EX-10.1

Table of Contents**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

On August 10, 2006, Retail Ventures, Inc. (the Company or RVI) and DSW Inc., a controlled subsidiary of the Company (DSW), entered into an underwriting agreement (the Underwriting Agreement) with Lehman Brothers Inc., as underwriter (the Underwriter), in connection with the pricing of its 6.625% Mandatorily Exchangeable Notes due September 15, 2011, or PIESSM (Premium Income Exchangeable SecuritiesSM) in the aggregate principal amount of \$125,000,000 (\$143,750,000 if the Underwriter exercises in full its option to purchase additional PIES pursuant to the Underwriting Agreement). The closing of the offering is expected to take place on August 16, 2006.

Except to the extent RVI exercises its cash settlement option, the PIES are mandatorily exchangeable, on the maturity date, into Class A common shares of DSW, no par value per share, which are issuable upon exchange of DSW Class B common shares, no par value per share, beneficially owned by RVI. On the maturity date, each holder of the PIES will receive a number of DSW Class A common shares per \$50 principal amount of PIES equal to the exchange ratio described in the RVI prospectus, or if RVI elects, the cash equivalent thereof or a combination of cash and DSW Class A common shares. The exchange ratio is equal to the number of DSW Class A common shares determined as follows: (i) if the applicable market value of DSW Class A common shares equals or exceeds \$34.95, the exchange ratio will be 1.4306 shares; (ii) if the applicable market value of DSW Class A common shares is less than \$34.95 but greater than \$27.41, the exchange ratio will be between 1.4306 and 1.8242 shares; and (iii) if the applicable market value of DSW Class A common shares is less than or equal to \$27.41, the exchange ratio will be 1.8242 shares, subject to adjustment as provided in the PIES. The maximum aggregate number of DSW Class A common shares deliverable upon exchange of the PIES is 4,560,500 DSW Class A common shares (or 5,244,575 DSW Class A common shares if the Underwriter exercises in full its option to purchase additional PIES pursuant to the Underwriting Agreement), subject to adjustment as provided in the PIES. The DSW Class A common shares into which the PIES are exchangeable are to be delivered pursuant to an indenture to be entered into by and between the Company and HSBC Bank USA, National Association, as indenture trustee.

The PIES will be secured initially by a pledge by the Company of DSW Class B common shares equal to the maximum number of DSW Class A common shares deliverable by the Company upon exchange of the PIES. The DSW Class B common shares are exchangeable by the Company for an equal number of DSW Class A common shares pursuant to an exchange agreement, dated July 5, 2005, between the Company and DSW.

The above description is qualified in its entirety by reference to the complete Underwriting Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
