefits other than what has accrued through the date of termination.

If Mr. Becker's employment is terminated without cause and he signs a general release of known and unknown claims in a form satisfactory to NaviSite, Mr. Becker will receive severance payments at his final base salary rate, less applicable withholding, until the earlier of (i) six months after the date of his termination without cause, or (ii) the date on which he first commences other employment.

In connection with the termination of their employment with us, each of Ms. Gilligan and Mr. Lo entered into a Severance Agreement and General Release which provided for the following in exchange for the general release of all claims against NaviSite and related parties:

Ms. Gilligan received a severance payment of \$275,000, plus \$1,756 to cover certain health benefits.

Mr. Lo received a severance payment of \$200,000, plus \$1,000 to cover certain health benefits and a vacation payout of \$9,615.

2003 STOCK INCENTIVE PLAN

1. Purpose

The purpose of this Amended and Restated 2003 Stock Incentive Plan (the **Plan**) of NaviSite, Inc., a Delaware corporation (the **Company**), is to advance the interests of the **Company's** stockholders by enhancing the **Company's** ability to attract, retain and motivate persons who make (or are expected to make) important contributions to the **Company** by providing such persons with equity ownership opportunities and performance-based incentives and thereby better aligning the interests of such persons with those of the **Company's** stockholders. Except where the context otherwise requires, the term **Company** shall include any of the **Company's** present or future parent or subsidiary corporations as defined in Sections 424(e) or (f) of the Internal Revenue Code of 1986, as amended, and any regulations promulgated thereunder (the **Code**) and any other business venture (including, without limitation, joint venture or limited liability company) in which the **Company** has a controlling interest, as determined by the Board of Directors of the **Company** (the **Board**).

2. Eligibility

All of the **Company's** employees, officers, directors, consultants and advisors are eligible to be granted options or restricted stock awards (each, an **Award**) under the **Plan**. Each person who has been granted an **Award** under the **Plan** shall be deemed a **Participant**.

3. Administration and Delegation

(a) **Administration by Board of Directors.** The **Plan** will be administered by the **Board**. The **Board** shall have authority to grant **Awards** and to adopt, amend and repeal such administrative rules, guidelines and practices relating to the **Plan** as it shall deem advisable. The **Board** may correct any defect, supply any omission or reconcile any inconsistency in the **Plan** or any **Award** in the manner and to the extent it shall deem expedient to carry the **Plan** into effect and it shall be the sole and final judge of such expediency. All decisions by the **Board** shall be made in the **Board's** sole discretion and shall be final and binding on all persons having or claiming any interest in the **Plan** or in any **Award**. No director or person acting pursuant to the authority delegated by the **Board** shall be liable for any action or determination relating to or under the **Plan** made in good faith.

(b) **Appointment of Committees.** To the extent permitted by applicable law, the **Board** may delegate any or all of its powers under the **Plan** to one or more committees or subcommittees of the **Board** (a **Committee**). All references in the **Plan** to the **Board** shall mean the **Board** or a **Committee** of the **Board** or the executive officers referred to in Section 3(c) to the extent that the **Board's** powers or authority under the **Plan** have been delegated to such **Committee** or executive officers.

(c) **Delegation to Executive Officers.** To the extent permitted by applicable law, the **Board** may delegate to one or more executive officers of the **Company** the power to grant **Awards** to employees or officers of the **Company** or any of its present or future subsidiary corporations and to exercise such other powers under the **Plan** as the **Board** may determine, provided that the **Board** shall fix the terms of the **Awards** to be granted by such executive officers (including the exercise price of such **Awards**, which may include a formula by which the exercise price will be determined) and the maximum number of shares subject to **Awards** that the executive officers may grant; provided further, however, that no executive officer shall be authorized to grant **Awards** to any executive officer of the **Company** (as defined by Rule 3b-7 under the Securities Exchange Act of 1934, as amended (the **Exchange Act**)) or to any officer of the **Company** (as defined by Rule 16a-1 under the **Exchange Act**).

4. Stock Available for Awards

(a) Number of Shares. Subject to adjustment under Section 7, Awards may be made under the Plan for up to 3,800,000 shares of common stock, \$.01 par value per share, of the Company (the Common Stock). If any Award expires or is terminated, surrendered or canceled without having been fully exercised or is forfeited in whole or in part (including as the result of shares of Common Stock subject to such Award being repurchased by the Company at the original issuance price pursuant to a contractual repurchase right) or results in any Common Stock not being issued, the unused Common Stock covered by such Award shall again be available for the grant of Awards under the Plan, subject, however, in the case of Incentive Stock Options (as hereinafter defined), to any limitations under the Code. Shares issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares.

