Making customers healthier 6 Meet Sarah WHO: Sarah is a 47-year-old mother, a VP at a large trucking company, and active in her community. WHAT: Diagnosed with severe abdominal pain – and her doctor is unaware that she is seeing a behavioralist for associated depression. ADDED VALUE: We educate Sarah’s doctor about her situation; he coordinates and changes her pain medication and antidepressants as a result. This alone gives Sarah a more positive outlook on her ability to lead a more normal life.

FORWARD LOOKING STATEMENTS Information included or incorporated by reference in this communication, and information which may be contained in other filings with the Securities and Exchange Commission (the “SEC”) and press releases or other public statements, contains or may contain forward-looking statements. These forward-looking statements include, among other things, statements of plans, objectives, expectations (financial or otherwise) or intentions. Forward-looking statements, including as they relate to Express Scripts (“Express Scripts”) or Cigna (“Cigna”), the management of either such company or the transaction, involve risks and uncertainties. Actual results may differ significantly from those projected or suggested in any forward-looking statements. Express Scripts and Cigna do not undertake any obligation to release publicly any revisions to such forward-looking statements to reflect events or circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. Any number of factors could cause actual results to differ materially from those contemplated by any forward-looking statements, including, but not limited to, the risks associated with the following: the inability of Express Scripts and Cigna to obtain stockholder or regulatory approvals required for the merger or the requirement to accept conditions that could reduce the anticipated benefits of the merger as a condition to obtaining regulatory approvals; a longer time than anticipated to consummate the proposed merger; problems regarding the successful integration of the businesses of Express Scripts and Cigna; unexpected costs regarding the proposed merger; diversion of management’s attention from ongoing business operations and opportunities; potential litigation associated with the proposed merger; the ability to retain key personnel; the availability of financing; effects on the businesses as a result of uncertainty surrounding the proposed merger; and the industry may be subject to future risks that are described in SEC reports filed by Express Scripts and Cigna. You should carefully consider these and other relevant factors, including those risk factors in this communication and other risks and uncertainties that affect the businesses of Express Scripts and Cigna described in their respective filings with the SEC, when reviewing any forward-looking statement. These factors are noted for investors as permitted under the Private Securities Litigation Reform Act of 1995. Investors should understand it is impossible to predict or identify all such factors or risks. As such, you should not consider either foregoing lists, or the risks identified in SEC filings, to be a complete discussion of all potential risks or uncertainties. 9
