PROXY STATEMENT

The Board of Directors is furnishing stockholders this Proxy Statement to solicit proxies to be voted at the 2013 Annual Meeting of Stockholders of IGI Laboratories, Inc. which will be held on Wednesday, May 22, 2013, at 10:00 a.m. local time, at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., 666 Third Avenue, New York, NY 10017. This Proxy Statement, including the Notice of Annual Meeting of Stockholders and the accompanying proxy card were first mailed or given to our stockholders on or about, 2013.

Each proxy received will be voted as you direct it to be voted. If you do not indicate on your proxy how you want your vote counted, your proxy will be voted as follows:

.

FOR electing the nominees named below as directors;

.

FOR approving an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of common stock from 50,000,000 to a total of 60,000,000 shares;

.

FOR the ratification of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2013;

.

FOR approving, by an advisory vote, the compensation of our named executive officers, as disclosed in this proxy statement;

.

FOR approving, by an advisory vote, the frequency of holding an advisory vote on the compensation of our named executive officers;

If you are a stockholder of record (that is, your stock was registered directly in your name on the books of our transfer agent, American Stock Transfer and Trust Company on April 9, 2013), you can revoke your proxy or change

your vote at any time before it is exercised by giving written notice to our Secretary specifying such revocation. **If you hold your shares in street name as a beneficial owner** (that is, your broker, bank or other nominee held stock in your account and not directly in your name on April 9, 2013), you can revoke your proxy by contacting your broker, bank or other nominee and submitting a later dated voting instruction card. Votes will be tabulated by American Stock Transfer and Trust Company and the results will be reported at the Annual Meeting.

Holders of our common stock, Series A Convertible Preferred Stock, which we refer to in this Proxy Statement as Series A Preferred Stock, and Series C Convertible Preferred Stock, which we refer to in this Proxy Statement as our Series C Preferred Stock, will vote together as a single class and on an as-converted basis to approve and/or ratify the Proposals specified in this Proxy Statement.

If you complete and properly sign the accompanying proxy card and return it to us, your proxy will be voted as you direct. If you are a stockholder of record as of the close of business on April 9, 2013, which we refer to in the proxy materials as the Record Date, and attend the Annual Meeting, you may deliver your completed proxy card in person, vote in person at the Annual Meeting (proxy cards will be available at the Annual Meeting for that purpose), or revoke a previously submitted proxy and complete a new proxy.

However, if you hold your shares in street name as a beneficial owner, your broker may vote your shares on your behalf unless you have previously informed your broker, bank or other nominee not to do so or if your broker, bank or other nominee does not have discretionary authority to vote on such matter; otherwise,

a)

you must return your voting instructions to your broker, bank or other nominee (that is, the holder of record); or

b)

if you wish to vote in person at the Annual Meeting, you must obtain from the record holder and bring to the Annual Meeting a proxy **signed by the record holder** identifying you as the beneficial owner of the shares and giving you the right to vote the shares at the Annual Meeting (You may **not** use the voting instruction form provided by your broker, bank or other nominee to vote in person at the Annual Meeting).

Only holders of record of our 43,132,745 outstanding shares of common stock, 50 outstanding shares of Series A Preferred Stock, and 1,550 outstanding shares of Series C Preferred Stock, as of the close of business on the Record Date, will be entitled to vote at the Annual Meeting. Each holder of shares of our common stock on the Record Date is entitled to one vote for each share of our common stock held by that holder. Each holder of shares of our Series A Preferred Stock on the Record Date is entitled to a number of votes for each share of Series A Preferred Stock held by such holder equal to the number of shares of common stock into which such share of Series A Preferred Stock is then convertible. As of the Record Date, each share of Series A Preferred Stock was convertible into 10,000 shares of our common stock. Each holder of shares of our Series C Preferred Stock on the Record Date is entitled to a number of votes for each share of Series C Preferred Stock held by such holder equal to the number of shares of common stock into which such share of Series C Preferred Stock is then convertible. As of the Record Date, each share of Series C Preferred Stock was convertible into approximately 1,670 shares of our common stock. As of the Record Date, our common stock carried an aggregate of 43,132,745 votes, our Series A Preferred Stock carried an aggregate of 500,000 votes and our Series C Preferred Stock carried an aggregate of 2,587,333 votes.