(b) Per-Participant Limit. Subject to adjustment under Section 7, the maximum number of shares of Common Stock with respect to which Awards may be granted to any Participant under the Plan shall be 650,000 per calendar year. The per-Participant limit described in this Section 4(b) shall be construed and applied consistently with Section 162(m) of the Code (Section 162(m)).

5. Stock Options

(a) General. The Board may grant options to purchase Common Stock (each, an Option) and determine the number of shares of Common Stock to be covered by each Option, the exercise price of each Option and the conditions and limitations applicable to the exercise of each Option, including conditions relating to applicable federal or state securities laws, as it considers necessary or advisable. An Option which is not intended to be an Incentive Stock Option (as hereinafter defined) shall be designated a Nonstatutory Stock Option .

(b) Incentive Stock Options. An Option that the Board intends to be an incentive stock option as defined in Section 422 of the Code (an Incentive Stock Option) shall only be granted to employees of NaviSite, Inc., any of NaviSite, Inc.'s present or future parent or subsidiary corporations as defined in Sections 424(e) or (f) of the Code, and any other entities the employees of which are eligible to receive Incentive Stock Options under the Code, and shall be subject to and shall be construed consistently with the requirements of Section 422 of the Code. The Company shall have no liability to a Participant, or any other party, if an Option (or any part thereof) that is intended to be an Incentive Stock Option is not an Incentive Stock Option.

(c) Exercise Price. The Board shall establish the exercise price at the time each Option is granted and specify it in the applicable option agreement.

(d) Duration of Options. Each Option shall be exercisable at such times and subject to such terms and conditions as the Board may specify in the applicable option agreement.

(e) Exercise of Option. Options may be exercised by delivery to the Company of a written notice of exercise signed by the proper person or by any other form of notice (including electronic notice) approved by the Board together with payment in full as specified in Section 5(f) for the number of shares for which the Option is exercised.

(f) Payment Upon Exercise. Common Stock purchased upon the exercise of an Option granted under the Plan shall be paid for as follows:

(1) in cash or by check, payable to the order of the Company;

(2) except as the Board may, in its sole discretion, otherwise provide in an option agreement, by (i) delivery of an irrevocable and unconditional undertaking by a creditworthy broker to deliver promptly to the Company sufficient funds to pay the exercise price and any required tax withholding or (ii) delivery by the Participant to the Company of a copy of irrevocable and unconditional instructions to a creditworthy broker to deliver promptly to the Company cash or a check sufficient to pay the exercise price and any required tax withholding;

(3) when the Common Stock is registered under the Securities Exchange Act of 1934 (the Exchange Act), by delivery of shares of Common Stock owned by the Participant valued at their fair market value as determined by (or in a manner approved by) the Board in good faith (Fair Market Value), provided (i) such method of payment is then permitted under applicable law and (ii) such Common Stock, if acquired directly from the Company was owned by the Participant at least six months prior to such delivery;

(4) to the extent permitted by the Board, in its sole discretion by (i) delivery of a promissory note of the Participant to the Company on terms determined by the Board, or (ii) payment of such other lawful consideration as the Board may determine; or

(5) by any combination of the above permitted forms of payment.

(g) Substitute Options. In connection with a merger or consolidation of an entity with the Company or the acquisition by the Company of property or stock of an entity, the Board may grant Options in substitution for any options or other stock or stock-based awards granted by such entity or an affiliate thereof. Substitute Options may be granted on such terms as the Board deems appropriate in the circumstances, notwithstanding any limitations on Options contained in the other sections of this Section 5 or in Section 2.

6. Restricted Stock

(a) Grants. The Board may grant Awards entitling recipients to acquire shares of Common Stock, subject to the right of the Company to repurchase all or part of such shares at their issue price or other stated or formula price (or to require forfeiture of such shares if issued at no cost) from the recipient in the event that conditions specified by the Board in the applicable Award are not satisfied prior to the end of the applicable restriction period or periods established by the Board for such Award (each, a Restricted Stock Award).

(b) Terms and Conditions. The Board shall determine the terms and conditions of any such Restricted Stock Award, including the conditions for repurchase (or forfeiture) and the issue price, if any.

(c) Stock Certificates. Any stock certificates issued in respect of a Restricted Stock Award shall be registered in the name of the Participant and, unless otherwise determined by the Board, deposited by the Participant, together with a stock power endorsed in blank, with the Company (or its designee). At the expiration of the applicable restriction periods, the Company (or such designee) shall deliver the certificates no longer subject to such restrictions to the Participant or if the Participant has died, to the beneficiary designated, in a manner determined by the Board, by a Participant to receive amounts due or exercise rights of the Participant in the event of the Participant s death (the Designated Beneficiary). In the absence of an effective designation by a Participant, Designated Beneficiary shall mean the Participant s estate.

