Item 1.01 Entry Into a Material Definitive Agreement

On August 21, 2007 the Registrant executed an agreement (the "Agreement") with Pharmachem Laboratories, Inc. ("Pharmachem").

Pursuant to the Agreement, the Registrant agreed to exclusively manufacture for Pharmachem and supply to Pharmachem the Registrant's ingredients and finished products intended for use in cosmetic and topical skin care applications, developed and manufactured by the Registrant using the Novasome® technology.

Under the Agreement, the Registrant granted Pharmachem the exclusive right to market, sell and promote these products with the Novasome® trademark through the direct sales and direct marketing channels (i.e. multi-level marketing and direct sales) in the United States, and such other regions as the parties may further agree.

Pharmachem has a minimum annual purchase requirement for such exclusivity inclusive of specified minimum monthly amounts for product development. In the event Pharmachem is unable to meet the minimum annual purchase requirement, they will have an option to pay Registrant a percentage of the balance required to maintain such exclusivity.

The prices charged to Pharmachem for the products allow for pre determined gross margins to the Registrant. The Agreement has a term of one year and is renewable annually upon mutual agreement of the parties.

Pharmachem is a beneficial owner of approximately 10.3% of the Registrant's outstanding common stock. <PAGE>