If you abstain from voting, your shares will be counted as shares present and entitled to vote in determining the presence of a quorum for the Annual Meeting, but your shares will not be voted in determining approval of any matter submitted to stockholders for a vote. Abstentions related to a proposal which requires approval upon the votes cast in favor of the action exceeding the votes cast opposing the action or a majority of votes cast, which does not include the election of directors, will have no effect on the outcome of the vote. Abstentions have no impact on the election of directors because directors are elected by a plurality of votes cast at the Annual Meeting. If you do not provide voting instructions to your broker and your broker indicates on its proxy card that it does not have discretionary authority to vote on a particular proposal, such as the election of directors, your shares will be considered to be broker non-votes with regard to that matter. Broker non-votes will be considered to be represented for purposes of determining a quorum but generally will not be considered to be entitled to vote with respect to that proposal. Thus, a broker non-vote will make a quorum more readily obtainable, but a broker non-vote will not otherwise affect the outcome of the proposals being voted upon at the Annual Meeting. With respect to a proposal that requires a majority of the outstanding shares, a broker non-vote has the same effect as a vote against the proposal.

Votes Required

The holders of capital stock representing a majority of the outstanding voting power of all outstanding shares of our common stock, Series A Preferred Stock and Series C Preferred Stock entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting. Shares of our common stock, Series A Preferred Stock and Series C Preferred Stock present in person or represented by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum exists at the Annual Meeting.

Edgar Filing: IGI LABORATORIES, INC - Form PRE 14A

Proposal No. 1 - Election of Directors. The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked "Withhold Authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although such proxy will be counted for purposes of determining whether there is a quorum.

Proposal No. 2 Increase of Authorized Shares of Common Stock. The affirmative vote of votes cast favoring the action exceeding the votes cast opposing the action is required to approve an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of common stock from 50,000,000 to a total of 60,000,000 shares.

Proposal No. 3 Ratification of Auditor. The affirmative vote of votes cast favoring the action exceeding the votes cast opposing the action is required to approve the ratification of EisnerAmper LLP as our independent registered public accounting firm.

Proposal No. 4 Advisory Vote on Say-on-Pay. The affirmative vote of votes cast favoring the action exceeding the votes cast opposing the action is required to approve, by an advisory vote, the compensation of our named executive officers, as disclosed in this proxy statement.

Proposal No. 5 Advisory Vote on Frequency of Say-on-Pay. The affirmative vote of votes cast favoring the action exceeding the votes cast opposing the action is required to approve, by an advisory vote, the frequency of holding an advisory vote on the compensation of our named executive officers.

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

At the Annual Meeting, holders of our common stock, Series A Preferred Stock and Series C Preferred Stock, voting as a single class and on an as-converted basis, will vote to elect six members to our Board of Directors by plurality of the votes cast. Our Board of Directors has proposed the following nominees: Narendra N. Borkar, Michael Hemric, Jason Grenfell-Gardner, Joyce Erony, James Gale and Bhaskar Chaudhuri.

All of the nominees are currently serving as our directors. The Board of Directors is currently composed of six directors. Each director will serve until the next annual meeting of stockholders, and until his or her successor has been elected and qualified, or until his or her earlier resignation or removal. We have no reason to believe that any nominee will not be available for election as a director for the prescribed term.

The Audit Committee is required to discharge its responsibilities, and assess the information provided by our management and the outside auditor, in accordance with its business judgment. In exercising its business judgment, the Audit Committee is required to rely on the information and advice provided by management and/or our outside auditor. To review annually the Board of Director's committee structure, charters and membership and recommend to the Board of Directors changes, if any; and, in consultation with the Chairman of the Board of Directors, recommend to the Board of Directors the assignment of members of the Board of Directors to the various committees and appointment, rotation or removal of committee chairs;

To review and make recommendations to the Board of Directors with respect to changes in directors' compensation and benefits; and

To develop and recommend to the Board of Directors a set of corporate governance guidelines and to review the guidelines at least annually and recommend changes as necessary.