7. Adjustments for Changes in Common Stock and Certain Other Events

(a) Changes in Capitalization. In the event of any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off or other similar change in capitalization or event, or any distribution to holders of Common Stock other than a normal cash dividend, (i) the number and class of securities available under this Plan, (ii) the per-Participant limit set forth in Section 4(b), (iii) the number and class of securities and exercise price per share subject to each outstanding Option, and (iv) the repurchase price per share subject to each outstanding Restricted Stock Award shall be appropriately adjusted by the Company (or substituted Awards may be made, if applicable) to the extent the Board shall determine, in good faith, that such an adjustment (or substitution) is necessary and appropriate. If this Section 7(a) applies and Section 7(c) also applies to any event, Section 7(c) shall be applicable to such event, and this Section 7(a) shall not be applicable.

(b) Liquidation or Dissolution. In the event of a proposed liquidation or dissolution of the Company, the Board shall upon written notice to the Participants provide that all then unexercised Options will

Table of Contents

(i) become exercisable in full as of a specified time at least 10 business days prior to the effective date of such liquidation or dissolution and
(ii) terminate effective upon such liquidation or dissolution, except to the extent exercised before such effective date. The Board may specify the effect of a liquidation or dissolution on any Restricted Stock Award granted under the Plan at the time of the grant.

(c) Reorganization Events

(1) Definition. A Reorganization Event shall mean: (a) any merger or consolidation of the Company with or into another entity as a result of which all of the Common Stock of the Company is converted into or exchanged for the right to receive cash, securities or other property or
(b) any exchange of all of the Common Stock of the Company for cash, securities or other property pursuant to a share exchange transaction.

(2) Consequences of a Reorganization Event on Options. Upon the occurrence of a Reorganization Event, or the execution by the Company of any agreement with respect to a Reorganization Event, the Board shall provide that all outstanding Options shall be assumed, or equivalent options shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof). For purposes hereof, an Option shall be considered to be assumed if, following consummation of the Reorganization Event, the Option confers the right to purchase, for each share of Common Stock subject to the Option immediately prior to the consummation of the Reorganization Event, the consideration (whether cash, securities or other property) received as a result of the Reorganization Event by holders of Common Stock for each share of Common Stock held immediately prior to the consummation of the Reorganization Event (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided, however, that if the consideration received as a result of the Reorganization Event is not solely common stock of the acquiring or succeeding corporation (or an affiliate thereof), the Company may, with the consent of the acquiring or succeeding corporation, provide for the consideration to be received upon the exercise of Options to consist solely of common stock of the acquiring or succeeding corporation (or an affiliate thereof) equivalent in fair market value to the per share consideration received by holders of outstanding shares of Common Stock as a result of the Reorganization Event.

Notwithstanding the foregoing, if the acquiring or succeeding corporation (or an affiliate thereof) does not agree to assume, or substitute for, such Options, then the Board shall, upon written notice to the Participants, provide that all then unexercised Options will become exercisable in full as of a specified time prior to the Reorganization Event and will terminate immediately prior to the consummation of such Reorganization Event, except to the extent exercised by the Participants before the consummation of such Reorganization Event; provided, however, that in the event of a Reorganization Event under the terms of which holders of Common Stock will receive upon consummation thereof a cash payment for each share of Common Stock surrendered pursuant to such Reorganization Event (the Acquisition Price), then the Board may instead provide that all outstanding Options shall terminate upon consummation of such Reorganization Event and that each Participant shall receive, in exchange therefor, a cash payment equal to the amount (if any) by which (A) the Acquisition Price multiplied by the number of shares of Common Stock subject to such outstanding Options (whether or not then exercisable), exceeds (B) the aggregate exercise price of such Options. To the extent all or any portion of an Option becomes exercisable solely as a result of the first sentence of this paragraph, upon exercise of such Option the Participant shall receive shares subject to a right of repurchase by the Company or its successor at the Option exercise price. Such repurchase right (1) shall lapse at the same rate as the Option would have become exercisable under its terms and (2) shall not apply to any shares subject to the Option that were exercisable under its terms without regard to the first sentence of this paragraph.

(3) Consequences of a Reorganization Event on Restricted Stock Awards. Upon the occurrence of a Reorganization Event, the repurchase and other rights of the Company under each outstanding Restricted Stock Award shall inure to the benefit of the Company's successor and shall apply to the cash, securities or other property which the Common Stock was converted into or exchanged for pursuant to such

Table of Contents

Reorganization Event in the same manner and to the same extent as they applied to the Common Stock subject to such Restricted Stock Award.

