Item 8.01. Other Events.

On October 22, 2018, The Walt Disney Company (the “Company”) announced that the requisite number of consents have been received to adopt proposed amendments with respect to all outstanding notes of 21st Century Fox America, Inc. (“21CFA”). The results are based on early tenders in the (i) offers to exchange (the “Exchange Offers”) any and all outstanding notes (the “21CFA Notes”) issued by 21CFA, a wholly-owned subsidiary of Twenty-First Century Fox, Inc. (“21CF”), for up to \$18,128,740,000 aggregate principal amount of new notes to be issued by TWDC Holdco 613 Corp. (“New Disney”) and cash and (ii) related consent solicitations (the “Consent Solicitations”) being made by New Disney on behalf of 21CFA to adopt certain proposed amendments (the “Proposed Amendments”) to the indentures governing the 21CFA Notes (the “21CFA Indentures”). 21CFA has executed supplemental indentures to the 21CFA Indentures that contain the Proposed Amendments and those amendments will become operative only upon the settlement of the Exchange Offers, with the result that the Proposed Amendments effected by the supplemental indentures will be deemed to be revoked retroactive to the date thereof if the Exchange Offers are terminated or withdrawn prior to settlement.

The Exchange Offers and Consent Solicitations are being made pursuant to the terms and subject to the conditions set forth in the offering memorandum and consent solicitation statement dated October 5, 2018 (as amended by a supplement dated October 15, 2018) and the related letter of transmittal (as amended by a supplement dated October 15, 2018) and are conditioned upon the closing of New Disney’s acquisition (the “Acquisition”) of 21CF, which condition may not be waived by New Disney, and certain other conditions that may be waived by New Disney. The Exchange Offers and Consent Solicitations will expire at 12:01 a.m., New York City time, on November 5, 2018 (as the same may be extended, the “Expiration Date”). The settlement date for the Exchange Offers is expected to occur promptly after the Expiration Date and is expected to occur on or about the closing date of the Acquisition. The closing of the Acquisition is expected to occur in the first half of calendar year 2019 and, as a result, the Expiration Date may be extended one or more times. The Company currently anticipates providing notice of any such extension in advance of the Expiration Date.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Cautionary Notes on Forward Looking Statements

This communication contains “forward-looking statements” within the meaning of the federal securities laws, including Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In this context, forward-looking statements often address expected future business and financial performance and financial condition, and often contain words such as “expect”, “anticipate”, “intend”, “plan”, “believe”, “seek”, “see”, “will”, “would”, “target”, similar expressions, and variations or negatives of these words. Forward-looking statements by their nature address matters that are, to different degrees, uncertain, such as statements about the consummation of the Acquisition and the anticipated benefits thereof, expected timing of completion of the Exchange Offers and receipt of requisite consents in the Consent Solicitations. These and other forward-looking statements are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed in any forward-looking statements, including the failure to consummate the Acquisition or to make any filing or take other action required to consummate such transaction in a timely matter or at all. Important risk factors that may cause such a difference include, but are not limited to the risk: (i) that the completion of the Acquisition may not occur on the anticipated terms and timing or at all, (ii) that the regulatory approvals required for completion of the Acquisition are not obtained, or that in order to obtain such regulatory approvals, conditions are imposed that adversely affect the anticipated benefits from the Acquisition or cause the parties to abandon the Acquisition, (iii) that a condition to closing of the Acquisition may not be satisfied (including, but not limited to, the receipt of legal opinions with respect to the treatment of certain aspects of the Acquisition under U.S. and Australian tax laws), (iv) that the anticipated tax treatment of the Acquisition is not obtained, (v) that potential litigation relating to the Acquisition is instituted against 21CF, the Company, New Disney or their respective directors, (vi) of

unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic performance, indebtedness, financial condition and losses on the future prospects, business and management strategies for the management, expansion and growth of New Disney's operations after the consummation of the Acquisition and on the other conditions to the completion of the Acquisition, and (vii) of adverse legal and regulatory developments or determinations or adverse changes in, or interpretations of, U.S., Australian or other foreign laws, rules or regulations, including tax laws, rules and regulations, that could delay or prevent completion of the Acquisition or cause the terms of the Acquisition to be modified, as well as management's response to any of the aforementioned factors.

Additional factors are set forth in the Company's Annual Report on Form 10-K for the year ended September 30, 2017 under Item 1A, "Risk Factors", in the Company's Report on Form 10-Q for the quarter ended December 30, 2017 under Item 1A, "Risk Factors", in the Company's Report on Form 10-Q for the quarter ended June 30, 2018 under Item 1A, "Risk Factors", and in subsequent reports.