The Nominating and Corporate Governance Committee shall have sole authority to retain and terminate any consulting firm to assist it in carrying out its duties and responsibilities, as the committee may deem appropriate in its sole discretion. The Nominating and Corporate Governance Committee shall have sole authority to approve related fees and other retention terms.

The Nominating and Corporate Governance Committee's process for recruiting and selecting nominees is for Committee members to attempt to identify individuals who are thought to have certain minimum qualifications, including appropriate business background and experience, industry specific knowledge and general reputation and expertise that would allow them to contribute as effective directors to our governance, and who are willing to serve as directors of a public company. The Nominating and Corporate Governance Committee also considers such other factors as it deems appropriate, including the current composition of the Board. The Committee and Board believe that Board membership should reflect diversity in its broadest sense, including persons diverse in skills, background, gender and ethnicity. The Committee has not adopted a formal policy for the consideration of diversity in identifying candidates for the Board.

To date, we have not engaged any third party to assist in identifying or evaluating potential nominees. After a possible candidate is identified, the individual meets with various members of the Committee to ascertain his or her interest and willingness to serve, and Committee members discuss among themselves the individual's potential to be an effective member of the Board of Directors. If the discussions and evaluation are positive, the individual is recommended by the Nominating and Corporate Governance Committee to the entire Board of Directors.

The entire Board of Directors, including the Nominating and Corporate Governance Committee, approved the nomination of the candidates reflected in Proposal No. 1. The Nominating and Corporate Governance Committee will consider stockholder recommendations for candidates to serve on the Board of Directors. The name of any recommended candidate for director, together with pertinent biographical information, a document indicating the candidate's willingness to serve if elected, and evidence of the nominating stockholder's ownership of our common stock should be sent to the Nominating and Corporate Governance Committee c/o IGI Laboratories, Inc., Corporate Secretary, 105 Lincoln Avenue, PO Box 687, Buena, New Jersey 08310. To date, the Nominating and Corporate Governance Committee has not adopted a specific formal policy with respect to the consideration of director candidates recommended by stockholders and to date no director candidates have been recommended by stockholders. If a director candidate were to be recommended by a stockholder, the Nominating and Corporate Governance Committee expects to evaluate such candidate in the same manner it evaluates director candidates it identifies.

The members of the Nominating and Corporate Governance Committee in 2012 were Michael Hemric (Chair) and James Gale. In April 2012, Jane E. Hager resigned from her position on the Nominating and Corporate Governance Committee due to her decision not to run for election in 2012. Michael Hemric replaced Ms. Hager on the Nominating and Corporate Governance Committee, and accepted the position as Chair of the Nominating and Corporate Governance Committee. We believe that the composition of the Nominating and Corporate Governance Committee in 2012 and the current composition complies with all applicable requirements of the Sarbanes-Oxley Act of 2002, NYSE:MKT and SEC rules and regulations, including those regarding the independence of the Nominating and Corporate Governance Committee members. The Nominating and Corporate Governance Committee met one time during the 2012 fiscal year. Since the Nominating and Corporate Governance Committee is composed solely of non-management directors, all nominees for director at the Annual Meeting were nominated by non-management directors.

Board Meeting and Attendance

During our 2012 fiscal year, our Board of Directors met ten times. Each incumbent director attended at least 75% of the total number of meetings of the Board of Directors and each committee of the board on which such director served.

As required, independent members of the board meet in executive sessions outside the presence of management.

Stockholder Communications with Directors and Director Attendance at Annual Meetings

Stockholders who wish to send communications to our Board of Directors may do so by sending them c/o IGI Laboratories, Inc., Corporate Secretary, 105 Lincoln Avenue, PO Box 687, Buena, New Jersey 08310. Such communications may be addressed either to specified individual directors or the entire Board of Directors. The Secretary will have the discretion to screen and not forward to directors communications that the Secretary determines are communications unrelated to our business or governance, commercial solicitations, offensive, obscene, or otherwise inappropriate. The Secretary will, however, compile all stockholder communications that are not forwarded and such communications will be available to any director.