8. General Provisions Applicable to Awards

(a) Transferability of Awards. Except as the Board may otherwise determine or provide in an Award, Awards shall not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution, and, during the life of the Participant, shall be exercisable only by the Participant. References to a Participant, to the extent relevant in the context, shall include references to authorized transferees.

(b) Documentation. Each Award shall be evidenced in such form (written, electronic or otherwise) as the Board shall determine. Each Award may contain terms and conditions in addition to those set forth in the Plan.

(c) Board Discretion. Except as otherwise provided by the Plan, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award need not be identical, and the Board need not treat Participants uniformly.

(d) Termination of Status. The Board shall determine the effect on an Award of the disability, death, retirement, authorized leave of absence or other change in the employment or other status of a Participant and the extent to which, and the period during which, the Participant, the Participant's legal representative, conservator, guardian or Designated Beneficiary may exercise rights under the Award.

(e) Withholding. Each Participant shall pay to the Company, or make provision satisfactory to the Board for payment of, any taxes required by law to be withheld in connection with Awards to such Participant no later than the date of the event creating the tax liability. Except as the Board may otherwise provide in an Award, when the Common Stock is registered under the Exchange Act, Participants may satisfy such tax obligations in whole or in part by delivery of shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value; provided, however, that the total tax withholding where stock is being used to satisfy such tax obligations cannot exceed the Company's minimum statutory withholding obligations (based on minimum statutory withholding rates for federal and state tax purposes, including payroll taxes, that are applicable to such supplemental taxable income). The Company may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to a Participant.

(f) Amendment of Award. The Board may amend, modify or terminate any outstanding Award, including but not limited to, by substituting therefor another Award of the same or a different type, changing the date of exercise or realization, and converting an Incentive Stock Option to a Nonstatutory Stock Option, provided that the Participant's consent to such action shall be required unless the Board determines that the action, taking into account any related action, would not materially and adversely affect the Participant.

(g) Conditions on Delivery of Stock. The Company will not be obligated to deliver any shares of Common Stock pursuant to the Plan or to remove restrictions from shares previously delivered under the Plan until (i) all conditions of the Award have been met or removed to the satisfaction of the Company, (ii) in the opinion of the Company's counsel, all other legal matters in connection with the issuance and delivery of such shares have been satisfied, including any applicable securities laws and any applicable stock exchange or stock market rules and regulations, and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Company may consider appropriate to satisfy the requirements of any applicable laws, rules or regulations.

(h) Acceleration. The Board may at any time provide that any Award shall become immediately exercisable in full or in part, free of some or all restrictions or conditions, or otherwise realizable in full or in part, as the case may be.

9. Miscellaneous

(a) No Right to Employment or Other Status. No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to continued employment or any other relationship with the Company. The Company expressly reserves the right at any time to dismiss or otherwise terminate its relationship with a Participant free from any liability or claim under the Plan, except as expressly provided in the applicable Award.

(b) No Rights as Stockholder. Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed with respect to an Award until becoming the record holder of such shares. Notwithstanding the foregoing, in the event the Company effects a split of the Common Stock by means of a stock dividend and the exercise price of and the number of shares subject to such Option are adjusted as of the date of the distribution of the dividend (rather than as of the record date for such dividend), then an optionee who exercises an Option between the record date and the distribution date for such stock dividend shall be entitled to receive, on the distribution date, the stock dividend with respect to the shares of Common Stock acquired upon such Option exercise, notwithstanding the fact that such shares were not outstanding as of the close of business on the record date for such stock dividend.

(c) Effective Date and Term of Plan. The Plan shall become effective on the date on which it is adopted by the Board, but no Award granted to a Participant that is intended to comply with Section 162(m) shall become exercisable, vested or realizable, as applicable to such Award, unless and until the Plan has been approved by the Company's stockholders to the extent stockholder approval is required by Section 162(m) in the manner required under Section 162(m) (including the vote required under Section 162(m)). No Awards shall be granted under the Plan after the completion of ten years from the earlier of (i) the date on which the Plan was adopted by the Board or (ii) the date the Plan was approved by the Company's stockholders, but Awards previously granted may extend beyond that date.

(d) Amendment of Plan. The Board may amend, suspend or terminate the Plan or any portion thereof at any time, provided that to the extent required by Section 162(m), no Award granted to a Participant that is intended to comply with Section 162(m) after the date of such amendment shall become exercisable, realizable or vested, as applicable to such Award, unless and until such amendment shall have been approved by the Company's stockholders if required by Section 162(m) (including the vote required under Section 162(m)).

(e) Governing Law. The provisions of the Plan and all Awards made hereunder shall be governed by and interpreted in accordance with the laws of the State of Delaware, without regard to any applicable conflicts of law.

Adopted by the Board of Directors on November 11, 2003.

Approved by the Stockholders on December 9, 2003.