Edgar Filing: IGI LABORATORIES, INC - Form PRE 14A

It is the policy of our Board of Directors that directors are strongly encouraged to attend all annual stockholder meetings. Each of our directors serving at the time attended the 2012 annual meeting of stockholders.

Board Leadership Structure

The Chairman of the Board presides at all meetings of the Board. The Chairman is appointed on an annual basis by a majority vote of the directors. Currently, the offices of Chairman of the Board and Chief Executive Officer are separated. We have no fixed policy with respect to the separation of the offices of the Chairman of the Board and Chief Executive Officer. The Board believes that the separation of the offices of the Chairman of the Board and Chief Executive Officer is part of the succession planning process and that it is in the best interests of the company to make this determination from time to time.

Oversight of Risk Management

We are exposed to a number of risks and we regularly identify and evaluate these risks and develop plans to manage them effectively. Our Chief Executive Officer and Chief Financial Officer are directly responsible for our risk management function and report to our Board and Audit Committee in this regard. In fulfilling their risk management responsibilities, our Chief Executive Officer and Chief Financial Officer work closely with members of senior management, including our accounting staff.

On behalf of the Board of Directors, the Audit Committee plays a key role in the oversight of our risk management policy. In that regard, the Chief Financial Officer meets with the Audit Committee at least four times a year to discuss the risks facing us, highlighting any new risks that may have arisen since they last met. The Audit Committee reports to the Board of Directors on a regular basis to apprise them of their discussions with the Chief Financial Officer. Finally, the Chief Financial Officer and Chief Executive Officer report directly to the Board of Directors on at least an annual basis to apprise them directly of our risk management efforts.

Standards of Business Conduct

The Company has adopted written standards of business conduct that applies to all directors, officers and employees of the Company and its subsidiaries. The Company's standards of business conduct is available at its website at www.igilabs.com. Any amendments to the standards of business conduct or waivers from the provisions of the standards of business conduct for the Company's principal executive officer and principal financial and accounting officer will be disclosed in a Current Report on Form 8-K within four business days following the date of the amendment or waiver, unless website posting or the issuance of a press release of such amendments or waivers is then permitted by the rules of NYSE:MKT.

Director Compensation

Director Options. In September 1999, our Board of Directors adopted the 1999 Director Stock Option Plan, which we refer to as the 1999 Plan. Under the 1999 Plan, on January 2 of each year, (i) each non-employee director is granted a stock option to purchase 15,000 shares of our common stock; and (ii) each of the Chairmen of the Audit Committee and the Organization and Compensation Committee is granted additional stock options to purchase 15,000 and 10,000 shares of our common stock, respectively. Additionally, under the 1999 Plan, each newly elected director will receive a stock option grant to purchase 15,000 shares of our common stock at the time of his or her election. All of such options will be granted at an exercise price equal to the closing price of our common stock on the NYSE:MKT on the date of grant. All options granted under the 1999 Plan become 100% vested 12 months after the date of grant.

Director Fees. During 2009, the directors unanimously adopted a non-employee director compensation program which provides for equity grants to our non-employee directors under, pursuant to and in the amounts that were provided for in the original 1999 Plan as set forth above. The board of directors also approved the payment of an annual cash retainer of \$25,000, payable quarterly, to each non-employee director and a one-time grant of an option to purchase an additional 15,000 shares of our common stock to a non-employee director when he or she joins the Board of Directors (in addition to the similar 15,000 share grant pursuant to the 1999 Plan) pursuant to such program. This one-time award is granted to non-employee directors who join the Board of Directors after April 7, 2010. Ms. Erony and Mr. Gale have indicated that they will voluntarily defer any cash compensation otherwise due to them on account of director fees unless, until and only in the event that we return to profitability. In 2010, the Board of Directors reduced the annual grant to the Chairman of the Audit Committee from an option to purchase 15,000 shares of common stock to an option to purchase 10,000 shares of common stock. In 2012, the Board of Directors increased the

Edgar Filing: IGI LABORATORIES, INC - Form PRE 14A

annual grant to the Chairman of the Audit Committee from an option to purchase 10,000 shares of common stock to an option to purchase 20,000 shares of common stock and increased the annual grant to the Chairman of the Organization and Compensation Committee from an option to purchase 10,000 shares of common stock to an option to purchase 15,000 shares of common stock. In addition, the Chairperson of the Board will receive an annual grant of an option to purchase 20,000 shares of common stock.

**PROPOSAL NO. 2: APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF
INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES
OF COMMON STOCK FROM 50,000,000 TO A TOTAL OF 60,000,000 SHARES**

The Board of Directors has adopted, and is recommending to the stockholders for approval, an amendment to our Amended and Restated Certificate of Incorporation to increase the number of authorized shares of our common stock by 10,000,000, from 50,000,000 to a total of 60,000,000 shares. The full text of the proposed amendment is set forth below.

The additional 10,000,000 shares would be a part of the existing class of common stock and, if and when issued, would have the same rights and privileges as the shares of common stock presently issued and outstanding. The Board of Directors believes it is desirable to increase the number of shares of common stock we are authorized to issue to provide us with adequate flexibility for business and financial purposes in the future. The additional shares may be used for various purposes which may not require further stockholder approval. These purposes may include: raising capital; providing equity incentives to employees, officers or directors; establishing strategic relationships with other companies; expanding our business or product lines through the acquisition of other businesses or products; and other purposes. We have no present commitments, agreements or intent to issue any additional shares of common stock, other than shares currently reserved for issuance under our 1999 Stock Incentive Plan, as amended, the 1999 Director Stock Option Plan, as amended, and the 2009 Equity Incentive Plan, as amended, or for issuance upon exercise of outstanding warrants to purchase our common stock, or for issuance upon conversion of our Series A Convertible Preferred Stock or conversion of our Series C Convertible Preferred Stock.

Although authorization of additional shares of common stock is recommended by our Board of Directors for the reasons stated herein, and not in consideration of any possible anti-takeover effect, such additional authorization of shares of common stock could be used by incumbent management to make it more difficult, and thereby discourage, any attempt to acquire control of us, even though our stockholders may deem such an acquisition desirable. For example, the shares could be privately placed with a purchaser who might support our board in opposing a hostile takeover bid. The issuance of new shares could also be used to dilute the stock ownership and voting power of a third party seeking to remove directors from our Board of Directors, replace incumbent directors, accomplish certain business combinations or alter, amend or repeal portions of our Certificate of Incorporation.

The proposed amendment would permit the issuance of additional shares of common stock up to the new 60,000,000 maximum authorization. Such issuance may not require further action or authorization by our stockholders. Our board believes it is prudent to have this flexibility. The holders of our common stock are not entitled to preemptive rights or cumulative voting. Accordingly, the issuance of additional shares of common stock might dilute, under certain circumstances, the ownership and voting rights of our stockholders.

As of the Record Date, there were 43,132,745 shares outstanding, 354,546 shares reserved for issuance upon the exercise of outstanding warrants to purchase common stock, and 2,721,500 shares reserved for future issuance under our 1999 Stock Incentive Plan, as amended, the 1999 Director Stock Option Plan, as amended, and the 2009 Equity Incentive Plan, as amended, and 3,087,333 shares reserved for future issuance upon conversion of our Series A Convertible Preferred Stock or conversion of our Series C Convertible Preferred Stock.

The proposed amendment, to our Certificate of Incorporation, if adopted by the required vote of stockholders, will become effective upon its acceptance by the Delaware Secretary of State. If adopted by the required vote of stockholders, the current first sentence of the Fourth Article of the Amended and Restated Certificate of Incorporation would be deleted and replaced with the following:

Edgar Filing: IGI LABORATORIES, INC - Form PRE 14A

The total number of shares of stock which the Corporation is authorized to issue is 61,000,000, of which 60,000,000 shall be shares of Common Stock, \$0.01 par value per share (Common Stock), and 1,000,000 shall be shares of Preferred Stock, \$0.01 par value per share (Preferred Stock).

Vote Required

Under Delaware law, an amendment of a certificate of incorporation to effectuate a change in the number of shares of the authorized capital stock of a corporation requires the approval of a majority of the outstanding stock entitled to vote thereon.

Board Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 50,000,000 TO A TOTAL OF 60,000,000 SHARES.

**PROPOSAL NO. 3 RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected EisnerAmper LLP to serve as our independent auditors for the fiscal year ending December 31, 2013. Representatives from EisnerAmper LLP are expected to attend the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Although stockholder ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm is not required by our bylaws or otherwise, our Board has decided to afford our stockholders the opportunity to express their opinions on the matter of our independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time if it determines that such a change would be in our best interests and those of our stockholders. If our stockholders do not ratify the appointment, the Audit Committee will take that fact into consideration, together with such other information as it deems relevant, in determining its next selection of an independent registered public accounting firm.

Fees Paid to Independent Auditors

The following table sets forth the aggregate fees paid by us for the audit and other services for the fiscal years 2012 and 2011 to our independent auditors:

	<u>2012</u>	<u>2011</u>
Audit Fees (1)	\$189,000	\$206,325
Audit-Related Fees (2)	\$ 23,625	
Tax Fees		
All Other Fees		
Total	\$189,000	\$229,950

(1)

These are fees for professional services rendered for the audit of our 2012 and 2011 financial statements and review of financial statements included in our quarterly reports on Form 10-Q, and services that are normally provided in connection with statutory and regulatory filings or engagements.

(2)

Audit-Related Fees consist of fees billed for professional services rendered for audit-related services including consultation on compliance related matters and for professional services associated with our filing of registration statements on Form S-3 and Form S-8.

Representatives of EisnerAmper LLP attended all meetings of the Audit Committee in 2012. The Audit Committee pre-approves and reviews all audit services performed by our independent auditors as well as the fees charged by our independent auditors for such services. In its pre-approval and review of non-audit service fees, the Audit Committee considers, among other things, the possible effect of the performance of such services on the auditors' independence. EisnerAmper LLP did not perform any non-audit services for us during fiscal years 2012 or 2011.

Vote Required

A plurality of the votes cast by the stockholders entitled to vote and who are present in person or by proxy at the Annual Meeting will be required for the ratification of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2013.

Board Recommendation

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF EISNERAMPER LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2013.

**PROPOSAL NO. 4: ADVISORY VOTE ON APPROVAL OF EXECUTIVE COMPENSATION
AS DISCLOSED IN THIS PROXY STATEMENT**

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act), we are seeking your advisory vote on our executive compensation arrangements. More specifically, we ask that you support the compensation of our named executive officers as disclosed in the Executive Compensation section, the accompanying compensation tables and the related narrative disclosure of this proxy statement with respect to our named executive officers. Because your vote is advisory, it will not be binding on our Compensation Committee or our Board of Directors. However, the Compensation Committee and the Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Our compensation philosophy is designed to align each executive s compensation with our short-term and long-term performance and to provide the compensation and incentives needed to attract, motivate and retain key executives who are crucial to our long-term success. Consistent with this philosophy, a significant portion of the total compensation opportunity for each of our executives is directly related to performance factors that measure our progress against the goals of our strategic and operating plans, as well as our performance against that of our peer companies.

Stockholders are urged to read the Executive Compensation section of this proxy statement, which discusses how our compensation policies and procedures implement our compensation philosophy. The Compensation Committee and the Board of Directors believe that these policies and procedures are effective in implementing our compensation philosophy and in achieving its goals.

The following resolution, commonly known as a say-on-pay vote, is being submitted for a stockholder vote at the 2012 annual meeting:

RESOLVED, that the Company s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Executive Compensation, the compensation tables and the related material disclosed in this proxy statement.

Vote Required

The affirmative vote of a majority of the votes cast is required to approve, on an advisory basis this resolution.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE, ON AN ADVISORY BASIS, THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

**PROPOSAL NO. 5: ADVISORY VOTE ON APPROVAL OF THE FREQUENCY OF HOLDING
AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

In addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, the Company, in accordance with Section 14A of the Exchange Act, is seeking your input on whether the advisory vote on executive compensation should be held every one, two or three years. Because your vote is advisory, it will not be binding on our Compensation Committee or our Board of Directors. However, the Compensation Committee and the Board will review the voting results and take them into consideration when making future decisions regarding how frequently it should present the advisory vote on executive compensation to our stockholders.

The Compensation Committee, Board of Directors and management believe that it is appropriate and in our best interests for our shareholders to vote in favor of an annual advisory vote on the compensation of our named executive officers. An advisory vote each year will permit our stockholders to provide annual feedback to us on our compensation policies, practices and compensation awards for our named executive officers. This is consistent with our policy of giving shareholders the opportunity to voice concerns with management or our Board. An annual advisory vote will give the Board, the Compensation Committee and management more timely feedback from the shareholders to allow us to evaluate and adjust, when we consider appropriate, the compensation of our named executive officers.

The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the Board's recommendation. The affirmative vote of a majority of the shares voted for this proposal—every year, every two years or every three years—will be the frequency approved, on an advisory basis, by our stockholders. However, because the vote on the frequency of holding future advisory votes on the compensation of our named executive officers is not binding, if none of the frequency options receives a majority vote, the option receiving the greatest number of votes will be considered the frequency preferred by the stockholders.

Vote Required

The affirmative vote of a majority of the votes cast is required to approve, on an advisory basis this resolution.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE, ON AN ADVISORY BASIS, THE FREQUENCY OF HOLDING A VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS EVERY YEAR, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH FREQUENCY UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY CARD.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than compensation agreements and other arrangements which are described in the Director Compensation and Executive Compensation sections of this proxy statement, during our last two fiscal years, there has not been, and there is not currently proposed, any transaction or series of similar transactions to which we were or will be a party in which the amount involved exceeded or will exceed one percent of the average of our total assets at year-end for the last two completed fiscal years and in which any of our directors, nominees for director, executive officers, holders of more than five percent of any class of our voting securities or any member of the immediate family of the foregoing persons had or will have a direct or indirect material interest.

2012 Private Placement

On December 21, 2012, we closed a \$2,000,000 private placement (the *Offering*) with Amzak Capital Management, LLC (the *Investor*). Pursuant to the terms of a Securities Purchase Agreement entered into with the Investor (the *Purchase Agreement*) on December 20, 2012, we issued to the investor (i) 1,965,740 shares of our common stock, par value \$0.01 per share, held in treasury (the *Shares*), and (ii) a ten-year warrant to purchase up to an aggregate of 387,201 shares of our common stock, with an exercise price of \$0.01 per share (the *Warrants*). The Warrants are exercisable immediately. We used the proceeds from this Offering for general working capital as well as the acquisition of econozale nitrate cream 1% which was purchased on February 1, 2013.

In connection with the Offering, we also entered into a registration rights agreement (the *Registration Rights Agreement*), dated as of December 20, 2012, with the Investor, relating to the registration of the Shares, the Warrants and the shares of common stock issuable upon the exercise of the Warrants, issued in connection with the Offering (the *Registrable Shares*). The Registration Rights Agreement provides that we will file a resale registration statement (the *Initial Registration Statement*) covering all of the Registrable Shares within six months of the date of the Registration Rights Agreement and that such Initial Registration Statement shall be declared effective within nine months of the date of the Registration Rights Agreement, subject to certain limitations. Further, the Company has agreed to pay the Investor specified cash payments as partial liquidated damages in the event the Initial Registration Statement is not declared effective by the Securities and Exchange Commission with the specified timeframe.

Policies and Procedures Regarding Review, Approval, or Ratification of Related Person Transactions

The Audit Committee is responsible for reviewing and approving the terms and conditions of all related person transactions. In carrying out its responsibilities, the Audit Committee reviews and considers information regarding the related person transaction as it deems appropriate under the circumstances, which may include information such as the related person's interest in the transaction, the approximate dollar value involved in the transaction, whether the transaction was undertaken in the ordinary course of business, whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party and the purpose of, and the potential benefits to us of, the transaction. The Audit Committee may approve or ratify the transaction only if it determines that, under all of the circumstances, the transaction is not inconsistent with our best interests.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information, as of March 31, 2013, with respect to the beneficial ownership of our common stock, Series A Preferred Stock and Series C Preferred Stock held by: (i) each stockholder known by us to be the beneficial owner of more than 5% of our common stock, Series A Preferred Stock or Series C Preferred Stock; (ii) each director; (iii) each of our Named Executive Officers (which for purposes of this Proxy Statement means those executive officers listed in the Summary Compensation table in this Proxy Statement) and (iv) all current executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules of the SEC. Shares of our capital stock subject to options or warrants currently exercisable or exercisable within 60 days of March 31, 2013 are deemed to be outstanding for calculating the percentage of outstanding shares of the person holding those options or warrants, but are not deemed outstanding for calculating the percentage of any other person. Percentage of beneficial ownership of our common stock, Series A Preferred Stock and Series C Preferred Stock is based upon 43,132,745 shares of our common stock, 50 shares of our Series A Preferred Stock, and 1,550 shares of our Series C Preferred Stock outstanding as of March 31, 2013, respectively. To our knowledge, except as set forth in the footnotes to this table and subject to applicable community property laws, each person named in the table has sole voting and investment power with respect to the shares set forth opposite such person's name. Except as otherwise indicated, the address of each of the persons in this table is c/o IGI Laboratories, Inc., 105 Lincoln Avenue, Buena, New Jersey 08310.

For matters on which the holders of Series A Preferred Stock vote together as a single class with the holders of common stock and Series C Preferred Stock, each holder of shares of our Series A Preferred Stock is entitled to a number of votes for each share of Series A Preferred Stock held by such holder equal to the number of shares of common stock into which such share of Series A Preferred Stock is then convertible. Currently, each share of Series A Preferred Stock is convertible into 10,000 shares of our common stock. Such conversion ratio may be adjusted from time to time pursuant to customary adjustment features as set forth in the Certificate of

Designation for the Series A Preferred Stock. The holders of our Series A Preferred Stock would vote as a separate class with respect to any change to the rights, designations, and preferences of the Series A Preferred Stock. On all other matters, holders of our common stock, Series A Preferred Stock and Series C Preferred Stock will vote together as a single class. As of March 31, 2013 and April 9, 2013, holders of our Series A Preferred Stock are entitled to an aggregate of 500,000 votes.

(2)

For matters on which the holders of Series C Preferred Stock vote together as a single class with the holders of common stock and Series A Preferred Stock, each holder of shares of our Series C Preferred Stock is entitled to a number of votes for each share of Series C Preferred Stock held by such holder equal to the number of shares of common stock into which such share of Series C Preferred Stock is then convertible. As of March 31, 2013, each share of Series C Preferred Stock was convertible into shares of common stock equal to (i) 1,000 plus any accrued and unpaid dividends, divided by (ii) \$0.69. Such conversion ratio may be adjusted from time to time pursuant to customary adjustment features as set forth in the Certificate of Designation for the Series C Preferred Stock. As long as any shares of C Preferred Stock are outstanding, without the affirmative vote or consent of the holders of at least a majority of the shares of Series C Preferred Stock, voting separately as a class, we shall not (i) authorize, create, or issue any class or series of capital stock ranking, either as to payment of dividends, distributions of assets upon liquidation or otherwise, or redemptions, prior to or on parity with the Series C Preferred Stock and (ii) authorize any redemptions or repurchases of common stock, or repurchase or redeem any common stock, except in limited circumstances, for repurchases or redemptions of common stock from employees upon their termination of employment with us. As of April 9, 2013, holders of our Series C Preferred Stock were entitled to an aggregate of 2,587,333 votes.
